Dear Sirs

Vicky's General Store, 5 Garton Road, Leeds, LS9 9NH

I am writing to you in connection with the application by the above named for a premises licence.

I strongly oppose the application for the following reasons:

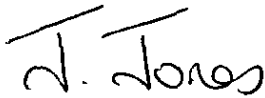

1. The area already has a high crime/ASB rate especially in the Gartons where various families are continuing to cause problems often alcohol related. The Police are aware of the ongoing problems and action is being taken to evict these families.
2. The whole of the Garton's area including East Park Street is littered with broken alcohol bottles along the paths and roads where teenage drinkers have been congregating. Granting Vicky's newsagents a license would only add to these problems. I have even witnessed children as young as 10 drinking in and around these streets.

3. I walk my dog around the local streets and approximately a month ago I had to visit the vets as my dog had walked over some glass and it had lodged in her paw causing both her and me distress.

There are numerous shops within a short walking distance of Garton Road already selling alcohol and In light of the above concerns I would ask you please not to grant Vicky's Newsagents a licence to sell alcohol.

Yours sincerely

Petition

This is a petition to Leeds City Council Licensing Section. The residents of East End Park wish to protest against the application of a license to sell alcohol by:

Vicky's General Store
5 Garton Road,
Leeds
LS9 9NH.

We are concerned about the problems this would bring to an already troubled area. This area is already populated with off licenses

By having another store serving alcohol means that there will be an increase of alcoholic crime and disorder in this area. Groups will congregate around the store causing a nuisance to local and elderly residents.

This area has a history of having a high amount of incidents for drug and alcoholic related crimes, and the police are very aware of this.

Public and personal safety is at risk.

Further there would be increased noise from not only local children but vehicles parking and starting

We feel that this area is already populated with enough Off Licenses to serve our needs. Having any more will only increase the risk of alcohol related crimes.

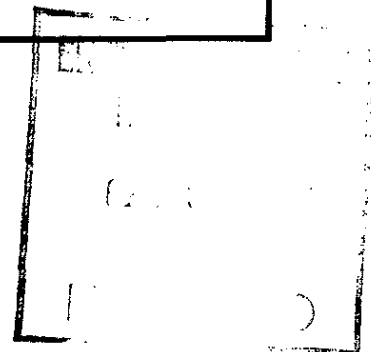

This area has long history of anti-social behaviour and the problems associated with large groups of people, in particular young people, hanging around in groups on the street.

Having another Off License in the vicinity will increase the risk of anti-social behaviour and public nuisance. There will be more people hanging around the area late at night increasing the amount of anti-social behaviour and noise pollution. The amount of cars that park and start in the area will also increase the traffic and noise pollution.

Sales to children require monitoring and the existing licensed businesses have the experience to deal with requests from underage drinkers.

The police are very aware of the problems that trouble this area. We feel that by licensing another business in the area will increase these and that public and personal safety would be put at risk.

We have no need for this and I object to the application very strongly.

We have many problems here with anti social behaviour and public nuisance. I feel by increasing access to alcohol in the area will worsen these problems.

There will be more people hanging around causing trouble and noise. Traffic will also increase and cause noise. This is a residential area and increasing these problems will distress me and many other residents.

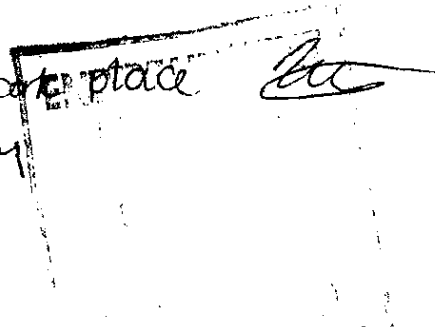

The Off Licenses that we already have are sufficient for our needs. They also know the area and are able to manage their sales of alcohol responsibly.

I hope you listen to the people of this area and take the issues that we have here into consideration when making your decision.

I am a resident of the East End Park area and I wish to object to the licensing of Vicky's Stores, of 5 Garton Road, Leeds, LS9 9NH, to sell alcohol.

