NOTIFICATION OF THE INTENTION FOR EXECUTIVE BOARD TO CONSIDER MATTERS IN PRIVATE

The Executive Board is the principal decision making body of the Council. All meetings of the Executive Board are open to the public, except where certain parts of an agenda contain exempt or confidential information. In these circumstances, the Executive Board may decide that it is in the public interest to discuss certain aspects of a report in private, and as such, choose to treat that specific part of the meeting as a 'private meeting' by excluding the public. Even when an element of a report is designated as exempt and considered in private, the remainder of the report and the related discussion by the Board will always be in the public domain.

Where there is a proposal for a meeting of Executive Board to consider part of a report in private, Part 2 of The Local Authorities (Executive Arrangements) (Meetings and Access to Information) (England) Regulations 2012 requires the Council to provide notification of its intention to do so.

This notice provides the required notification of the intention, at the time of publication, for certain aspects of the following Executive Board reports to be considered in private at its meeting on **16th DECEMBER 2015.**

Issue Proposed to be Considered by Executive Board	The Reasons why Certain Aspects of the Report are Required to be Considered in Private	The Relevant Access to Information Procedure Rule – Further Information regarding these rules can be found within the Council's Constitution	Contact Person - To which any Representations should be made
East Leeds Orbital Road	The information contained in the associated appendix is to be designated exempt from publication under Access to Information Rule 10.4 (3) as it contains information relating to a possible commercial funding arrangement and it is therefore commercially sensitive. Given this, and also the fact that it will relate to the financial or business affairs of any particular person (including the authority holding that information), it is considered that the public interest in maintaining the content of the Appendix as exempt outweighs the public interest in disclosing the information.
