10. White Paper Motion - Renewable Energy in New Developments

This Council notes:

The proposed removal of the target for renewable energy in new developments in the Secretary of State's recommended changes to the draft Yorkshire and Humber Regional Spatial Strategy.

That the target was established in consultation with all key regional agencies and local authorities. It had successfully passed through the Examination in Public stage and was endorsed in the recommendations put forward by the Independent Panel.

That only 5 months earlier a similar policy in the North East Regional Spatial Strategy passed through virtually unchanged in the Secretary of State's list of proposed changes to that document.

That as a percentage renewable energy target, the policy encourages greater energy efficiency in new developments and is a driver to reduce carbon emissions

That the policy had been proven to be effective by those Councils already implementing this policy such as the London Borough of Croydon, which had now applied it to over 130 planning applications.

This Council calls on the Chief Executive to write to the Minister for Housing and Planning, calling on the Minister to:

Reconsider her recommendation to delete the renewable energy target in new

development from the Yorkshire and Humber Regional Spatial Strategy.

D BLACKBURN

11. White Paper Motion - Draft Local Government Funding Settlement

This Council expresses its concern at the draft funding settlement announced by central Government in December 2007, in particular its implications for the Council's ability to deliver services that the people of Leeds value and deserve

R BRETT

12. White Paper Motion - "Contact Leeds" Call Numbers

This Council condemns the ruling Conservative / Lib Dem administration's use of 0845 numbers at their flagship Contact Centre, "Contact Leeds".

This Council demands that the Administration immediately scrap these 0845 numbers. Furthermore this council calls for the Chief Executive to immediately examine the effectiveness of the contact centre and report back to the next meeting of the Executive Board.

This Council recognises the dedication and hard work of all its staff who work at "Contact Leeds" and holds the administration totally responsible for the faults of the contact centre and not the staff

K WAKEFIELD

13. White Paper Motion - NHS Yorkshire Cancer Centre

This Council congratulates: the NHS on opening the Yorkshire Cancer Centre in Leeds which will be at the forefront of cancer research and treatment world wide; the government for making the resources available; the staff which command international recognition and the YEP for its sustained and invaluable support for the centre appeal

48 White Paper Motion - Construction of an Incinerator in Leeds

It was moved by Councillor Blake seconded by Councillor Lyons

That this Council is opposed to an incinerator being constructed anywhere in the city and calls upon the ruling Administration to make their waste strategy clear to the people of Leeds.

An amendment was moved by Councillor A Blackburn seconded by Councillor Russell.

Delete all after “City” and replace with:

“Council further calls upon both the Administration here in Leeds and National Government to take action to further encourage the principles of Refuse, Reduce, Re-use, Repair and Recycle, and in so doing reduce the levels of residuals that need processing”.

A second amendment was moved by Councillor Smith seconded by Councillor J L Carter.

Replace all after “This council” with

“welcomes the Integrated Waste Strategy for Leeds and in particular its targets to reduce waste and increase recycling as far as possible. The Council clarifies that its preferred option is not energy from waste but notes the Government’s advice on taking a neutral approach to the procurement of a waste solution”.

The mover and seconder of the motion having accepted the first amendment with the consent of council, the first amendment was put to the vote and lost and upon the second amendment being put as the substantive motion it was

RESOLVED – That this Council welcomes the Integrated Waste Strategy for Leeds and in particular its targets to reduce waste and increase recycling as far as possible. The Council clarifies that its preferred option is not energy from waste but notes the Government’s advice on taking a neutral approach to the procurement of a waste solution.

On the requisition of Councillors Taggart and Lyons the voting was recorded as follows:

On the first amendment

(During the debate on this matter Councillor Illingworth declared a personal interest as a Director of Leeds Organic Growers which is promoting a composting scheme for garden waste).

49 Suspension of Council Procedure Rules

During the debate under minute 48 above it was moved by Councillor J Procter seconded by Councillor M Hamilton and

RESOLVED – That under the provisions of Council Procedure Rule 22.1, Procedure Rule 3.1(c) be suspended to allow the debate on this item to be concluded.

(At the conclusion of the debate under minute 49 the provisions of Council Procedure rule 3.1 (d) were applied).

50 Withdrawal of Motion

Under the provisions of Council Procedure Rule 14.11, with the consent of the seconder and of Council, Councillor a Carter withdrew the motion in his name relating to Government targets for new housing.