It does not make sense to license another shop when we already have so many Off Licenses in the area. Our need for licensed premises is more than sufficiently provided for by the current businesses.

This area is already troubled by antisocial behaviour and crimes related to alcohol and drugs. Having more alcohol available will increase these problems and as a result the residents of the area will suffer a lot.

I live around the corner from this newsagent and do ^{not} wish to experience the problems that come hand in hand with the sale of alcohol in an area such as this one. There are many issues here associated with anti social behaviour, crime, and drugs.

It would also increase the amount of noise and traffic outside my home and this would disturb me a great deal, especially if it was late in the evening.

I am writing to you in regards to Vicky's General Store, 5 Garton Road, Leeds, LS9 9NH.

It has come to my attention that this Newsagent had made an application for a license to sell alcohol.

I wish to object to this application on many grounds.

Firstly, there are already enough Off Licenses in the area to serve our needs.

Secondly, we have many problems in this area such as antisocial behaviour, drugs and crime. Increasing the availability of alcohol will exacerbate this problem. It will also make it difficult for residents and the police to manage the problems we already have.

Thirdly, it will attract more people and cars to the area late in the evenings. This would cause a lot of noise and commotion which would distress me and also my young children who would be asleep in the evenings. More people hanging around would also increase the risk of antisocial behaviour. We do not want these problems in this area and having more alcohol available will make them worse.

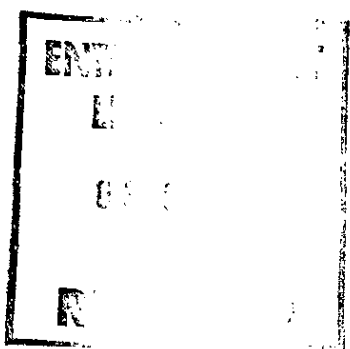

In addition to this, the person making the application may not have the experience needed to sell alcohol responsibly in an area such as ours where we have a problem of underage drinking and intoxicated people causing noise and trouble on the streets. Under age or intoxicated people could intimidate licensees into selling alcohol to them. The current businesses do have the ability to deal with these issues responsibly and I have witnessed them doing so.

I have young children and I am especially concerned about their safety in an already trouble area. They also sleep early in the evenings and I feel any excess noise caused by extra noise, traffic, and anti social behaviour in the evenings would disturb their sleep. This could also have an impact on how they perform at school.

There is no need for an additional Off License in this area. An extra will add to the above problems and make the lives of the residents of area very difficult.

The area already has sufficient facilities.

The opening of a further unit will increase the possibility of further alcohol Related crime and disorder. Possibility of groups accumulating and causing a nuisance to local and elderly residents.

The area already suffers from considerable drug and alcohol related offences.

Public and personal safety is at risk.

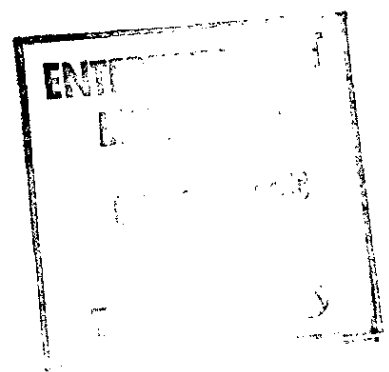

Further there would be increased noise from not only local children but vehicles parking and starting cars particularly at late evenings.

Sales to children require monitoring existing users have the experience to deal with requests from under age drinkers.

The residents of this area have been plagued by anti social behaviour for a long time. Licensing more businesses in the area will increase these occurrences.

We have many issues here relating to crime, drugs, and anti social behaviour. Please do not accept this businesses application as it will only add to our problems.

The police are also trying to manage the problems here and we feel it would make their job a lot harder if there was more alcohol around.

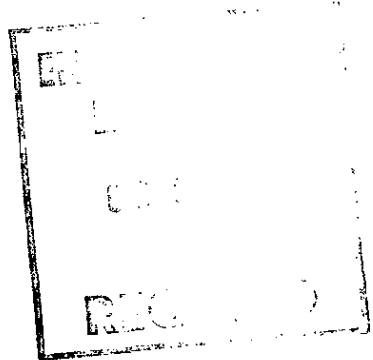

Licensing this business would also increase the flow of traffic and noise through this area. We would find this very distressing as residents, especially if it were late in evening.

