A Minor Variation application was submitted on the 27th April 2011 which was for structural alterations to the inside of the premises only and therefore it was decided not to consult any of the relevant authorities. This minor variation application did not receive any public representations and as was therefore granted on the 15th May 2011.

On the 3rd August 2011 a variation application was received but due to errors made by the applicant it was sent back. This was resubmitted on the 12th August but pages were missing, these pages were received on the 16th August to complete this application.

3.6 Matters Relevant to the Application

3.6.1 Members of the Licensing Sub Committee must make decisions with a view to promoting the licensing objectives which are:

- The prevention of crime and disorder
- Public safety
- The prevention of public nuisance
- The protection of children from harm

3.6.2 In the making of their decision Members are obliged to have regard to the national guidance and the council's licensing policy. Members will be aware they must also have regard to the relevant representations made and evidence they hear.

4 Corporate Considerations

4.1 Consultation and engagement

4.1.1 The application was subject to a 28 days consultation period in accordance with the Licensing Act 2003. Blue site notices were placed by the applicant on the premises and these were checked by Liaison and Enforcement Officers during the consultation period. The application was advertised in a newspaper circulating in the local area. Representations received during this 28 day consultation.

4.2 Equality and Diversity / Cohesion and Integration

4.2.1 The council has adopted a Statement of Licensing Policy which sets out the principles the council will use to exercise its functions under the Licensing Act 2003 and in which care has been taken in matters of equality, diversity and human rights. This policy is reviewed every three years. The council has completed equality, diversity, cohesion and integration screening and impact assessments with regards to the consultation process undertaken during the review of the policy.

4.3 Council Policies and City Priorities

4.3.1 When determining an application the licensing sub committee must have regard for the Licensing Act 2003 Statement of Licensing Policy which sets out the principles the council will use to exercise its functions under the Licensing Act 2003. Applicants are expected to read the policy before making their application and the council will refer to the policy when making its decisions.

4.3.2 The licensing regime contributes to the following aims:

By 2030, Leeds will be fair, open and welcoming

- Local people have the power to make decisions that affect them
- There is a culture of responsibility, respect for each other and the environment
- Our services meet the diverse needs of our changing population
- Everyone is proud to live and work

By 2030, Leeds' economy will be prosperous and sustainable

- Opportunities to work with secure, flexible employment and good wages

By 2030, all Leeds' communities will be successful

- Communities are safe and people feel safe

4.3.3 The licensing regime contributes to the following city priorities:

Best city... for communities:

- Reduce crime levels and their impact across Leeds
- Effectively tackle and reduce anti-social behaviour in communities

4.4 Resources and Value for Money

4.4.1 The licensing process, including the licensing sub committee, generates a cost to the council. The majority of these costs are covered by the application fee. The fees are set by Statute, and there is little option to increase the fee to cover all the cost. However, the Police Reform and Social Responsibility Bill, due to receive Royal assent in November 2011, may allow local authorities to set their own fees in the future based on full cost recovery.

4.5 Legal Implications, Access to Information and Call In

4.5.1 Applicants and people making representations are able to challenge the licensing sub-committee's decision by appealing to the Magistrates Court. Legal advice is provided during the sub committee hearing and during deliberations to mitigate the risk to the council.

4.6 Risk Management

4.6.1 Full training and legal advice is provided to members sitting on Licensing Sub Committee in order to mitigate the risk of legal challenge.

5 Conclusions

- 5.1 An application has been received under the Licensing Act 2003 which is brought before a licensing sub committee for determination.
- 5.2 The licensing sub-committee must take such of the following steps as it considers necessary for the promotion of the licensing objectives:
- Grant the variation application as requested.
 - Grant the variation application whilst imposing additional conditions and/or altering in any way the proposed operating schedule.
 - Exclude any licensable activities to which the application relates.
 - Reject the whole or part of the application.
- 5.3 Members of the licensing sub committee are asked to note that they may not modify the conditions or reject the whole or part of the application merely because it considers it desirable to do so. It must actually be necessary in order to promote the licensing objectives.