51 White Paper Motion - The Royal British Legion "It's time to Honour the Covenant" Campaign

It was moved by Councillor Grayshon seconded by Councillor Lancaster and

RESOLVED – This Council notes the excellent work carried out by the various branches of The Royal British Legion throughout the City of Leeds.

In particular we note the work of the “Its time to Honour the Covenant” campaign and request that the Chief Executive write to the Secretary of State for Defence and to all Leeds MP’s showing the support of Leeds City Council to this campaign.

52 White Paper Motion Submitted under the Provisions of Council (Procedure Rule 3.1(d)) - Houses in Multiple Occupation

It was moved by Councillor Monaghan seconded by Councillor Illingworth and

RESOLVED – That Council notes that:

- in England a family house and a house in multiple occupation (HMO) are in the same Use Class, in planning terms, which means that planning permission is not required to use what was a family house as an HMO.

- If the planning rules in England were changed to create a separate Use Class for HMOs, it would be much easier to control their distribution and local density in the City.

- Having a high density of HMOs can have a detrimental effect on local communities, for example in terms of waste, parking and noise, and can eventually lead to communities becoming unbalanced and unsustainable.

Therefore Council instructs the Council Leader to ask the Government to change the planning rules in England to create a separate Use Class for HMOs, and to write to all Leeds MPs to lend their support.

53 White Paper Motion Submitted Under the Provisions of Council (Procedure Rule 3.1(d)) - Leeds Rhinos and Castleford Tigers Rugby League Teams

Consent of Council was given under the provisions of Council Procedure Rule 14.10(a) for the mover to alter the motion by removing the words “urges the administration to appropriately celebrate” in the first paragraph and replacing them with “welcomes the Council’s plans to celebrate” and to move as follows:

It was moved by Councillor Parker seconded by Councillor J Lewis and

RESOLVED – That this Council congratulates Leeds Rhinos on their fantastic grand final success, and furthermore welcomes the Council’s plans to celebrate their achievement in this Leeds 800th year.

Finally this Council joins with the councillors for Kippax and Methley Ward in congratulating the Castleford Tigers on their promotion back to the Super League

(Council rose at 7.40 pm).

60 Proceeds from the sale of Leeds Bradford International Airport

It was moved by Councillor Gruen seconded by Councillor J Lewis

Council notes that this authority has received just over £51m from the sale of Leeds/Bradford International Airport. This Council believes that all the citizens throughout the whole of the Leeds region should benefit from this one-off windfall. Council therefore resolves to distribute this income as follows:

1. Each of the 33 city wards is allocated £1m to be spent on local priorities by local people and their ward councillors within a framework to be set out by the Chief Executive. The council believes all citizens in Leeds should benefit from this windfall and must have their say in how this once in a lifetime money is spent.
2. A central fund of £15m to be established which will finance the building of council housing all across the city. The criteria for allocation to be set out by the Chief Executive.
3. The remainder of the money will then be used to improve the standard of sports pitches and public green spaces across the city.

This Council therefore instructs that the Chief Executive submit a report setting out the criteria for each of these proposals to the next meeting of Council

An amendment was moved by Councillor Brett seconded by Councillor A Carter

Delete all after "This Council" in line 2 of the motion and replace with :-

"congratulates the present administration on overseeing the successful sale of Leeds Bradford Airport which raised more than 30 times the Airport's current earnings, the highest ratio achieved for an Airport Sale in recent years; and :-

- a) producing a Capital Programme which invests in every geographic area of the City;
- b) their commitment to further invest in all areas of the City;
- c) their commitment to improve our parks, playing pitches and public areas after years of neglect;
- d) their commitment to resume council house building in Leeds, providing rented accommodation and affordable housing in targeted areas across the city, without encroaching on greenbelt land

- e) their proposals to invest :-
- in an Arena
 - in the refurbishment of the City Varieties
 - in a City Centre Swimming facility
 - in a Parks Urban Renaissance programme
 - in Building Schools for the Future
 - in Highways Maintenance over the period 2008 – 2011

and rejects the Labours Group's suggestions that these proposals should be sacrificed or massively reduced to pay for their plans.

The amendment was carried and upon being put as the substantive motion it was

63 Declarations of Interest

Declarations for this meeting are referred to in minute 59 of the earlier meeting.

64 Government Targets for New Housing

It was moved by Councillor A Carter seconded by Councillor Golton

That this Council notes with great concern the revised figures that the Government is proposing for housing numbers across West Yorkshire and particularly Leeds. This Council believes that the figures now being proposed by the Government for the City are unsustainable and unattainable.

The Council resolves:

- (a) to do everything it can to protect greenbelt and greenfield sites around the city
- (b) to point out to the Government that their proposals would lead to unsustainable development
- (c) to inform the Government that the numbers required would lead to a very damaging effect on the Council's own regeneration initiatives in the EASEL, Swarcliffe, West Leeds Gateway and other areas of the city.

In conclusion this Council resolves to strongly oppose the new housing allocation figures and calls upon all Leeds' Members of Parliament to support the Council in this action.

An amendment was moved by Councillor R Lewis seconded by Councillor Blake

Delete all after this council and replace with

"notes the revised targets that the Government is proposing for housing numbers across West Yorkshire and particularly Leeds and agrees with the Yorkshire and Humberside Assembly that these should not come into force until 2011 and should be achieved through the application of the sequential approach to planning applications. This Council believes that there is a housing crisis in Leeds and recognises that there is an urgent need for the provision of more houses.

Therefore the Council resolves:

- a) to do everything it can to protect greenbelt and greenfield sites around the city
- b) to address the issue of void properties across all tenures
- c) to take advantage of its local housing company to deliver new council and affordable housing across the city
- d) to press for the inclusion of 'windfall sites' in the figures for Leeds

The amendment was lost and upon the motion being put to the vote it was

Executive Summary

1. This report notifies council of amendments to the officer delegation scheme (executive functions) approved by the Leader on 21 December 2007, to be of effect from 1 January 2008. These follow the report to the executive board on 9 February 2007, on the council change programme.
2. The amendments were:
 - Parking enforcement and streetscene enforcement withdrawn from the Director of City Services, and delegated to the Director of Environment and Neighbourhoods; and
 - Corporate landlord functions withdrawn from the Director of City Services and delegated to the Director of Resources.
3. The Executive Portfolios have also been amended to reflect the transfer of functions between Directors, only.
4. Appendix 1 to this report is a summary of these amendments. The amended documents are attached as annexes 1-4 to the appendix.
5. In addition, under authority delegated to her under Article 15, the Monitoring Officer can approve consequential amendments to the constitution, following these amendments. These are also outlined in this report for information.

1.0 Purpose Of This Report

1.1 This report notifies Council about amendments to the officer delegation scheme (executive functions), in accordance with Executive Procedure Rule 1.4.

2.0 Background Information

2.1 At their meeting of 9 February, the Executive Board endorsed proposals to reduce the number of strategic service directors to four. Under these proposals, functions delegated to the Director of City Services were to be withdrawn in a phased way, and delegated to other directors.

3.0 Main Issues

3.1 With effect from 1 January 2008, the Leader amended the officer delegation scheme (executive functions) as follows:

- Parking enforcement and streetscene enforcement functions withdrawn from the Director of City Services, and delegated to the Director of Environment and Neighbourhoods; and
- Corporate landlord functions withdrawn from the Director of City Services and delegated to the Director of Resources.

3.2 A table summarising the changes, is attached as appendix 1 to this report.

3.3 Annexes to the table, which are the revised delegations, are also attached for information.

Consequential amendments

3.4 By virtue of Article 15 of the Constitution, the Assistant Chief Executive (Corporate Governance) has delegated authority to approve consequential amendments to the constitution, to implement decisions of the council or the executive. She has therefore approved consequential amendments with effect from 1 January 2008, to:

- Article 12 of the Constitution, (which sets out the functions and areas of responsibility for directors);
- Part 3 Section 2B - Scrutiny Board Terms of Reference (to reflect the re-allocation of functions between the Directors, only).

4.0 Implications For Council Policy And Governance

4.1 Under its Code of Corporate Governance, the Council is committed to ensuring that governance roles and responsibilities are identified and allocated, so that it is clear who is accountable for decisions.

4.2 The constitution must therefore kept up to date to reflect any changes in the executive arrangements, and changes should be communicated to relevant people.

5.0 Legal And Resource Implications

5.1 Under Rule 1.4 of the Executive Procedure Rules, the Assistant Chief Executive (Corporate Governance) must present a report to full Council setting out changes made by the leader to the officer delegation scheme (executive functions). This report fulfils that requirement.

6.0 Conclusions

6.1 Amendments have been made by the Leader to the officer delegation scheme (executive functions), which Members are asked to note.

7.0 Recommendations

7.1 Council are asked to note the changes to the officer delegation scheme (executive functions), and other consequential amendments to the constitution, as set out in this report, and summarized in appendix 1 which were of effect from 1 January 2008.

Officer Delegation Scheme (Executive Functions)

THE DIRECTOR OF RESOURCES

With the exception of those matters where an appropriate Executive Member¹ has directed that the delegated authority should not be exercised and that the matter should be referred to the Executive Board for consideration², the Director of Resources³ is authorised to discharge any function⁴ of the Executive in relation to:

- (a) making arrangements for the proper administration of the authority's financial affairs⁵ including administration of benefits, student support, the collection of revenue, council tax and national non domestic rates, internal audit, creditor payments, pensions and the Council's insurance arrangements;
- (b) industrial relations and employment matters, including employee training and health and safety;
- (c) risk management;
- (d) civil defence and emergency peace time planning;
- (e) the management of matters relating to the application of information, communication and associated technologies to support the discharge of any function of the Executive;
- (f) the provision of services relating to building maintenance, catering, cleaning, transport (including fleet services and passenger transport services), and school crossing patrols; and
- (g) **civic and community buildings⁶, accommodation and facilities management.**

¹ An "appropriate Executive Member" is the Leader or other appropriate portfolio-holding Member of the Executive Board

² The Director may consider in respect of any matter that the delegated authority should not be exercised and that it should be referred to the Executive Board for consideration

³ The fact that a function has been delegated to the Director does not require the Director to give the matter his/her personal attention and the Director may arrange for such delegation to be exercised by an officer of suitable experience and seniority. However the Director remains responsible for any decision taken pursuant to such arrangements.

⁴ "Function" for these purposes is to be construed in a broad and inclusive fashion and includes the doing of anything which is calculated to facilitate or is conducive or incidental to the discharge of any of the specified functions. The delegation also includes the appointment of the Director as "proper officer" for the purpose of any function delegated to him/her under these arrangements

⁵ The Director of Resources has responsibility for these arrangements as Section 151 Officer

⁶ **That is, all council properties, except schools and Housing Revenue Account properties.**

Officer Delegation Scheme (Executive Functions)
THE DIRECTOR OF CITY SERVICES

With the exception of those matters where an appropriate Executive Member¹, has directed that the delegated authority should not be exercised and that the matter should be referred to the Executive Board, for consideration², the Director of City Services³ is authorised to discharge any function⁴ of the Executive in relation to streetscene services (including street and gully cleansing, refuse collection, waste management, public conveniences, graffiti removal and fly-tipping), except as otherwise delegated to the Director of Environment and Neighbourhoods.

¹ An “appropriate Executive Member” is the Leader or other Portfolio-holding Member of the Executive Board

² The Director may consider in respect of any matter that the delegated authority should not be exercised and that it should be referred for consideration to the Executive Board

³ The fact that a function has been delegated to the Director does not require the Director to give the matter his/her personal attention and the Director may arrange for such delegation to be exercised by an officer of suitable experience and seniority. However the Director remains responsible for any decision taken pursuant to such arrangements.

⁴ “Function” for these purposes is to be construed in a broad and inclusive fashion and includes the doing of anything which is calculated to facilitate or is conducive or incidental to the discharge of any of the specified functions. The delegation also includes the appointment of the Director as “proper officer” for the purpose of any function delegated to him/her under these arrangements.

Functions)

THE DIRECTOR OF ENVIRONMENT AND NEIGHBOURHOODS

With the exception of those matters where an appropriate Executive Member¹, has directed that the delegated authority should not be exercised and that the matter should be referred to the Executive Board, for consideration², the Director of Environment and Neighbourhoods³ is authorised to discharge the following functions:

1. Local choice functions which have been assigned to the Executive (see Section 1 Part 3 of the Constitution):
 - (a) the service of an abatement notice in respect of a statutory nuisance;
 - (b) the passing of a resolution that schedule 2 of the Noise and Statutory Nuisance Act 1993 should apply in the authority's area;
 - (c) the inspection of the authority's area to detect any statutory nuisance;
 - (d) the investigation of any complaint as to the existence of a statutory nuisance; and
 - (e) the control of pollution or management of air quality.
2. Any function⁴ of the Executive in relation to
 - (a) the authority's role as housing authority excluding those functions which the authority has agreed, with the approval of the Secretary of State, that another person should exercise as agent of the authority⁵;
 - (b) the condition and occupation of housing; caravan sites and land occupied by travelling people;
 - (c) housing led regeneration, community planning and community initiatives;
 - (d) community safety and the reduction of crime and disorder (including the management of closed circuit TV);

¹ An "appropriate Executive Member" is the Leader or other appropriate portfolio-holding Member of the Executive Board

² The Director may consider in respect of any matter that the delegated authority should not be exercised and that it should be referred to the Executive Board for consideration

³ The fact that a function has been delegated to the Director does not require the Director to give the matter his/her personal attention and the Director may arrange for such delegation to be exercised by an officer of suitable experience and seniority. However the Director remains responsible for any decision taken pursuant to such arrangements.

⁴ "Function" for these purposes is to be construed in a broad and inclusive fashion and includes the doing of anything which is calculated to facilitate or is conducive or incidental to the discharge of any of the specified functions. The delegation also includes the appointment of the Director as "proper officer" for the purpose of any function delegated to him/her under these arrangements.

⁵ These agreements have been made in accordance with Section 27 Housing Act 1985 - see further addendum 1

Officer Delegation Scheme (Executive Functions)

- (e) the management and oversight of area based working arrangements;
- (f) vocational training and allied services for persons over compulsory school age, and the promotion of arrangements to assist persons to obtain employment and employers to obtain employees.

Specific Implications For:

Equality and Diversity

Community Cohesion

Narrowing the Gap

1. INTRODUCTION

Under the Local Government Finance Act 1992 and accompanying regulations, detailed procedures are laid down for calculating the tax base which will be used for calculating the Council Tax. The tax base for the Leeds area is expressed as the number of Band D equivalent properties and will be used both for calculating Leeds City Council's own element of Council Tax and for notifying to the West Yorkshire Police and Fire Authorities for them to calculate their own elements of Council Tax. The West Yorkshire Police and Fire Authorities have to be notified of the tax base by 31 January 2008.

In addition to calculating the tax base for the Leeds area as a whole, a separate tax base has to be calculated for each part of the Council's areas to which a "special item" of expenditure relates. In Leeds, it is considered that only parish precepts should be treated as special items for these purposes and a tax base is therefore also calculated for each parish.

2. CALCULATIONS

Details of the calculations for Leeds as a whole and for each individual parish are given in the Appendix. In summary, the Council Tax Base for Leeds is calculated at 232,980 Band D equivalent properties. This is calculated by estimating changes from the District Valuer's Valuation List that will take place during 2008/2009 by reference to the following:

- a) provision for successful appeals,
- b) provision for exempt properties,

- c) changes in number of properties (demolitions and new additions),
- d) estimated single person and other discounts and
- e) estimated collection rate.

The net Council Budget for 2008/2009, which will be decided by Council in February 2008, will be divided by the calculated Council Tax Base to arrive at the Council Tax for a Band D property, from which the Council Tax for other valuation bands will be calculated.

3. **RECOMMENDATION**

Members are requested :

- (i) To adopt the following resolution:

that in accordance with the Local Authorities (Calculation of Tax Base) Regulations 1992 (as amended), the amount calculated by the Council as its Council Tax Base for the year 2008/2009 shall be 232,980 and for each parish as listed below:

Council

Date: 16th January 2008

Subject: Recommendations of the Executive Board

Electoral Wards Affected:

Ward Members consulted
(referred to in report)

Specific Implications For:

Equality and Diversity

Community Cohesion

Narrowing the Gap

1.0 Purpose of Report

1.1 To present for the consideration of Council two separate recommendations of the Executive Board on the following subjects:

- Further to the resolution of 31st October 2007 to pass a further formal resolution in relation to the Leeds Local Act of Parliament for the control of Street Trading, as worded by the Council's Parliamentary agents and as contained in recommendation 1 of this report.
- To approve budget adjustments as recommended by the Board on 14th November 2007.

2.0 Background Information

2.1 On 22nd August 2007 the Executive Board approved a report on the proposed promotion of a local Act of Parliament to deal with pedlars and street trading in the City. The report contained a recommendation to Council to approve the promotion of the Act. The full report was circulated to all members of Council and Council resolved that the Act be promoted. The report also indicated that a second formal resolution would be required.

2.2 Attached as appendix 1 to this report is a report of the Director of Resources entitled Financial Health Monitoring 2007/08 – Half Year Report. The Executive Board on 14th November 2007 approved the recommendation to Council that the budget adjustments as described in paragraph 3.9 of the report be approved.

3.0 Recommendations

- 3.1 That Council approve each of the two following recommendations:
 - 3.1.1 That the Resolution of this Council passed at a Meeting of the Council held on Wednesday 31st October 2007 to promote a Bill in the present Session of Parliament, pursuant to which the Bill intituled “A Bill to confer powers on Leeds City Council for the better control of street trading in the city of Leeds” has been deposited in Parliament, be and the same is hereby confirmed.
 - 3.1.2 That the budget adjustments as described in paragraph 3.9 of the report of the Director of Resources and as recommended by the Executive Board on 14th November 2007 be approved.

Executive Summary

1. The purpose of this report is to inform members of the financial health of the authority after six months of the financial year in respect of the revenue budget and the housing revenue account, and to receive the mid year update of the Annual Efficiency Statement. A separate report on the Council's Capital Programme is elsewhere on this agenda.
2. The report identifies that a number of council services are continuing to face financial pressures in 2007/08, often reflecting pressures which impacted on the Council's 2006/07 outturn.
3. It is proposed to fund areas of immediate concern from savings in capital financing costs and general fund reserves. These total £5.0m and therefore the proposed virements require approval of full Council. It is crucial that all other budget pressures are addressed by directorates who are required to continue to develop and implement action plans to manage identified pressures within available resources.
4. Members are asked to note the projected financial position of the authority after six months of the financial year, and are asked to note the decision of the Leader, Chief Executive and Director of Resources to approve the Annual efficiency statement – mid year update 2007 for submission to the Department for Communities and Local Government by 15th November 2007.

1. PURPOSE OF REPORT

- 1.1 This report sets out for the Board the Council's financial health position for 2007/08 after six months of the financial year. The report covers revenue expenditure and income to date compared to the approved budget, the projected year end position and proposed actions to ensure a balanced budget by the year end. The report also highlights the position regarding other key financial indicators, including Council Tax collection and the payment of creditors.
- 1.2 In addition, this report sets out the Council's efficiencies which have been achieved during 2007/08 to date and the value of efficiencies which are expected to be achieved by the year end.

2. BACKGROUND INFORMATION

- 2.1 Members will recall that the net budget for the general fund was set at £505.2m, which provided for a contribution of £4.3m from reserves. As a result, the level of general fund reserves at 31st March 2008 were estimated to be £13.0m.
- 2.2. As reported in the 2006/07 outturn report to Board in June 2007, the net contribution to General Fund reserves was £6.3m in excess of the budget giving a balance carried forward of £23.6m. Taking account of the budgeted usage of reserves of £4.3m, the £0.67m approved by the Board at their meeting on the 4th April 2007 to support a number of one off initiatives, together with other potential liabilities identified in the report, it is considered that this is a prudent level to ensure that reserves at 31st March 2008 will be capable of covering the estimated financial risk of the authority as assessed using the risk based reserves strategy.
- 2.3 Budget Monitoring is a continuous process throughout the year, and this report reviews the position of the budget after six months and comments on the key issues impacting on the overall achievement of the budget for the current year.

3. MAIN ISSUES

- 3.1 Within adult social services there is a projected overspend of £3.3m, a significant proportion of which reflects some ongoing demand pressures. The learning disability service is experiencing continued demand pressures in line with national trends, for which a year-end overspend of £1.3m is projected for commissioned services. Within learning disability services the complexity of cases results in volatile expenditure patterns which are difficult to predict accurately. The number of intensive care packages this year has exceeded the amount budgeted. The growth in direct payments, a key performance target, is also presenting a financial pressure amounting to £0.6m. Some budgeted savings are not now projected to be achieved in full, although contingency actions have been identified to offset the financial impact of this as far as possible.
- 3.2 Within Children's Services, the pressures within social care being experienced in the early part of this financial year have continued. Projected spend on children's placements is currently forecast to exceed the budget provision by £1.1m. This mainly reflects increased numbers of children and fee-paid foster carers, together with higher

than anticipated spend on leaving care services and costs for unaccompanied asylum seeking children exceeding the grant claimable. There are also some pressures within the non-placement elements of the social care budget, including staffing and transport as well as some staffing pressures within the Director of Children's Services (DCS) Unit. The overall half-year position for Children's Services is a projected overspend of £2m.

- 3.3 As reported in the first quarter report, the Parks and Countryside service of City Development continues to face a number of significant budget pressures. These amount to £670k expenditure primarily relate to staffing, materials and transport and a projected income shortfall of £500k including £130k within cemeteries and crematoria reflecting trends to date. In addition a pressure of £400k is projected in respect of PFI and sport trust development costs within the Sport and Active Recreation service. These pressures have been partly offset by £300k following the invocation of penalty clauses in the Street Lighting contract due to the failure to achieve the column implementation programme to the agreed timescales.
- 3.4 In Environment and Neighbourhoods a variation of £500k is projected within Roseville doors which reflects lower than anticipated turnover based on the trading position after six months. Within the Housing General Fund residual costs of £349k associated with the implementation of the new Housing Needs staffing structure are partially offset by underspends of £47k within the Strategic Landlord and the Strategic Commissioning Body.
- 3.5 Within former City Services the projected outturn position of £0.7m relates to Streetscene services. The main areas of concern are additional expenditure of £0.3m to be incurred on vehicle repairs, staffing costs of £0.2m, together with a projected reduction in income received of £0.2m from electricity generated from the closed landfill site at Gamblethorpe.
- 3.6 The catering trading agency is projecting an overspend which mainly reflects a 7% decline in primary school meal numbers and an under-recovery of overheads at the cold store due to a shift to fresh food provision and the loss of PFI school business. Although an action plan has been put in place, a break even position is still projected although this represents a variation to the budget of £0.3m. The cold store is now being reviewed to determine its future although in the short term the adult care frozen community meals service is being run from the site which help offset losses. Commercial Services are currently conducting a major option appraisal of the service to determine its medium term viability, in conjunction with Children's services.
- 3.7 Following the outcome of a Judicial Review of the LABGI scheme, £1.5m received in respect of previous years was transferred to the contingency fund, although the forecast for LABGI income relating to 2007/08 which continues to show growth in rateable values, has been scaled down to reflect the likely share of the national pot. However proposed changes to the regulations regarding Minimum Revenue Provision, whilst difficult to quantify accurately at this stage, are anticipated to offset the shortfall on LABGI. The position will be closely monitored.
- 3.8 As agreed by Board at month 3 savings in capital financing costs of £4.2m were transferred to the equal pay/job evaluation reserve. A capitalisation directive has now been received from the DCLG in respect of equal pay costs incurred in 2007/08 and the latest projected costings for job evaluation in year is £6.5m compared to the base

budget of £3.0m, although this is still subject to agreement. It is proposed therefore to release funds from the reserve once the position is finalised.

3.9 As can be seen from the above, there are a number of potentially significant pressures facing the Council in 2007/08. It is proposed that funding is made available from savings in capital financing costs and by releasing general fund reserves in the sum of £ 5.0m to those areas of immediate concern as follows:-

- Adult Social Services – Learning Disability Commissioning £1.3m
- Adult Social Services – Direct Payments £0.6m
- Children’s Services – children’s placements and DCS unit staffing £1.3m
- Recreation services £1.0m
- Roseville doors £0.5m
- Catering trading agency £0.3m

3.10 After funding the above pressures, general fund reserves are projected to be above the minimum level required under the risk based reserves policy.

3.11 In accordance with this policy, it is proposed that any underspends, or overspends above the allocations set out in paragraph 3.9, will be carried forward.

4 SCHOOLS

4.1 School reserves stood at £6.1m as at 31st March 2007. This comprised surpluses in primary and special schools and a deficit of £1.6m in the secondary school sector.

4.2 There are a number of schools which have set deficit budgets for 2007/08. In accordance with the Council’s policy on licensed budgets, such schools are required to submit action plans detailing how they intend to move towards a balanced position. The evaluation of these plans does raise a number of issues as to deliverability and it is proposed, in conjunction with Education Leeds, to review the current licensed deficit policy and its application.

5 REVENUE BUDGET MONITORING POSITION - HOUSING REVENUE ACCOUNT (HRA)

5.1 Six months into the new financial year, income is projected to exceed the latest estimate by £0.9m, reflecting additional property services’ income, a significantly improved voids position, and lower council property sales resulting in higher retained property numbers. This is partly offset by increased property services’ staffing costs, lower income from a reduced opportunity to capitalise Right to Buy administration costs at the level of previous years, and additional management fees payable to the ALMOS by way of incentive payments, especially in relation to voids. An in year underspend of £0.8m is currently forecast, comprising a projected surplus of £0.2m, and £0.6m lower Swarcliffe PFI costs which will be utilised to provide for additional expenditure over the life of the contract.

5.2 Bad debts and disrepair claim costs continue their downward trend, and savings of £0.3m from the latest estimate of £2.2m are projected for the year. This will be reviewed and updated on a quarterly basis, although the level of write-offs and management of arrears over the remaining six months could significantly affect this projected level of £0.3m savings.

- 5.3 Of the £18.486m opening reserves, the following have been released for usage in this year: £1m to the ALMOs for inspections, £350k for Little London PFI structural surveys, £125k for Easel demolition costs, and £200k for Swarcliffe Environmental works.

6 ANNUAL EFFICIENCY STATEMENT

- 6.1 For the period 2005/06 to 2007/08 the Authority has a cumulative efficiency target of £51.2m, being 7.5% of the Authority's baseline expenditure. This baseline calculation was prepared on the basis of the Authority's actual spend for 2004/05, excluding schools, police revenue expenditure and specific one off grants.
- 6.2 In addition to delivering cumulative efficiencies totalling 7.5%, at least 50% of these (3.75% or £25.6m) had to be of a cashable nature, whereby resources are released, as opposed to non-cashable efficiencies which result from delivering enhanced outputs for the same inputs. Against this target of £51.2m, the Authority has submitted efficiencies totalling £53.1m to the end of 2006/07 and has set out planned efficiencies in a Forward Looking statement for 2007/08 totalling £12.9m.
- 6.3 At the mid point of 2007/08 the Authority is still on target to deliver efficiencies for 2007/08 of approximately £12m. Taking into account efficiencies previously reported, the cumulative position is projected to be £65.1m against a cumulative target of £51.2m.

7 COLLECTION OF LOCAL TAXATION

- 7.1 The level of Council Tax collected at the end of September 2007 is 55.94% of the debit for the year of £226m. This is slightly behind the same period last year and the performance target for the year of 96.5% is being closely monitored.
- 7.2 The collection of non-domestic rates for the first six months is 61.2% of the current net debit of £288.5m, which is 1.1% below the same period last year. Again, the performance target of 98.6% is being closely monitored.

8 PROMPT PAYMENT OF INVOICES

- 8.1 A local target of 92% for paying all undisputed invoices within 30 days of receipt of agreed terms was set for the year. For the period 1st April to 30th September the actual performance was 91.4%, the same as at the end of the first quarter of 2007/08.
- 8.2 The total number of invoices processed in the period were 386,080. Of these, 279,467 met the prompt payment criteria. After accounting for 6,793 invoices in query with the supplier, 249,438 invoices were paid within 30 days, leaving 23,236 paid after 30 days.
- 8.3 The creditor payments function has now been centralised in the Business Support centre based in Belgrave House and it is anticipated that along with the continued development of electronic ordering and invoicing of goods, and expanding the use of purchasing cards, performance will improve.

9 RECOMMENDATION

- 9.1 Members of the Executive Board are asked to
- Note the projected financial position of the authority after six months of the new financial year

APPENDIX 1

- Recommend to Council the appropriate budget adjustments as described in paragraph 3.9
- Note the decision of the Leader, Chief executive and Director of Resources to approve the Annual efficiency statement – mid year update 2007 for submission to the Department for Communities and Local Government by 15th November 2007

Council

Date: 16th January 2008

Subject: Recommendation of Scrutiny Board (Health and Adult Social Care)

Electoral Wards Affected:

Ward Members consulted
(referred to in report)

Specific Implications For:

Community Cohesion

Narrowing the Gap

1.0 Purpose of Report

- 1.1 To present to Council a recommendation of the Scrutiny Board (Health and Adult Social Care) in relation to the fluoridation of water supplies and to propose how the matter be progressed.

2.0 Background Information

- 2.1 On 19th November 2007 the Scrutiny Board (Health and Adult Social Care) approved a draft statement arising from a dentistry workshop meeting held on 1st October 2007. Recommendation 1 from the approved statement is as follows:

“Whilst recognising that there are ethical issues involved, we recommend that Leeds City Council re-opens the debate on fluoridation, having regard to the evidence of improved dental health in the children of the fluoridated cities of Birmingham and Newcastle”.

3.0 Main Issues

- 3.1 The wish of the Scrutiny Board was that this issue should be the subject of debate by full Council. Council Procedure Rules do not offer a process or mechanism whereby a debate can simply arise from the recommendation. The most appropriate means of securing the debate would seem to be by way of a White Paper motion and in the event of Council accepting the recommendation it is suggested that Whips should consider appropriate arrangements.
- 3.2 As the recommendation also refers to evidence in relation to fluoridation and dental health it would also be appropriate that all Councillors be apprised of such evidence prior to debate in full Council.

4.0 Recommendations

- 4.1 That the recommendation of the Scrutiny Board (Health and Adult Social Care), requesting Council to re-open the debate on fluoridation, be accepted.
- 4.2 The Whips be requested to agree arrangements to secure debate at a future meeting of Council.
- 4.3 That in the interim the Head of Scrutiny and Member Development provides a summary of evidence to all members of Council.