We ask that you do not license this business.

The business in question is:

We have no need for this and I object to the application very strongly.

We have many problems here with anti social behaviour and public nuisance. I feel by increasing access to alcohol in the area will worsen these problems.

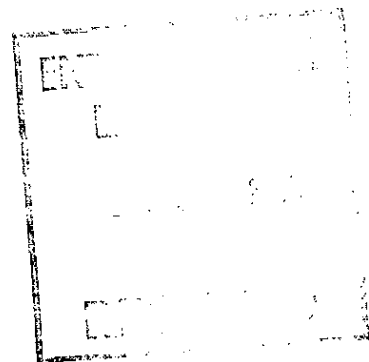

There will be more people hanging around causing trouble and noise. Traffic will also increase and cause noise. This is a residential area and increasing these problems will distress me and many other residents.

The Off Licenses that we already have are sufficient for our needs. They also know the area and are able to manage their sales of alcohol responsibly.

I hope you listen to the people of this area and take the issues that we have here into consideration when making your decision.

Hi the licensing department

Re VICKY'S GENERAL STORE 5 GARTON ROAD LEEDS 9 LS9 9NH, 0800-21.00

I am writing to confirm my objection against the new application for the grant of the above premises to be licensed. We live facing the park and we have problems with anti social behaviour with youths drinking excessive amounts of alcohol and with rowdy behaviour and vandalism, with my vehicle being damaged a number of times, these incidents were reported to the police, my wheelie bin being burned out regularly and my son been threatened so this proposal of licensing a shop near to the Park would not be advisable. So I strongly object to this application for Vickys General Store being licensed.

I am a resident of the East End Park area and I wish to object to the licensing of Vicky's Stores, of 5 Garton Road, Leeds, LS9 9NH, to sell alcohol.

It does not make sense to license another shop when we already have so many Off Licenses in the area. Our need for licensed premises is more than sufficiently provided for by the current businesses.

This area is already troubled by antisocial behaviour and crimes related to alcohol and drugs. Having more alcohol available will increase these problems and as a result the residents of the area will suffer a lot.

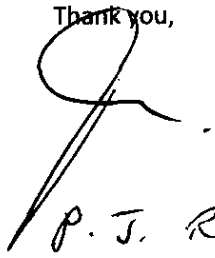

I live around the corner from this newsagent and do wish to experience the problems that come hand in hand with the sale of alcohol in an area such as this one. There are many issues here associated with anti social behaviour, crime, and drugs.

It would also increase the amount of noise and traffic outside my home and this would disturb me a great deal, especially if it was late in the evening.

As you can see from my letter the addition of another Off License would be very detrimental to all the hard work done here by the community and the police in combating these issues.

We hope you consider the background of this area and wishes of the residents when considering the application for license.

We feel that this area is already populated with enough Off Licenses to serve our needs. Having any more will only increase the risk of alcohol related crimes.

This area has long history of anti-social behaviour and the problems associated with large groups of people, in particular young people, hanging around in groups on the street.

Having another Off License in the vicinity will increase the risk of anti-social behaviour and public nuisance. There will be more people hanging around the area late at night increasing the amount of anti-social behaviour and noise pollution. The amount of cars that park and start in the area will also increase the traffic and noise pollution.

Sales to children require monitoring and the existing licensed businesses have the experience to deal with requests from underage drinkers.

The police are very aware of the problems that trouble this area. We feel that by licensing another business in the area will increase these and that public and personal safety would be put at risk.

I wish to object to this application on many grounds.

Firstly, there are already enough Off Licenses in the area to serve our needs.

Secondly, we have many problems in this area such as antisocial behaviour, drugs and crime. Increasing the availability of alcohol will exacerbate this problem. It will also make it difficult for residents and the police to manage the problems we already have.

Thirdly, it will attract more people and cars to the area late in the evenings. This would cause a lot of noise and commotion which would distress me and also my young children who would be asleep in the evenings. More people hanging around would also increase the risk of antisocial behaviour. We do not want these problems in this area and having more alcohol available will make them worse.

