Submitted by:	Councillor Lisa Mulherin
Relevant Board/Regulatory Panel:	Executive Board
Executive Member/Chair:	Executive Member (Health and Wellbeing)

Delete all after “positive work in the future” and replace with:

Council recognises the severe budgetary and service transformation pressures placed on local and national health and care systems as a result of the Governments mismanagement of the NHS and the flawed legislation which led to the unnecessary and costly top-down reorganisation of the NHS.

The result is the biggest shake-up of the NHS since its creation with health and care services now facing unprecedented transformation in extremely challenging timescales.

This Council requests that the Health and Wellbeing Board is tasked with producing a report to explore and review how it can further work with the public to ensure that it is best placed to improve the health and wellbeing of the whole city and to ensure that people who are the poorest will improve their health the fastest.

Motion will then read:

The council notes the work done over the past 18 months by the Leeds Health and Wellbeing Board and looks forward to further positive work in the future.

at the end of paragraph 3 delete “Leeds” and replace with “*the Leeds City Region*”

Insert new fourth paragraph prior to existing para 4 as follows :-

“Council also notes the public opposition to the NGT routes and believes this is due to the restrictions placed on developing a suitable transit system for the City by central Government over the last twenty years, and the inability of the scheme to react to developments in technology and rider expectations. Council therefore calls on the Executive Board and the West Yorkshire Combined Authority to return to central government in the light of recent announcements and request that the funding promised for NGT is transferred to the West Yorkshire transport fund, for local decision making on the most appropriate means of proceeding with a relevant and acceptable scheme.”

in original paragraph 5 add after “resolves to” the word “*urgently*” in the first sentence; and delete the word “and” and replace with “, *noting that NEXUS has agreed to proceed with the introduction of Quality Bus Contracts at a more rapid pace than West Yorkshire has proceeded at over recent years. Council further resolves* “

add at end of the paragraph

“Council particularly welcomes calls by the Deputy Prime Minister for funding to be included in next month’s Autumn Statement for transport improvements in West Yorkshire at the Northern Futures Conference on the 6th November, and resolves to write to the Chancellor of the Exchequer urging him to include devolved funding in his proposals.”