6 Recommendations

The committee is asked to:

- Consider the application and any relevant representations
- Take any of the steps detailed at 5.2, if any, they consider necessary for the promotion of the licensing objectives.

Dear Mr Gotts

RE: THE WHITE SWAN, 15 CROSSHILLS, KIPPAX, LEEDS LS25 7JP
APPLICATION TO VARY EXISTING PREMISES LICENCE – LICENSING ACT 2003
POLICE – LETTER OF REPRESENTATION – FULL OBJECTION

Thankyou for your application which is dated 21 July 2011 which was received at Millgarth Police Station on 12 August 2011. This application was subsequently amended with the most up to date plans and correspondence being received on 19 August 2011.

This application seeks to vary the existing premises licence to allow the following activities in both the inside and outside space.

Films
 Indoor Sporting Events
 Live Music
 Recorded Music
 Anything of a Similar Description

Every day 1000hrs x 0000hrs

Sale of Alcohol

Sunday to Thursday 1000hrs x 0000hrs
Friday and Saturday 1000hrs x 01000hrs

These hours are already in place for the internal aspects of the premises and are covered by the current premises licence. This application seeks to extend the sale of alcohol and provision of regulated entertainment into the external area, with the installation of a 'bottle bar' in a garage to the rear of the premises.

NOT PROTECTIVELY MARKED

NOT PROTECTIVELY MARKED

It is the opinion of West Yorkshire Police, that your application contains insufficient information on how you will achieve the licensing objectives. In particular, we cannot be satisfied at this stage that, if granted the premises would not adversely affect crime and disorder and/or public nuisance in the locality.

The Kippax area has been designated a designated public place (DPPO) for approximately two years. The area suffers periodically from problems associated with anti-social behaviour and priority crime with Kippax being a hot spot in the wards of Garforth, Swillington, Kippax and Methley (Garforth NPT area).

Whilst recorded data shows both increases and decreases month on month around ASB, particularly rowdy and inconsiderate behaviour, the area still remains very busy when you consider the main shopping area and the area where many of the pubs and off licence premises are situated, is on two main streets. The White Swan is on the cross roads of these two main streets.

Kippax suffers from problems with youths congregating at various hot spots and also visiting licensed premises to try and obtain alcohol underage. This is something that the Neighbourhood Policing Team for the Garforth, Kippax, Swillington and Methley NPT has been addressing and continue to address. Whilst very little is recorded which is location specific, because of a period of closure, the problems in the area continue

The application, at Part P, refers to there being security staff being employed at 'busy times'. There is no indication of when these times will be or what firm arrangements are in place to employ door staff should the application be granted. In this section it also refers to the security staff being employed 'to make sure customers can purchase drinks and keep the area tidy'. I would suggest that the door staff are not employed for this reason and that they are present to assist in upholding the licensing objectives, there is no mention of this.

Whilst in Part P of the application you have stated that under 18s will only be allowed on the premises until 2030hrs, you have not referred to any other measure you intend to put in place to try and uphold the licensing objectives. I note the premises do not have a condition around CCTV which would be a consideration when such a significant change is applied for. You do however have condition around a refusals policy and a pub watch condition.

FOR THE REASONS SET OUT ABOVE WEST YORKSHIRE POLICE ARE OF THE OPINION THAT THIS APPLICATION SHOULD BE REFUSED IN FULL.

Dear Sirs

Licensing Act 2003

Name of Premises: White Swan

Address: 15 Cross Hills, Kippax, Leeds, LS25 7JP

Thank you for submitting your application for the above premises.

Leeds City Council's environmental action service is of the opinion that your application contains insufficient information about how you intend to meet the licensing objective of the prevention of public nuisance. We therefore confirm that we are submitting a formal objection to your application.

However you could meet this objective by incorporating certain identified measures within your operating schedule. Therefore, please find enclosed a document which at part 1 contains the suggested measures which we consider are proportionate and appropriate to the nature of your application.

If you are in agreement with the suggested measures then please complete and sign part 2 of the enclosed form and return the complete document to me as soon as possible. Once we receive this it will be taken that you wish the licensing authority to amend your operating schedule to incorporate the proposed measures. If you have any questions please do not hesitate to contact me.

If you disagree with the suggested measures, then please complete part 3 and return the complete document to me as soon as possible.

If the opening hours as proposed under this application are different to those on the current planning approval, then you should also make an application for variation of hours to planning services. If you operate without planning permission, this may result in a breach of the relevant planning condition. If you wish to discuss this matter further please contact the development enquiry centre 0113 222 4409.

Yours faithfully

PART 1

To be completed by the responsible authority

Leeds City Council's Environmental Action Service Proposed Controlled Measures under the Licensing Act 2003

Name of Premises: White Swan

Address: Cross Hills, Kippax, Leeds, LS25 7JP

The application premise is located in Kippax town centre and is in close proximity to residential properties. This application is to use a garage as a bottle bar with recorded music. The main access to the garage appears to be through a roller shutter door. There is currently a planning application being considered for the conversion of a first floor flat above the premises into two flats which are to be let out to private tenants.

Planning permission will also need to be sought for the change of use of the garage to A4.

Having considered the application under the Licensing Act 2003 for the above premises, the Leeds City Council's environmental action service considers that the following measures are proportionate and necessary in order to promote the following licensing objective:

- Prevention of public nuisance

Noise and Vibration

1. Licensable activities shall be restricted in the garage bottle bar to sale by retail of alcohol only.
2. Noise from plant or machinery shall not be audible at the nearest noise sensitive premises being properties located on high street, Kippax during the operation of the plant or machinery. Plant and machinery shall be regularly serviced and maintained to meet this level.
3. The PLH/DPS will ensure patrons use beer gardens, external areas and play areas in a manner which does not cause disturbance to nearby residents and business in the vicinity. Patrons will not use such areas after 11 pm except for smoking.

31 AUG 2011

30 AUG 2011 We wish to object to the application submitted by the White Swan in Kippax to vary the layout of the premises, in particular to install a bottle bar in the existing outside garage area for the sale and consumption of alcohol.

Over the years we have had problems in Kippax with youth who end up drinking too much

alcohol and ^{we} do not ^② want a recurrence of this problem by providing a bottle bar where people can buy alcohol on the streets into the early hours of the morning, causing disturbances to residents as these youths make their drunken way home.

What will they do with their empty bottles and cans? What they do now - throw them in residents gardens - drop them on pavements - break bottles leaving broken glass for children to fall on + dogs to walk through. This would be on a larger scale if licence is granted.

There are enough ⁽³⁾ outlets in Kippax where people can purchase alcohol eg. Co-op, pubs & Bargain Booze all on The High Street.

Youth buy cans and bottles from these outlets and take them on Kippax Meadows and discard all their cans, cardboard and broken bottles which I from time to time have to clear into black bin liners as it becomes an eyesore and a danger to dogs and children. One more outlet of this nature would mean an increase in the discarded items.

If this outlet is ⁽⁴⁾ allowed then I
hope Leeds Council will provide
a more thorough cleaning service
as I for one am tired of cleaning
up or walking through this mess.
Yours faithfully

Dear Emma,

I am writing in support of the application for the **White Swan**, 15 Crosshills, Kippax, Leeds, LS25 7JP to vary the layout and install a bottle bar.

This will make far better use of available space and give a new dimension to the pub which will in turn benefit the offer of the whole of Kippax High Street.

Jason, Darren and the rest of the management team have brought nothing but good to the High Street and I am confident they will ensure noise levels do not have a detrimental effect on other traders and users of the High Street.

Dear Councillors

I refer to your letter of 22 August 2011 regarding the above application.

My thoughts regarding White Swan are nothing but positive. I have been thoroughly impressed with the new owners, and feel that a bottle bar would be a good use of the outside garage area. The thought and care that the new owners are putting into the White Swan can only be good for the area in general. I for one will be using the facility, should the application be approved.

Kind Regards.