In addition to this, the person making the application may not have the experience needed to sell alcohol responsibly in an area such as ours where we have a problem of underage drinking and intoxicated people causing noise and trouble on the streets. Under age or intoxicated people could intimidate licensees into selling alcohol to them. The current businesses do have the ability to deal with these issues responsibly and I have witnessed them doing so.

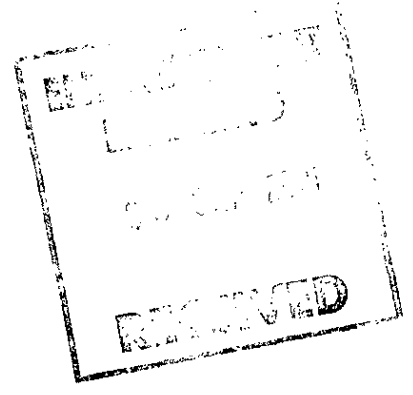

I have young children and I am especially concerned about their safety in an already trouble area. They also sleep early in the evenings and I feel any excess noise caused by extra noise, traffic, and anti social behaviour in the evenings would disturb their sleep. This could also have an impact on how they perform at school.

There is no need for an additional Off License in this area. An extra will add to the above problems and make the lives of the residents of area very difficult.

RECEIVED

Date 30 August 2010

Dear Sir,

Regarding the application for a licence to sell Alcohol at Vicky's general store at 5 Garton road, I would like to lodge an objection to the licence being granted on the following grounds.

1. There is already an off licence within three to four hundred yards of the above mentioned store.
2. Over the years there have been incidents of anti social behaviour outside the store i.e. gangs of youths congregating and being abusive to the store keeper and the general public. I would not like to see this repeated at the end of Garton view, where we are trying to put an end to this sort of behaviour Which has blighted our area for so long.
3. After living at my current address for over 26 years I have noticed that over the years there has been an increase of the amount of general litter produced by thoughtless customers leaving vickys general store ie discarded sweet wrappings, empty pop cans / cartons. These end up throw away in the street or in our gardens. I for one do not wish to add beer cans/Bottles (possibly broken) to the existing rubbish which is at times left on the floor for quite a considerable time before the council clears it away, we do not seem to have the regular litter picking from the council that other areas of Leeds enjoy.
4. The area around the Gartons Has been the subject of many meetings I have attended which where attended by both Mr Brett and Mr Pryke regarding dysfunctional families and all the problems that they cause within this area and firmly believe that if granted the sale of alcohol at the

end of Garton view will possibly only add to the existing problems in the area.

Yours faithfully,

We are concerned about the problems this would bring to an already troubled area. This area is already populated with off licenses

By having another store serving alcohol means that there will be an increase of alcoholic crime and disorder in this area. Groups will congregate around the store causing a nuisance to local and elderly residents.

This area has a history of having a high amount of incidents for drug and alcoholic related crimes, and the police are very aware of this.

Public and personal safety is at risk.

Further there would be increased noise from not only local children but vehicles parking and starting cars particularly at late evenings.

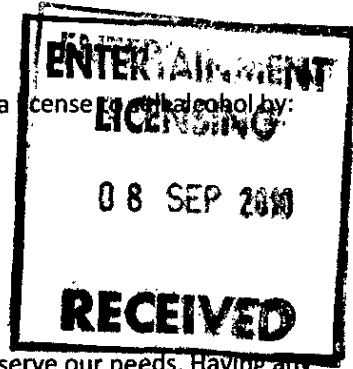

Sales to children require monitoring, existing users have the experience to deal with requests from underage drinkers.

Petition

The residents of East End Park are protesting against the application of a license to sell alcohol by:

Vicky's General Store
 5 Garton Road,
 Leeds
 LS9 9NH

We feel that this area is already populated with enough Off Licenses to serve our needs. Having any more will only increase the risk of alcohol related crimes.

This area has long history of anti-social behaviour and the problems associated with large groups of people, in particular young people, hanging around in groups on the street.

