To whom it may concern

Dear Sir

I write to support the application by the Seacroft Green Social Club for extended Bar opening times.

My husband and I have been attending this club for many years and feel it is managed very well.

Late night opening would be beneficial to both the club and it's customers.

Yours faithfully

To the Licence holder,

I am writing to offer my full support to the extension for the Seacroft Green Social Club. My reasons for this are:

It is a family run social club as it has been for a long time and offers many children's functions for example, the dance classes which bring the community together and also private parties. Trouble happens in every pub/club but the landlady always keeps everything under control and trouble to a minimum. The club is used strictly for members only and everybody is like a family. I give my full support to the landlady as the club is at its best and the perfect time for an extension.

Yours Sincerely

L.coultas & S.Gregory

26 July 2010

Dear Sir/Madam,

My husband and I have been members of the Seacroft Green Social Club for 15yrs. We are now retired, but enjoy our weekends at the club.

Marie is working very hard to make the club a success, as it has fallen into decline this last few years.

My husband and I are in favour of an extension, especially when there are special occasions such as weddings Anniversaries Birthdays and holidays.

I hope it is taken into consideration all the hard work Marie is doing and at the same time putting up with a lot of people's petty jealousies.

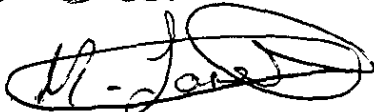

Yours sincerely
Mrs Barbara Jaap