Having another Off License in the vicinity will increase the risk of anti-social behaviour and public nuisance. There will be more people hanging around the area late at night increasing the amount of anti-social behaviour and noise pollution. The amount of cars that park and start in the area will also increase the traffic and noise pollution.

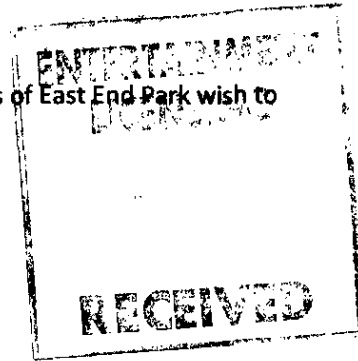

Sales to children require monitoring and the existing licensed businesses have the experience to deal with requests from underage drinkers.

The police are very aware of the problems that trouble this area. We feel that by licensing another business in the area will increase these and that public and personal safety would be put at risk.

2.0 History of Premises

- 2.1 An application for the conversion and variation of the former licence into a Premises Licence was submitted in July 2005 under the Licensing Act 2003. No objections were received and the application was granted as applied for.

In March 2010 a minor variation was submitted to remove the restriction relating to the opening hours of the premises. The application attracted an objection from Environmental Health and Ward Councillors and consequently the application was refused outright on the basis that the public nuisance objective was undermined.

A full application to vary the premises licence was submitted in April 2010, the application served was to remove the restriction of opening hours and remove redundant conditions. The application attracted concerns from Environmental Health however, the licensing committee were not of the opinion that the application undermined the licensing objectives and subsequently the application was granted as applied for incorporating the conditions proposed by the applicant and authorities.

- 2.2 The premises currently have the benefit of a Premises Licence issued under the Licensing Act 2003 for the following activities:

Sale by retail of alcohol	
Every Day	07:00 – 23:00

A copy of the existing licence (including all conditions) is attached at Appendix A.

3.0 The Application

- 3.1 The applicant is Sainsbury's Supermarkets Limited,
- 3.2 The location of the premises can be found on the map attached as Appendix B.

- Environmental Health

Members are invited to consider Appendix D of this report.

4.2 Representations have been received from interested parties. Members are invited to consider Appendix E of this report.

5.0 **Matters Relevant to the Application**

5.1 Members of the Licensing Sub Committee must make decisions with a view to promoting the licensing objectives which are:

- The prevention of crime and disorder
- Public safety
- The prevention of public nuisance
- The protection of children from harm

5.2 In the making of their decision Members are obliged to have regard to the national guidance and the council's licensing policy. Members will be aware they must also have regard to the relevant representations made and evidence they hear.

5.3 Members should note that these premises fall within a Cumulative Impact Area. The Cumulative Impact Policy for this area reads as follows:

It is the council's policy, on receipt of relevant representations, to refuse applications in Area 2 for premises which are predominantly 'alcohol-led'. It is also the council's policy to refuse applications to materially extend the opening hours of any licensed premise within the area.

In addition it is also the council's policy on receipt of relevant representations to refuse applications for new premises seeking a licence to provide hot food between 11.00 pm and 5.00 am where the food is purchased to take away from the premises as opposed to premises where the food is to be consumed on the premises and whilst patrons are seated at tables provided for that purpose.

6.0 Options available to members

6.1 The licensing sub-committee must take such of the following steps as it considers necessary for the promotion of the licensing objectives:

- Grant the variation application as requested.
- Grant the variation application whilst modifying the conditions of the licence.
- Reject the whole or part of the variation application.

6.2 Members of the Licensing sub committee are asked to note that they may not modify the conditions or reject the whole or part of the application merely because it considers it desirable to do so. It must actually be necessary in order to promote the licensing objectives.

Dear Sir/Madam

LICENSING ACT 2003

APPLICATION FOR VARIATION OF PREMISES LICENCE: Sainsbury Supermarkets Limited, 70 – 74 Brudnell Road, Headingley, Leeds, LS6 1EG

This letter constitutes a full objection

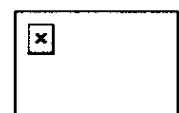

I refer to your application dated 12th August 2010 (received by this office on the 13th August 2010) in respect of the above premises.

The application premises are located on Brudnell Road. The premises are located on the end of a row of mixed use commercial and residential. The application premises have a flat above which I understand is not linked to the business. An increase in the extension of the hours for sale of alcohol to 24 hours a day, 7 days a week to include late night refreshment between the hours of 23:00 hours and 05:00 hours 7 days a week, could affect the occupants.

The next door hot food takeaway (68 Brudnell Road) also has an unlinked residential flat above. It is likely that this premises would also be affected. Further residential properties are situated directly in front and next to the applicant's premises.

Given that there are residential flats situated directly above and adjacent to the application premises, this Department fully objects to the proposed extension of hours for the sale of alcohol and late night refreshments as this could generate noise nuisance complaints from the residents from the following sources of noise:

- from customers coming and going from the premises;
- customers congregating outside;
- the arrival and departure of vehicles, the slamming of car doors, car stereos, revving of engines etc.

The problem could be exacerbated especially during the summer season as the residents would have their windows open for ventilation purposes.

In view of these concerns, it is recommended that this application be refused as the applicant would not be able to exercise any controls as set out in the operating schedule from the above-mentioned sources of noise and thereby would fail to meet the licensing objective in preventing public nuisance.

Should you have any questions about this letter, please do not hesitate to contact the above telephone number

Yours faithfully

Ms Claire Simms

Subject: Sainsbury's Supermarkets Limited, 70-74 Brudenell Road, Headingley, Leeds, LS6 1EG

Dear Licensing Officers and Panel,

I am writing to strongly object to the proposals submitted by Sainsbury's Supermarkets Limited to serve alcohol for 24 hours a day at 70-74 Brudenell Road, Headingley, Leeds, LS6 1EG. This follows fast on the heels from their recent permission to operate for 24 hours a day (excluding licensable activities) that all 3 ward councillors objected to (unfortunately due to a clerical error by the licensing team our objections arrived after the application had been granted).

Regarding the current application, I am objecting in my capacity as a ward member for several reasons. Firstly, this is a predominantly residential area with housing opposite, behind, adjacent and most importantly directly above the premises. 24 hour operation will have a significant impact on these residents already, and alcohol operation no matter how well managed in store will absolutely have an effect on those living in the direct vicinity from noise, disorder and other nuisance.

From experience of the Co-op, which has a 24 hour alcohol license in the area we know that there is a high volume of private hire vehicles dropping off people at all hours causing noise and traffic nuisance to residents. Plus there are large numbers of people that visit the store in the early hours who are already in a state of drink and are noisy, disruptive and in some cases disorderly to the point of committing crime. We would expect this to be the same if Sainsbury's were to receive a 24 hour alcohol license. This would be bad enough on an self contained out of the way site, but in a built-up residential area and when there are people living directly next to and above the premises it makes it completely unacceptable.

Those who do live above and in the direct vicinity will not be unlikely or unable to object because it is quite likely they are students and will not be back in Leeds until after this application has been heard. And although the majority of those that live nearby will be students that does not mean all nearby residents are students and it does not mean that they should be treated any differently to any other resident and be afforded a quiet night when they want one.

We already know the correlation between groups of drunk young people being in an area late at night and the effect this has on the crime figures. It is why we have the Cumulative Impact Policy in central Headingley, and why given the success of this initiative we are planning to extend it to this very area of Hyde Park in Headingley ward. 24 hour alcohol license would give people a reason to be out and about in this area late at night or early in the morning where in the past there has been no reason to be there.

I believe that granting Sainsbury's a 24 hour alcohol license will go against the licensing objectives and add to disorder in the area; at best through increased noise nuisance and anti social drunken behaviour to at worst disorder and criminal offences.

For this reason I urge the licensing panel to refuse the application even if the applicant can provide assurances that they are capable of managing the store internally, as they will not be able to control those people outside the store.

I would also urge the panel to consider the emerging licensing policy in regard

Please can I object to the 24-hour alcohol license at Sainsburys on Brudenell Road.

The reasons for this are the same as Councillor Monaghan who has previously contacted you:
