Agenda Item 6

SCRUTINY BOARD (RESOURCES AND COUNCIL SERVICES)

MONDAY, 20TH JANUARY, 2014

PRESENT: Councillor P Grahame in the Chair

Councillors S Bentley, J L Carter,
N Dawson, J Hardy, A Khan, A Lowe,
C Macniven and R Wood

61 Late Items

There were no late items.

62 Declaration of Disclosable Pecuniary Interests

There were no disclosable pecuniary interests declared to the meeting.

63 Apologies for Absence and Notification of Substitutes

There were no apologies for absence.

64 Minutes - 16 December 2013

RESOLVED – That the minutes of the meeting held on 16 December 2013 be confirmed as a correct record.

65 Executive Board Minutes - 18 December 2013

RESOLVED – That the minutes of the Executive Board held on 18 December 2013 be noted.

66 People Plan indicators - Waste, Environmental Action, and Parks and Countryside Services

The Director of Environments and Housing submitted a report summarising performance against the five People Plan indicators for the following service areas; Waste, Environmental Action and Parks and Countryside.

The following were in attendance and responded to Board Members questions and comments:

- Councillor Mark Dobson, Executive Member, Environment
- Neil Evans, Director of Environment and Housing
- Joss Ivory, Head of Human Resources.

In brief summary, the main areas of discussion were:

- Staffing numbers and the reasons for increases and decreases within the three service areas.

Draft minutes to be approved at the meeting
to be held on Monday, 24th February, 2014

- Agency staff, the reasons for use, the actual reduced spend and initiatives such as 'seasonal working' in Parks and Countryside to reduce need.
- Overtime and the initiatives to reduce spend including flexible working.
- Appraisals and current completion rates.
- Sickness absence, its impact on agency and overtime spend and initiatives to reduce current levels which were above the current corporate target.
- Other initiatives to improve service delivery and reduce spend, including, in-cab technology, a more flexible workforce, the removal of outdated working practices and improved training.

Members acknowledged the successes achieved by the Directorate and reiterated the need to drive down absenteeism to produce real savings and the need to create a flexible workforce with a 'one council' attitude.

RESOLVED –

- To note the contents of the report
- To monitor progress of the five People Plan indicators via the established Scrutiny working group.

67 Initial Budget Proposals for 2014/15

In line with the Council's Budget and Policy Framework, the Deputy Chief Executive submitted a report setting out the Initial Budget Proposals for 2014/15 within the context of the Medium Term Financial Strategy for the period 2014/15 to 2015/16.

The following were in attendance and responded to Board Members questions and comments.

- Councillor Keith Wakefield – Leader of Council
- Alan Gay – Deputy Chief Executive
- Lorraine Hallam – Chief Officer HR.

The main areas of discussion were:

- Income generation. The Board welcomed the creation of 'Enterprise Leeds' and fully supports the Council progressing opportunities to develop services with a range of markets.
- Staffing. The Board took the view that the level of external recruitment was too high and that continued efforts should be made to reskill existing staff wherever possible. The Board strongly supports the concept of a flexible workforce and would wish to see staff with skills that can be moved between Directorates. The Board continues to consider expenditure on agency staff to be too high.
- Assets. The Board concurred with the Leader that the issue of asset management remains a challenge. Scrutiny Board (Sustainable

Economy and Culture) would be asked to look at this issue in greater detail.

- Welfare Reform. The Board acknowledges the pressures faced by families due to welfare reforms. It welcomed the assumptions made in the budget over collection rates.
- Grants. Scrutiny Board will continue its work on grants particularly around value for money and the need to move away from grant giving towards commissioning.

The Board also considered the budget comments received from Scrutiny Boards (Housing and Regeneration), Sustainable Economy and Culture) and (Safer and Stronger Communities). It was noted that Scrutiny Board (Resources and Council Services) had been asked to consider the following areas of work in 2014/15:

- The living wage (referral from Sustainable Economy and Culture)
- The management of vacant posts (referral from Housing and Regeneration)
- Savings in procurement (referral from Safer and Stronger Communities)

RESOLVED –

- (i) To thank the Leader and officers for their attendance
- (ii) To submit the comments of the Board to the Executive in line with Council's Budget and Policy Framework procedure rules
- (iii) To programme into the Board's work schedule the areas of work referred by other Scrutiny Boards.

68 Work Schedule

The report of the Head of Scrutiny and Member Development presented the draft work schedule for the forthcoming municipal year.

RESOLVED – That the Board's work schedule be updated to reflect the work areas identified during today's meeting.

69 Date and Time of Next Meeting

Monday, 24th February 2014 10.00am (Pre-meeting for all Board Members at 9.30am)

(The meeting concluded at 12.25 pm).

This page is intentionally left blank

EXECUTIVE BOARD

WEDNESDAY, 22ND JANUARY, 2014

PRESENT: Councillor K Wakefield in the Chair

Councillors J Blake, A Carter, M Dobson,
S Golton, P Gruen, R Lewis, L Mulherin,
A Ogilvie and L Yeadon

154 Exempt Information - Possible Exclusion of the Press and Public

RESOLVED – That, in accordance with Regulation 4 of The Local Authorities (Executive Arrangements) (Meetings and Access to Information) (England) Regulations 2012, the public be excluded from the meeting during consideration of the following parts of the agenda designated as exempt on the grounds that it is likely, in view of the nature of the business to be transacted or the nature of the proceedings, that if members of the public were present there would be disclosure to them of exempt information so designated as follows:-

- (a) Appendix 1 to the report entitled, 'Design and Cost Report: Mercury Abatement: Cottingley Crematorium' referred to at Minute No. 169 is designated as exempt in accordance with paragraph 10.4(3) of Schedule 12A(3) of the Local Government Act 1972 on the grounds that it contains information relating to the financial or business affairs of any person or company (including the authority holding that information) which may result in prejudicial trading of that company. It is therefore considered that it is not in the public interest to release this information at this time, as this would compromise the Council's position.

155 Declaration of Disclosable Pecuniary Interests

There were no Disclosable Pecuniary Interests declared to the meeting, however:-

In relation to the item entitled, 'Financial Health Monitoring 2013/2014: Month 8', Councillors Yeadon and Mulherin both drew the Board's attention to the fact that Councillor Yeadon was the Chair of the Leeds Grand Theatre and Opera House Board of Management and Councillor Mulherin was a member of the same Board. (Minute No. 160 refers).

156 Minutes

RESOLVED – That the minutes of the previous meeting held on 18th December 2013 be approved as a correct record.

LEISURE AND SKILLS

157 European Capital of Culture 2023

The Director of City Development submitted a report which sought to highlight the opportunity for Leeds to submit a bid to become European Capital of Culture 2023. In addition, the report outlined the issues and benefits associated with the title and aimed to canvas opinion from the Executive on this subject.

In presenting the report, the Executive Member for Leisure and Skills welcomed the positive responses received following informal discussions which had been conducted on this issue and highlighted that throughout any forthcoming consultation, consideration would continue to be given to the potential impact that achieving this award may have upon the people of Leeds.

RESOLVED -

- (a) That the contents of the submitted report, including those issues and opportunities raised within it regarding the consideration of whether or not to submit a bid for European Capital of Culture 2023, be noted.
- (b) That support be given to continued discussions taking place with a wide range of stakeholders over the next 9-12 months on this issue.
- (c) That a more detailed report be submitted to the Board in early 2015, outlining the results of the additional consultation, research and other considerations made at that point.

ADULT SOCIAL CARE

158 Response to Deputation - MENCAP regarding 'Question Time' Event at Leeds Civic Hall

The Director of Adult Social Services submitted a report responding to the deputation presented by a group of people with learning difficulties, who were supported by MENCAP, to the full Council meeting of 13th November 2013. The deputation related to the 'Question Time' event held at Leeds Civic Hall on 26th July 2013 and the potential establishment of a Leeds People's Parliament.

RESOLVED -

- (a) That the success of the 'Question Time' event which was held in the Council Chamber on 26th July 2013 be noted, together with the importance of people with a learning disability being involved in local democracy.
- (b) That support be provided to the 'Asking You!' Reference Group with regard to the group sharing learning with the Sheffield People's Parliament.

- (c) That support be provided to the 'Asking You!' Reference Group with regard to looking at regularly using the Council Chamber for their meetings, and also in respect of the group giving consideration to changing its name, if members of the group so wish, in order to reflect its links with local democracy.
- (d) That it be noted that the Joint Commissioning Manager will support the 'Asking You!' Reference Group in taking these recommendations forward.

LEADER OF COUNCIL'S PORTFOLIO

159 Response to Deputation - the role of Post Offices within Communities

The Assistant Chief Executive (Citizens and Communities) submitted a report responding to the deputation presented to the full Council meeting of 13th November 2013 concerning the role of Post Offices within the community.

RESOLVED -

- (a) That the work which is taking place in localities to support individual Post Offices be noted.
- (b) That the level and nature of the work which the Post Office currently conducts on behalf of the Council be noted.

160 Financial Health Monitoring 2013/2014 - Month 8

The Deputy Chief Executive submitted a report presenting the Council's projected financial position for 2013/2014 after eight months of the financial year.

The Chair thanked all officers concerned for their continued efforts which had led to the currently projected underspend after 8 months of the financial year.

Responding to a specific enquiry, a Member was provided with further information regarding the increased costs associated with dog kennelling services which had been experienced.

RESOLVED -

- (a) That the projected financial position of the authority after eight months of the financial year be noted.
- (b) That an additional grant payment of £142,000 from contingency be approved, in order to stabilise the Grand Theatre company's finances.

HEALTH AND WELLBEING

161 Review and Commissioning of Drug and Alcohol Treatment and Recovery Services

The Directors of Public Health, Adult Social Services, Children's Services and Environment and Housing submitted a joint report regarding the commissioning review undertaken in respect of drug and alcohol treatment

and recovery services, which followed directly on from the Leeds Drug and Alcohol Strategy and Action Plan approved by Executive Board in November 2013 (Minute No. 120 referred). The report highlighted the key findings from the review, detailed the draft service design and sought approval to proceed with the re-commissioning of the services.

In considering the submitted report, a Member sought to emphasise the potential cost efficiencies and savings which the re-commissioned integrated services could achieve. In response, the Board noted the comments made in respect of potential savings and highlighted the importance of re-investing such savings into service provision wherever possible.

In addition, specific reference was made to the work of Safer Leeds in respect of tackling the issue of drugs and alcohol misuse. Also, the Board's attention was drawn to the significant number of young people who were affected by parental drug and alcohol misuse in the UK.

RESOLVED – That the progress of the review be noted, and that approval be given to proceed with the re-commissioning of drug and alcohol treatment and recovery services.

DEVELOPMENT AND THE ECONOMY

162 High Speed Rail Phase 2: Formal Consultation Response

Further to Minute No. 176, 15th February 2013, the Director of City Development submitted a report providing an update on the Government's proposals for HS2 and which sought endorsement of the proposed City Council submission to the Department for Transport's consultation exercise on the initial preferred route and station proposals.

The draft submission to the HS2 Phase 2 consultation exercise was appended to the submitted report for Board Members' consideration.

Responding to a question, the Board was provided with clarification regarding the consistency of the representations which had been made by the Council in respect of the HS2 route and potential alternatives to it, together with the compensation arrangements. Regarding the compensation arrangements, emphasis was placed upon the need for such arrangements to be resolved at the earliest opportunity.

The Board discussed and noted the potential range of benefits which could be realised from the development, including improved connectivity throughout the city region, increased capacity upon the network, increased transportation of freight via rail and associated regeneration, jobs and skills opportunities. Members also noted the benefits from a coherent approach being adopted by the relevant authorities within the north of England.

RESOLVED -

(a) That the contents of the submitted report be noted.

- (b) That the proposed submission to the HS2 Phase 2 consultation, as set out within the appendix to the submitted report be approved, subject to any final amendments.
- (c) That the final submission of the response by the deadline date of 31st January 2014 be delegated to the Director of City Development.

(Under the provisions of Council Procedure Rule 16.5, Councillor Golton required it to be recorded that he abstained from voting on the decisions taken above)

(The matters referred to within this minute were designated by the Board as being exempt from Call In, due to the fact that the decisions arising from this report were deemed as urgent, given that the submission deadline for the consultation document is 31st January 2014. The Call In process would not enable the submission deadline to be met by the Council, and it is deemed that not meeting this deadline may prejudice the Council's or the public's interest)

163 A6120/A65 Horsforth Roundabout Improvement

The Director of City Development submitted a report advising of the scheme costs totalling £2,770,000 for the proposed improvements to Horsforth Roundabout and which also sought authority to incur additional expenditure of £2,520,000 (of which, £250,000 had been previously approved). In addition, the report also sought to invite tenders and to implement the proposed highway improvement works to Horsforth Roundabout.

RESOLVED –

- (a) That the construction of the Council's preferred scheme to fully signalise Horsforth Roundabout at an estimated cost of £2,770,000, be approved.
- (b) That an additional £1,450,000 be injected into the City Development Capital Programme for this scheme (noting that £1,320,000 is already included in the Capital Programme and also that the £1,450,000 is funded from a private developer contribution receipt).
- (c) That authority be given to incur additional expenditure of £2,520,000 (comprising of works costs of £2,380,000; staff fee costs of £110,000 and legal/other costs of £30,000) funded from the LTP Transport Policy Capital Programme (£1,070,000) and a Private Developer contribution receipt (£1,450,000).
- (d) That it be noted that previous Design and Cost reports approved authority to incur expenditure of £250,000 on initial staff design fee costs on this scheme, funded from the LTP Transport Policy Capital Programme.
- (e) That it be noted that the officer responsible for implementing these proposals is the Acting Head of Transport Policy, that the works will be

procured through competitive tender and delivered in line with the date identified in section 4.7 of the submitted report.

164 East Leeds Extension: Next Steps in Enabling Investment in Infrastructure and Housing

Further to Minute No. 100, 9th October 2013, the Director of City Development submitted a report providing an update on the work undertaken to establish the principles on which the financial contribution of housing developers to the construction of the East Leeds Orbital Road (ELOR) could be based. The submitted report invited the Board to note the rationale behind the approach proposed and to consider the implications for the Council and its role in leading the delivery of infrastructure and housing in the East Leeds Extension.

The Board acknowledged the significance of the scheme for East Leeds, both in respect of housing development and also with regard to associated infrastructure and noted that it was currently anticipated that the Northern Quadrant planning application would be submitted to City Plans Panel in February 2014.

Responding to an enquiry, the Board was provided with clarification both on the associated timescales for the scheme, together with the processes by which the development was being progressed.

Members noted that further work was to be undertaken with regard to proposals around greenspace provision associated with the development, whilst the Board also received an update in respect of the current position regarding infrastructure funding.

Regarding paragraph 2.11 of the submitted report, the Executive Member for Neighbourhoods, Planning and Support Services sought the Board's approval to withdraw a section of this paragraph (commencing: 'It is envisaged' through to 'to the A58', together with the removal of the word 'further' from the final sentence), in order to properly reflect the current position in respect of the Red Hall site, and the fact that preliminary work in the form of an Informal Planning Statement would continue in 2014, along with associated consultation. The paragraph within the submitted report would then read:

'In Section 1 – Red Hall, the Council itself owns the majority of the land, which was the subject of a report to Executive Board in September 2013. Members approved drafting of an informal Planning Statement for the site that following relocation of the existing Parks & Countryside nursery would guide possible future development and set out the requirement for local infrastructure and facilities. The detailed brief will be developed during 2014 and will be subject to consultation with local residents and other stakeholders'.

RESOLVED -

- (a) That the position reached in discussions with the Northern Quadrant consortium, as set out within the submitted report, be noted.

- (b) That with regard to paragraph 2.11 of the submitted report, the section of this paragraph (commencing: 'It is envisaged' through to 'to the A58', together with the word 'further' from the final sentence) be withdrawn from the report, in order to properly reflect the current position in respect of the Red Hall site, and the fact that preliminary work in the form of an Informal Planning Statement would continue in 2014, along with associated consultation. As a result, the paragraph within the submitted report would read as detailed above.
- (c) That support be given to the principle that (subject to the grant of planning permission) the delivery of the East Leeds Orbital Road between the A58 and A64 roundabouts should be funded by developer contributions, to be included in a s106 agreement to be negotiated by the Chief Planning Officer (paragraphs 3.8 – 3.12 of the submitted report refer).
- (d) That approval be given to the principle of direct delivery by the City Council of the East Leeds Orbital Road between the A58 and A64, to be led by the Chief Highways and Transportation Officer, subject to securing the necessary statutory consents, the grant of planning permission including the completion of the s106 agreement and the approval of a detailed financial business case (paragraphs 3.10 – 3.12 of the submitted report refer).
- (e) That approval be given for the Chief Highways and Transportation Officer to progress delivery of the East Leeds Orbital Road between the A58 and A64 on the basis that, should any compulsory purchase of land be required, the s106 agreement negotiated by the Chief Planning Officer will include an indemnity to the Council from the Northern Quadrant consortium for all costs properly incurred in pursuing a CPO (paragraphs 3.20 – 3.22 of the submitted report refer).
- (f) That a further report be brought back to Executive Board by the Director of City Development in order to agree the specific financial implications for the Council as early as possible once the details of the s106 Agreement for the Northern Quadrant have been established.
- (g) That approval be given to the approach as set out within resolutions (a) to (d) above. With this approach being used as a basis for the Chief Planning Officer to lead discussions with landowners and developers in the Red Hall, Middle and Southern Quadrants of the East Leeds Extension for establishing developer contributions to the funding of the East Leeds Orbital Road (as set out within paragraphs 3.25 – 3.27 of the submitted report), subject to the further legal clarification referred to in paragraph 3.30 of the submitted report.
- (h) That the due diligence now underway with the Homes and Communities Agency and development interests to secure access to up to £15,200,000 of support in the form of loans or equity from the government's Local Infrastructure Fund towards the costs of delivering

the East Leeds Orbital Road which will support the development of housing in the East Leeds Extension, be noted (paragraphs 3.32 – 3.33 of the submitted report refer).

165 Leeds City Council Input to Leeds City Region Strategic Economic Plan

The Director of City Development submitted a report setting out the recommended main proposals from Leeds City Council to be incorporated into the Leeds City Region Strategic Economic Plan.

Members noted the process by which greater levels of devolution to Local Authorities had been proposed, noted the respective levels of capital finance relating to this initiative when compared to revenue and acknowledged the need for such finances to feed into the development of strategic schemes wherever possible.

RESOLVED -

- (a) That the main emerging priorities from Leeds, which will form the basis for Leeds City Council's submission to the Leeds City Region Strategic Economic Plan be endorsed.
- (b) That the approach of using the Core Cities "asks" of Government, as the basis for our proposals to Government, through the Strategic Economic Plan and the City Growth Deal, for greater devolution to support economic growth, be endorsed.
- (c) That the Chief Economic Development Officer be requested to co-ordinate further work to develop the proposals from Leeds for input into the Strategic Economic Plan and to work closely with the Leeds City Region team on the production of the Strategic Economic Plan, recognising that this will be an iterative process.
- (d) That the submitted report and the issues covered within it be referred for consideration to a joint session of the Scrutiny Board (Sustainable Economy and Culture) and the Scrutiny Board (Housing and Regeneration).
- (e) That the Chief Economic Development Officer update Executive Board at its meeting on 5th March 2014 on the proposed input from Leeds into the Strategic Economic Plan, including on how the views of the Scrutiny Boards have been taken into account.

NEIGHBOURHOODS, PLANNING AND SUPPORT SERVICES

166 Proposal for Maximising the Use of Council Homes

The Director of Environment and Housing submitted a report which proposed a new incentive scheme to facilitate moves which would enhance the use of council stock and deliver improved outcomes for customers.

Members discussed the levels of demand for certain types of properties, and responding to an enquiry, the Board noted the flexible approach taken in certain circumstances with regard to under occupancy, where affordability of a larger property was not an issue for the customer and such an approach would increase both customer choice and also tenancy sustainability.

The Board considered the benefits of a mutual exchange incentive scheme and noted the more proactive and flexible approach to be taken by housing managers in future.

RESOLVED -

- (a) That the successes of the Council's under occupation scheme and the mutual exchange incentive scheme be noted.
- (b) That the formal closure of the Council's previous under-occupation incentive scheme be approved.
- (c) That £200,000 from the Housing Revenue Account for 2014/2015 be earmarked to fund a new incentive scheme to operate from April 2014 – March 2015, based upon the principles outlined within sections 4.16 – 4.37 of the submitted report.
- (d) That approval be given to a new scheme being developed by the Chief Officer Statutory Housing, in conjunction with officers from Housing Leeds Housing Management, to be launched from 1st April 2014.

CHILDREN'S SERVICES

167 Design & Cost Report for Allerton Bywater Primary School: Basic Need Project Phase 2 - New build accommodation to facilitate school expansion

The Director of Children's Services submitted a report regarding the proposed Basic Need expansion at Allerton Bywater Primary School which would enable the admission limit of the school to increase from 30 to 60 pupils. In addition, the report sought authority to incur capital expenditure of £2,035,338 in order to undertake the works required to provide 6 additional teaching spaces, cloakrooms space, toilet facilities and additional parking provision at the school.

The Board noted that an issue had recently arisen with regard to a redundant mine shaft on the land potentially identified for off-site car parking, however, Members were assured that this matter would not impact upon the proposals as set out within the submitted report.

RESOLVED -

- (a) That expenditure of £2,035,338 from Capital Scheme number 16585/ALB/000 be authorised in order to enable the construction of additional accommodation at Allerton Bywater Primary School.

- (b) That the programme dates, as identified within section 4.4 of the submitted report, regarding the implementation of this decision be noted, with it also being noted that the final delivery date for total completion of this scheme is August 2014.
- (c) That it be noted that the Director of Children's Services is responsible for the implementation of such matters.

ENVIRONMENT

168 Waste Collection Service Policies

Further to Minute No. 90, 9th October 2013, the Director of Environment and Housing submitted a report which sought to formalise the Council's policies for the kerbside collection of waste and recyclables. Specifically, the Board was recommended to formally adopt the specific operational kerbside collection policies, as proposed within section 3 of the submitted report.

By way of introduction to the submitted report, the Executive Member for the Environment provided the Board with a number of clarifications in respect of its contents, highlighting that the proposed policies were intended to formalise the Council's existing practices regarding the kerbside collection of waste and recyclables. Furthermore, the Executive Member paid tribute to all of the teams involved in the Council's kerbside collection services for the work they continue to undertake.

Responding to enquiries, the Board received an update and clarification upon a number of issues including: the provision of brown bins to more households across the city, the procedure to address missed collections and the provision of food waste collections.

RESOLVED – That the formal adoption of the specific operational kerbside collection policies, as proposed within section 3 of the submitted report, be approved.

(Under the provisions of Council Procedure Rule 16.5, Councillor A Carter required it to be recorded that he abstained from voting on the decisions taken above)

169 Design and Cost Report: Mercury Abatement - Cottingley Crematorium

Further to Minute No.15, 19th June 2013, the Director of Environment and Housing submitted a report advising of the progress made regarding the specification development and cost estimates in relation to Cottingley Crematorium, in addition to seeking approval to spend up to the financial limit as detailed within exempt appendix 1 of the submitted report. Furthermore, the report sought approval to let the contract following the conclusion of a design and build procurement process, subject to the preferred tender return being within the approved budget, as detailed within exempt appendix 1. Finally, the report sought approval of an injection of £425,000 into Capital Scheme No. 16194 to cover the costs identified in the exempt appendix.

Following consideration of Appendix 1 to the submitted report, designated as exempt from publication under the provisions of Access to Information Procedure Rule 10.4(3), which was considered in private at the conclusion of the meeting, it was

RESOLVED -

- (a) That expenditure of up to the limit detailed within exempt appendix 1 to the submitted report be authorised to replace the cremators at Cottingley Crematorium with equipment capable of abating mercury emissions.
- (b) That the award of a design and build contract be approved, subject to the preferred tender return being within the budget as detailed within exempt appendix 1 to the submitted report.
- (c) That an injection of £425,000 into Capital scheme 16194 / COT / 000 be approved in order to cover the costs as identified within exempt appendix 1 to the submitted report.
- (d) That the steps required to implement the decisions and associated timescales, as detailed within paragraph 3.2 of the submitted report be noted, together with the fact that the Chief Officer Parks and Countryside will be responsible for implementing such decisions.

DATE OF PUBLICATION: FRIDAY, 24TH JANUARY 2014

**LAST DATE FOR CALL IN
OF ELIGIBLE DECISIONS:** FRIDAY, 31ST JANUARY 2014 AT 5.00P.M.

(Scrutiny Support will notify Directors of any items called in by 12.00noon on Monday, 3rd February 2014)

Draft minutes to be approved at the meeting

Report of Head of Scrutiny and Member Development

Report to Scrutiny Board (Resources and Council Services)

Date: 24th February 2014

Subject: Grant Expenditure with Third Sector Bodies

Are specific electoral Wards affected? If relevant, name(s) of Ward(s):	<input type="checkbox"/> Yes	<input checked="" type="checkbox"/> No
Are there implications for equality and diversity and cohesion and integration?	<input type="checkbox"/> Yes	<input checked="" type="checkbox"/> No
Is the decision eligible for Call-In?	<input type="checkbox"/> Yes	<input checked="" type="checkbox"/> No
Does the report contain confidential or exempt information? If relevant, Access to Information Procedure Rule number: Appendix number:	<input type="checkbox"/> Yes	<input checked="" type="checkbox"/> No

Summary of main issues

1. Members will recall that at the December 2013 meeting of the Board officers from finance provided the meeting with detailed information on grants, including a summary of total expenditure and detail of specific expenditure over £10,000, and a schedule of all grants paid in the 2012/13 financial year. (Appendix 1)
2. The main areas of discussion at the December meeting was
 - The criteria used to support individual grant giving
 - The existence of different approaches to grant giving in Directorates
 - The difference between grants and commissioned services
 - Whether rigorous financial checks are undertaken on organisations receiving grants to assess their solvency
 - The work currently being undertaken corporately by the Corporate Commissioning Group
3. It was agreed that questions around control and value could only be adequately answered by Directorates as each directorate had its own approval and monitoring regimes for grant awards. The Board agreed therefore to invite representatives from City Development, Environment & Housing and Adult Social Care (as high grant givers) to today's meeting to discuss the issues raised. Written reports have not been requested from the Directorates.

4. Members are also advised that Audit is also currently looking at the funding of voluntary organisations. Their finding will be shared with Scrutiny when available.

Recommendations

5. Members are asked to discuss with those officers present issues around grant giving and monitoring and determine what further Scrutiny is required.

Background documents¹

None used

¹ The background documents listed in this section are available to download from the Council's website, unless they contain confidential or exempt information. The list of background documents does not include published works.

Summary of Grant Payments to the Third Sector in 2012/13

A1	Pool AFC	10,000.00	Central & Corp	Area Mangt	85679	230	Well Being Large Grants Phoenix project	The funding is to support Pool Sports and Social Club to carry out improvements and refurbish the premises enabling the club to be more competitive and attractive as a venue to the village community. Work commenced on the 16th Septemberr and is expected to complete 31st October. The total cost of the project is £40K with £20K from Pool Social Club and a £15K loan from the Recreation Ground Management Committee.
A2	Alwoodley Community Association	10,475.00	Central & Corp	Area Mangt	85678	230	£10k re Well Being Large Grants project re Extension of Storage	Construction of new store room adjoining the north wall of our existing building, based on quotes provided below: Foundations- £1250, Concrete floor and brick/block walls - £2500, Roof structure & covering - £1500, Windows & internal finishes - £2000, Labour - £7000, The remaining costs were met by charity's own funds.
A3	Northcall	15,500.00	Central & Corp	Area Mangt	85678	230	£15.5k re Well-Being Large Grants	Providing the ongoing service and project management of Northcall. Its allowed to continue delivering various community projects, including projects for over 55's, pre-school children and family events, running community café etc. the centre continues to be well used and acts as a focal point for the community.

A4	Armley Juniors Project for Young People	9,893.99	Central & Corp	Area Mangt	85677	230 £9.9k Well-Being large grant payments re Cow Close Corner	<p>The aim of the project was to turn the former Cow Close library into a community resource called the Cow Close Community Corner (CCCC). The centre offers debt management advice, training and advice, housing support, job search & skills, computer workshops, CV building and interview skills, a bookcase library service and a meeting place for the local community. Cow Close Community Corner provides a place and base for activities for local people and a place to hold social, cultural and educational activities for all ages. Funding went towards staffing costs. The centre manager and development officer's role, is to lead and develop the project to a fully functional community centre. CCCC opens 4 days a week. The group have previously undertaken a consultation with the local community to incorporate the views of the local users in the vision for the centre and to ensure the services offered meet the needs of the community.</p>
A5	Healthy Living Network - Leeds	14,941.50	Central & Corp	Area Mangt	85677	230 £14.9k re Well-Being Large Grants re Community Development work	<p>A 12 month community development post funded by Area Committee focussed on reducing health inequalities and building capacity in the Swinnow area. Initiatives targeted hard to reach and vulnerable groups and included intergenerational work such as family cookery, older people's health courses, 'give it a go' taster programme, men's health comedy, exercise classes and encouraging local residents to volunteer with organising and delivering activities at the centre. On-going community development work using different methods to engage with the community, has led to a group of residents at Swinnow who hope to take on the management of the centre in the near future</p>

A6	I Love West Leeds Festival Ltd	20,000.00	Central & Corp	Area Mangt	85677	230 £20k re Well-Being Large Grants re Festival	I Love West Leeds (£10k each Inner and Outer West Area Committees). The money was allocated towards the annual Big Festival Day that was due to be held in Pudsey Park and normally attracts around 3000 visitors to experience art workshops and family entertainment. Unfortunately due to heavy rain, the event was cancelled at short notice. Because the organisers had entered into contracts with suppliers and artist practitioners, these had to be honoured. There was some funding left over that went towards free outdoor film screenings in two inner west neighbourhoods.
A7	St Lukes Cares	53,400.64	Central & Corp	Area Mangt	85671	230 £53.4k Well-Being grant re Youth Provision	To provide a mix of youth activities at various centre and from the St Lukes Cares YOUTH Bus
A8	Lifeforce Productions	8,050.00	Central & Corp	Area Mangt	85675	230 Also received £10.1k Leeds Inspired grant & £5k arts grant from City Dev	This funding was used to fund a Summer project in Gipton and Seacroft and Burmantofts and Richmond Hill. 47 workshop sessions took place which included DJ-ing, graffiti art, music production and film making. 144 different young people attended, with actual figures of 310, aged between 8-13

A9	Space2 Leeds	20,578.02	Central & Corp	Area Mangt	85675	230	£20.6k of Well-being grants. Also received £14k of Arts grants from City Dev	<p>This funding was used to fund 6 projects relating to health and well being. Mind, Body & Soul project was a 31 week project in Gipton and Seacroft, providing a holistic approach to changing life for the better and promoting better understanding of the contributory factors that support positive mental and physical wellbeing. 63 people benefitted from attending the project. 2 Breathing Buddies projects took place in 2010 and 2011. Funding provided pulmonary rehabilitation exercises and creative social activities within Seacroft. Sessions took place at 2 venues, over 8 weeks in north and south Seacroft. Social support groups provided 16 weeks of additional support, signposting and activities. 3 projects were funded for Summer holiday activities - Video Jug, Vox Pops Street Film and Back to Front Minis. These activities were focussed on cookery, film making and sports and each activity ran for 2 weeks (6 weeks in total). Young people aged from 8 - 25 and 36 young people accessed these activities.</p>
A10	Hamara (HLC)	12,128.84	Central & Corp	Area Mangt	85671	230	£12k Well-being grant. Also received £150k Adults grant & £26k capital grant.	<p>This project is aimed at helping to raise the educational attainment level of young people, assist with improving the employability skills of a target group and improve relationships between disparate groups of young people from different backgrounds.</p>
A11	Hunslet Club	23,235.00	Central & Corp	Area Mangt	85671	230	£23.2k Well-being grant	<p>This Project offers vocational training in plumbing, joinery, bricklaying, painting and decorating, hair, beauty, car mechanics, bike mechanics, catering to school student in years 10-12. The training sessions were provided after school hours.</p>

A12	Leeds Ahead	24,250.00	Central & Corp	Area Mangt	85677	230	Includes £22k Well-being grant	<p>This proposal set out an innovative local business engagement approach to support business growth and deliver private sector resources and investment to identified priorities within the Outer West. Some key features of the project include providing advice and signposting to initiatives considered of value to businesses, particularly smaller businesses, to help them to survive and grow. Also to provide a practical mechanism to integrate local businesses into local delivery and enable them to invest back into and improve their local areas in a wide variety of ways such as working with schools and the local environment. Ahead Partnership (formerly Leeds Ahead) provided regular signposting for up to 300 businesses and had an active involvement in the business forums in the Outer West. The 'Make The Grade' element of the project which involved working with Crawshaw High School was very successful. Ahead partnership had secured funding in excess of £50,000 to support this project and over 20 businesses had agreed to support Crawshaw School.</p>
-----	-------------	-----------	----------------	------------	-------	-----	--------------------------------	---

A13	Leeds University Union	10,000.00	Central & Corp	Area Mangt	85674	230 £10k Well-being grant	The Leave Leeds Tidy (LLT) project aims to minimise waste and increase recycling over the student changeover period. The scheme employs street wardens to deliver publicity and provide advice about how to dispose of household waste. LLT branded collection bags are also distributed to encourage recycling of clothes and other re-useable items. Items collected are given away at free shops at the universities and local neighbourhoods, or recycled through donations to homeless charities. In 2012/13, Leave Leeds Tidy delivered red bags to approximately 11,000 properties and carried out collections throughout June and July. Approximately 13.5 tonnes of items were collected that would have otherwise gone in to landfill. They sent out targeted information to 9 landlords who distributed it on to 1633 properties (based on the average house size of 5). They reached 760 hours of volunteer time through the start of the project, supporting the preparing of the bags and leaflets, sorting and donating items and organising and helping out at the 5 free shops.
A14	Swarcliffe Good Neighbours Scheme	21,000.00	Central & Corp	Area Mangt	85680	230 £21k Well-being grant	£20,000 for the Outer East Gardening Scheme running 1 Apr - 30 Sept. Anyone 60yrs or over living in any of our 4 wards can get their garden tidied up for free if they meet 2 criteria. £1K was a contribution towards their Queen's Diamond Jubilee celebration event for older people
A15	Health For All (Leeds)	14,837.05	Central & Corp	Area Mangt	85631	230 £15k Well-being grant	A total of £38k funding has been provided for the cost of a Neighbourhood Improvement Officer. This strand is Inner Area's share for 2 working days per week.
A16	Health For All (Leeds)	23,205.03	Central & Corp	Area Mangt	85671	230 Includes well-being grants of £15k & £23k	As mentioned above, a total of £38k to fund the Outer and Inner Neighbourhood Improvement Officer (ER). This strand is Outer Area's share (3 days per week)
A17	Groundwork Leeds	10,000.00	Central & Corp	Area Mangt	Capital		Grant re Community Park facility, Killingbeck

A18	Morley Literature Festival	20,000.00	Central & Corp	Area Mangt	85676	230 £20k Well-being grant. Also received £10k Arts grant.	£20,000 to support employment of a festival Director for the 2011 and 2012 Morley Literature Festivals.
A19	Aireborough Summer Activities Scheme	21,537.00	Corp & Cen	Area Mgt	85679	230 £22k well-being grant	ASAC provide activities over school holidays to children from North West Leeds, aged 4-19 with a range of disabilities some of whom require 3 - 1 support. It provides respite for their families and a range of days out, sporting, drama, den building and art activity provision amongst others for the children. 73 children accessed the scheme over the summer break.
A20	Oakwood Traders and Residents Ass	10,000.00	Cen & Corp	Area Mgt	85673	230 Well-being grant	An advance payment has been made out of the Roundhay Ward pot to raise funds for restoration of the Oakwood clock, which has fallen into a state of disrepair. Its awaiting match funding from other sources.
A21	HEADS TOGETHER PRODUCTIONS LTD	14,000.00	Cen & Corp	Area Mgt	85675	230 Well-being grant. Also received £11k Arts grant.	This funding was used towards the refurbishment of the old Seacroft Methodist Church in to the first bespoke dedicated arts centre in East Leeds. This funding also secured additional funding of £50,000 from Wren Landfill funding. The total cost of the refurbishment is £866,151
A22	Barca Leeds	35,000.00	Cen & Corp	Area Mgt	85672	230 £35k Well-Being grant	The money was to pay for a Business, Facilities and Social Enterprise Manager who supported two independent community centres in New Wortley and Fairfield. The Manager's role was to improve income and increase the number of services delivered at the centres, recruit more volunteers and board members, and overhaul the centres' policies and procedures. Some of the funding was also used towards general running costs. The project met its objectives, and increased the revenue from the social enterprises and the number of activities delivered at both centres.

A23	Morley Elderly Action	33000	Cen & Corp	Area Mgt	85676	230	Includes £33k Well-Being grant	£33,000 annual payment to support the Garden Maintenance Scheme for the elderly or disabled to ensure gardens are well maintained.
A24	Casac Leeds Limited	15,837.00	Cen & Corp	Area Mgt	85680	230	£15.8k Well-Being grant	West North West Area Management grant

Central & Corporate 2012/13 Larger Third Sector Grants

<u>Ref No.</u>	<u>Organisation</u>	<u>£</u>	<u>Directorate</u>	<u>Service</u>	<u>Cost Cen</u>	<u>Vote</u>	<u>Comments</u>	<u>What is the grant being used for?</u>
Cen1	Equality Leeds	25,389.00	Cen & Corp	Equalities	29051	227	Equalities grant of £25.4k	Equality Leeds are funded to support the development of the BME hub for the council's Equalities Assembly. This includes co-ordinating and facilitating schedule of meetings for the year, increasing BME representation and support the work to design and deliver activities for Black History month.
Cen2	Leeds Community Foundation	43,190.00	Cen & Corp	Strategic	97598	227	£43k Strategic grant. Also received £61k Fuelsavers grant	The strategic grant supported the work of LCF in the city and was funded by a pay sacrifice by LCC directors.
Cen3	Leeds Parish Church	10,000.00	Cen & Corp	Strategic	69364	229	£10k Strategic grant	Continued Council support of this institution.
Cen4	SOS Ltd	12,000.00	Cen & Corp	Leeds Initial	71212	227	Grant	Funding for 'save our surgery' campaign for Children's heart ward
Cen5	Bramham Sports & Leisure Association	10,361.00	Cen & Corp	MICE	69361	227	£10k MICE grant. Also received £35k S106 grant (see City Dev).	MICE grant towards building a new sports pavillion. S106 grant for same purpose.
Cen6	Charities Information Bureau	13952.3	Cen & Corp	Strategic	97598	227	AWAY Grant - LCC contribution	LCC contribution to the Fit4Funding initiative, as supported by the West Yorkshire local authorities. The initiative provides training and support on fundraising and commissioning.

Report of Assistant Chief Executive (Citizens and Communities)

Report to Scrutiny Board (Resources and Council Services)

Date: 24 February 2014

Subject: Community centres

Are specific electoral Wards affected?	<input checked="" type="checkbox"/> Yes	<input type="checkbox"/> No
If relevant, name(s) of Ward(s):		
Killingbeck & Seacroft, Burmantofts & Richmond Hill, Gipton & Harehills, Chapel Allerton, Wetherby, Alwoodley, Middleton Park, Beeston & Holbeck, City & Hunslet, Rothwell, Ardsley & Robin Hood, Morley North, Morley South, Kippax & Methley, Cross Gates & Whinmoor, Garforth & Swillington, Kirkstall, Hyde Park & Woodhouse, Weetwood, Otley & Yeadon, Bramley & Stanningley, Armley, Calverley & Farsley, Pudsey, Farnley & Wortley		
Are there implications for equality and diversity and cohesion and integration?	<input checked="" type="checkbox"/> Yes	<input type="checkbox"/> No
Is the decision eligible for Call-In?	<input type="checkbox"/> Yes	<input checked="" type="checkbox"/> No
Does the report contain confidential or exempt information?	<input type="checkbox"/> Yes	<input checked="" type="checkbox"/> No
If relevant, Access to Information Procedure Rule number:		
Appendix number:		

1 Purpose of this report

1.1 The purpose of this report is to record progress with the improved arrangements for the Community Centre portfolio and to consult the board on future plans.

2 Background information

2.1 Members will recall past discussion at the board which considered

- The complicated and bureaucratic arrangements in place for the use of community centres;
- The numerous charging rates and their complicated application; and
- The need for continued involvement of Area Committees in the process.

2.2 The board also noted the transfer of the community centre portfolio to Citizens and Communities as of 1st October 2013 and the arrangements in place to address the identified failings in the current process.

3 Main issues

3.1 The Community centre service has been moved to Citizens and communities directorate for a number of reasons

- Closer links with localities, the area teams and local councillors on Area (Community) Committees are important stakeholders;
- To focus the work of community centres alongside the citizens@leeds brand supporting the work to tackle poverty;
- To contribute to local community development and regeneration in the poorest areas.

3.2 There is a need for more discussion – including with members about their vision for the contribution which the centres make to each locality.

3.2.1 That should include transparency in the funding to understand the ‘balance sheet’ of costs and benefits, both financial and non-financial.

3.2.2 Questions which we have considered include

- Is the current expenditure on the community centre portfolio seen as a sensible and productive use of council funds?
- Should the objective of the pricing policy be to cover the costs of running the portfolio, or is it to subsidise and add to the council’s investment? Should a pricing policy aim to target profit making organisations and allow voluntary / community organisations to have subsidised use of community centres?

We have concluded that community centres play a valuable role in bringing communities together, young and older people, providing a place to meet, learn and to positively engage. This work supports the Council’s wider objectives, and it is appropriate for the council to support the effective running of the buildings. Nevertheless we also need to maximise the income generated from users so that the cost to the council are controlled. It is also appropriate to consider what can be done to avoid duplication.

3.3 Lettings

3.3.1 The Scrutiny Board has made clear the concerns which members have with the lettings service, with examples of poor customer experience. These issues have been discussed with the Head of Facilities and these are our conclusions:

3.3.2 The lettings team being organisationally part of the Civic Enterprise Leeds arrangements offers benefits which we are wary of losing. There is close connection with the other parts of the facilities management service which are crucial to the operational success of the community centres. In particular, caretaking, key holding, cleaning and security.

3.3.3 With the overall service based in the Civic Hall in Citizens and Communities, and lettings in the same building as part of the facilities management service it is

recommended that there are no further structural changes, rather the services work together to improve processes to achieve the outcomes which are required.

3.3.4 Our work has identified the charging structure as the single biggest impediment to efficiency in the lettings arrangements. We would welcome scrutiny comments as we work up our proposals to change the charging arrangements. Subject to appropriate approvals we aim to complete that task by 1st September 2014, and we will pilot this approach in selected locations from Easter 2014. We believe a lead in period would be helpful, to give existing users notice, and avoiding making changes over the summer when activities are at a peak will avoid disruption.

3.4 Pricing - How much does it cost to use a community centre?

3.4.1 The key question any casual user or long term tenant would like the Council to answer. We have put a set of arrangements which mean that there are over 100 answers to that question, often related to the type of activity which the hirer intends to run.

3.4.2 This complexity is the key impediment to efficient working of the lettings arrangement. This leads to complex administration, including a 6 page form to effect a letting.

3.4.3 The delegation of the community centres to area committees in part contributes to these problems as the present arrangements ask members to set prices in their local areas. In considering these decisions there is no monitoring or understanding of the effect these decisions make on the sustainability of the service, or income generated.

3.4.4 There is a great pressure on members to provide accommodation in centres for free. In reality free is similar to a grant to the user in the form of income forgone. However with the exception of the Rental subsidy scheme – where the 16 biggest users of the centres justify their subsidy, the council does not subject the free use to the degree of scrutiny which would be applied to other regimes where grants are given. The service has a significant target for increased income. This cannot be met without charging in many cases.

3.5 The proposed option

3.5.1 It is proposed that two or three price points could be set for each space available, reflecting the facilities on offer.

- Point 1 – Full economic cost or 'Market Rent'
- Point 2 – reduced community group rate
- Point 3 – Free

3.5.2 It is proposed that separate arrangements are developed for the venues in the portfolio (Blackburn Hall, Morley Town Hall, Yeadon Town Hall) reflecting the different activity which takes place in these buildings, compared to standard community centres.

3.5.3 It is suggested Area Committees will retain a role in considering prices at points 2 and 3

3.5.4 It is proposed to simplify the lettings process by:

- Separating venues and community centres so that appropriate information is collected;
- Utilise the option to pay in advance by credit/debit card;
- Consider on balance whether all the information currently collected is necessary, with a view to simplifying the process.

4 Corporate Considerations

4.1 Equality and Diversity / Cohesion and Integration

4.2 There are no specific Equality and diversity considerations in this paper, however as decisions about the portfolio are made we will give due regard to Equality and Diversity

5 Conclusions

5.1 Members are invited to comment on the contents of this report, and give views on the proposals.

Report of Chief Officer (ICT)

Report to Scrutiny Board (Resources and Council Services)

Date: 24th February 2014

Subject: Members ICT service provision

Are specific electoral Wards affected? If relevant, name(s) of Ward(s):	<input type="checkbox"/> Yes <input checked="" type="checkbox"/> No
Are there implications for equality and diversity and cohesion and integration?	<input type="checkbox"/> Yes <input checked="" type="checkbox"/> No
Is the decision eligible for Call-In?	<input type="checkbox"/> Yes <input checked="" type="checkbox"/> No
Does the report contain confidential or exempt information? If relevant, Access to Information Procedure Rule number: Appendix number:	<input type="checkbox"/> Yes <input checked="" type="checkbox"/> No

Summary of main issues

1. Following the successful conclusion of the Members ICT Upgrade Project, Councillors were surveyed to determine if they considered that had met its intended aims.
2. The project, supported by the responses to the survey received, has also highlighted that the changes in ICT Service provision has also necessitated further changes in the nature of support.
3. In particular, a view from Members is sought on the data charges associated with using Council-provided tablets for conducting Council business when abroad and also in relation to the new proposed ICT support arrangements

Recommendations (following input from Scrutiny Board in December)

4. Scrutiny Board is recommended to accept the conclusions of this report.
5. It is recommended that some of the savings resulting from the Members ICT Upgrade project be used to meet the data charges associated with the use of the Council-provided tablets abroad when the device is used to conduct Council business.
6. It is further recommended that the following changes to ICT support arrangements are introduced:
 - 6.1. The appointment of a dedicated Member ICT Support Officer to provide enhanced support as outlined between 3.3.12 and 3.3.14 of this report, and,

6.2. The opening hours of the Drop-In Centre within Civic Hall be extended to reflect those of the Service Centre i.e. 0800 to 1730, Monday to Friday

1 Purpose of this report

1.1 The purpose of this report is to provide the Board with a summary of the survey of Members following the ICT Upgrade Project and, following direction from Members at Scrutiny Board in December, to seek a view on recommendations in the following areas :

- The costs associated with the use of the Council-provided tablet device when used abroad, and,
- The proposed revised ICT support arrangements for Councillors

2 Background information

- 2.1 Following the completion of the rollout under the Members ICT Upgrade Project, Councillors were surveyed to determine whether the changes made had met the intended aim of providing them with an improved ICT service; enabling technologies which better support the various ways that they choose and need to work at a lower overall cost to the Council.
- 2.2 Members will recall that as part of the upgrade project they were provided with a choice of a laptop or a Council-provided tablet device together with associated peripherals such as a choice of printer. Alternatively, Councillors could opt to use their own equipment to securely access appropriate services.
- 2.3 The Members Upgrade project, in conjunction with ESP, (the Council's Essential Services Programme), has provided more up-to-date hardware and software and a more robust technical environment.
- 2.4 The principal savings of the project resulted from the removal of the Council-funded ADSL broadband provision to Members homes and of the option of a Council-provided PDA (personal Digital Assistant) device. The major saving around the latter being that there would be no expense associated with the need to upgrade the PDAs in favour of more advanced and reliable alternatives.
- 2.5 ICT services recognise that the changes in the ICT Service provision necessitated changes in certain areas. To this end a paper was submitted to the November meeting of Member Management Committee. The paper sought a view from Members around the use of the Council-provided tablet whilst abroad and in particular around how the associated data charges should be met. It also requested support for the creation of a dedicated ICT Support Officer role.
- 2.6 Member Management Committee indicated that the costs associated with the use of tablet devices abroad should be met by the individual member and deferred the proposed revised support arrangements pending further consultation across the groups.

- 2.7 In December this committee proposed that Members should not be charged for the data connection charges associated with Council-provided tablets when used abroad for dealing with issues in their capacity as a Member of Leeds City Council. This view was also reflected to the January meeting of Member Management Committee.

3 Main issues

3.1 Survey results

- 3.1.1 At the conclusion of the Members ICT Upgrade project, all Councillors were surveyed to determine if the project had met its intended aim of providing an improved ICT service to Members, designed to better support them in the way they need and choose to work
- 3.1.2 The questions asked in the survey were similar to those contained in a survey issued before the project began, the responses to which were used to inform the approaches taken.
- 3.1.3 28 Members responded and generally the results to each question were an improvement over the previous survey.
- 3.1.4 Around 80% of those who responded indicated that the equipment and software provided met their needs and enabled them to work effectively from home and from other locations.
- 3.1.5 Around 75% of the respondents were happy with the upgraded software and were comfortable using it and a similar percentage indicated that they were aware how to access additional training if required.
- 3.1.6 The one area where there was no perceived improvement was in relation to the question around the support arrangements with 60% of respondents being happy with the current arrangements.
- 3.1.7 However, in the free form areas of the survey, where Members were asked to comment generically on the ICT service provision, a number of Members specifically singled out the Drop-In Centre for special mention as well as indicating that they would welcome demonstrations on the appropriate use of equipment and software.

3.2 Use of Council-provided tablet devices abroad

- 3.2.1 The tablet devices provided to councillors allow connectivity from within Civic Hall and also from other locations where a wifi service is available including within Members homes. The devices also have a 3G SIM installed to provide connectivity where wifi is not available.

- 3.2.2 There is a monthly data allowance of 2GB when using the device in this country, the charges for which were included in the original business case for the project. Members will receive notifications to the device if they approach the monthly limit. Naturally if the 3G data limit is reached the device can continue to be used via wifi (where available).
- 3.2.3 The devices provided are capable of accessing a variety of content, including activities such as video streaming. Such activity uses significant amounts of data very quickly therefore the recommendation is that the device should be used for such purposes when connected to the internet over wifi rather than 3G.
- 3.2.4 It is recognised that some members may choose to use their tablet whilst abroad. Guidance has been provided to Members on using the device abroad. Principally, the recommendation is to turn off the data roaming function when not in use to avoid inadvertently incurring data charges and that wherever possible, free wifi should be used for connectivity.
- 3.2.5 It is also accepted that some Members may need to use their tablet for Council business where wifi is not available and, under these circumstances, it is recommended that the Council meets the full cost of the data charges incurred.
- 3.2.6 The standard charges for using data abroad is £40 per month for each month in which it is used. This entitles the user to 100MB within Europe and 50MB elsewhere. Notifications will be provided to the device as the data limit is approached..

3.3 Revised Support Arrangements

- 3.3.7 The current support arrangements for Elected Members are that from 0800 until 1730 each week day, the dedicated Members ICT support telephone number (0113 247 4866) is staffed by the ICT Service Centre. Outside of these hours the same support number is answered by officers who work on a shift basis within the Network Management Centre.
- 3.3.8 The aim at all times is, wherever possible, to resolve an issue at the first point of contact. However, if this is not possible, the same level of 2nd and 3rd tier support is not available outside standard hours (largely because key elements of the service, are provided under contract by Third Party suppliers). Where an issue cannot be resolved therefore, the NMC officer passes the support call to colleagues in the Service Centre for it to be progressed the following morning.
- 3.3.9 These out of hours support arrangements are available except between 1900 on Saturday evenings and 0800 on Sunday morning (when resources are concentrated on duties associated with the main weekly processing and back-up routines), and over Bank Holidays.
- 3.3.10 In addition to these arrangements, the opening hours of the Drop-In Centre, on the Second Floor Link Corridor within Civic Hall, have been extended from 0800 to 1730, Monday to Friday in order to provide a better level of service both to

elected Members and also to the increasing numbers of mobile workers resulting from the Council's Changing the Workplace strategy.

- 3.3.11 It is recognised that the improvements introduced as part of the Members ICT Upgrade Project and the on-going developments under the Council's Essential Services Programme, has resulted in a discernible improvement in the reliability of the equipment and the technical infrastructure which has meant that the nature of supporting Members is evolving. The emphasis is now less on issues associated with system failure and more around exploiting the technology.
- 3.3.12 It is envisaged that this trend will continue as the technical environment is further enhanced and new software and applications are introduced.
- 3.3.13 During the Members ICT Upgrade Project, an officer, based within the Drop-In Centre, provided dedicated support to Members to assist with the transition. It is now proposed that this role is continued to provide support in areas such as assisting with future technical developments.
- 3.3.14 The added value is that the individual undertaking this role would be mindful as to how future developments will impact, or could be exploited by, Councillors, as well as providing enhanced business as usual support. Planned changes to the technical environment which will have a bearing on Members ICT service provision in the near future include:
- An upgrade to Microsoft Exchange 2010;
 - The introduction of electronic corporate calendar, and'
 - Upgrade of the Council's VPN (Virtual Private Network – the service which enables secure connectivity to the Council's network from home and other locations)

Each of these upgrades needs to be managed effectively due to the unique and multifarious ways in which Members need to work.

- 3.3.15 It is anticipated that this new role would also add significant value by:
- Providing a single point of contact for issue resolution and inventory maintenance between the ICT Service Centre and Group Support offices to offer a more seamless service to Members
 - Providing a quick "go to" resource for hints, tips and techniques and a sign-posting service for more in-depth assistance and training, for example, in the exploitation of use of Social Media tools (Facebook, Twitter, Blogging) and in the updated software available on the Council desktop (Sharepoint, Instant Messaging, One Note etc.) as well as on the use of the Council-provided tablet.
 - Managing the ICT elements relating to incoming and outgoing Members (in particular around elections) to ensure the transition is handled as expediently

as possible. This was previously undertaken by a dedicated ICT Project Lead.

4 Corporate Considerations

4.1 Consultation and Engagement

4.1.1 A number of techniques (including surveys, site visits and reports to Member Committees) were utilised to assist in developing and defining the Members ICT Upgrade project and the associated service offerings.

4.2 Equality and Diversity / Cohesion and Integration

4.2.1 The flexibility of ICT offerings available to Members mean that each individual Councillor can select the hardware and software which best meets their needs.

4.3 Council policies and City Priorities

4.3.1 There are no implications

4.4 Resources and value for money

4.4.1 The removal of the Council-funded broadband provision to Members homes and the replacement of PDA devices with more sustainable offerings have resulted in better options at a reduced cost to the Council.

4.5 Legal Implications, Access to Information and Call In

4.5.1 There are no Legal implications resulting from this report.

4.6 Risk Management

4.6.1 There are no Risk Management implications.

5 Conclusions

5.1 The Members ICT Upgrade project, in conjunction with improvements under the Council's Essential Service Programme, has improved the ICT service provision to Members.

5.2 These improvements have also changed the nature of support and therefore require changes to the current ICT support model.

6 Recommendations

6.1 Scrutiny Board is recommended to accept the conclusions of this report.

6.2 It is recommended that some of the savings resulting from the Members ICT Upgrade project be used to meet the data charges associated with the use of the

Council-provided tablets abroad when the device is used to conduct Council business.

6.3 It is further recommended that the following changes to ICT support arrangements are introduced:

6.3.1 The appointment of a dedicated Member ICT Support Officer to provide enhanced support as outlined between 3.3.12 and 3.3.14 of this report and,

6.3.2 The opening hours of the Drop-In Centre within Civic Hall be extended to reflect those of the Service Centre i.e. 0800 to 1730, Monday to Friday

Report of Head of Scrutiny and Member Development

Report to Scrutiny Board (Resources and Council Services)

Date: 24th February 2014

Subject: Work Schedule and Draft Terms of Reference – Decision Making and Due Regard to Equality

Are specific electoral Wards affected? If relevant, name(s) of Ward(s):	<input type="checkbox"/> Yes <input checked="" type="checkbox"/> No
Are there implications for equality and diversity and cohesion and integration?	<input type="checkbox"/> Yes <input checked="" type="checkbox"/> No
Is the decision eligible for Call-In?	<input type="checkbox"/> Yes <input checked="" type="checkbox"/> No
Does the report contain confidential or exempt information? If relevant, Access to Information Procedure Rule number: Appendix number:	<input type="checkbox"/> Yes <input checked="" type="checkbox"/> No

Summary of main issues

1. The council has a well-established equality impact assessment process, designed to ensure that the council is both compliant with the legal requirement to show ‘due regard’ to equality and that we live up to the council’s own ambitions to contribute to achieving equality. It forms part of the guidance on ‘corporate considerations’ for decision making.
- 1.2 Corporate Leadership Team (CLT) recently endorsed the equality impact assessment process, concluding that it can be easily and effectively applied to decisions relating to existing and/or proposed functions, services, employment, policies, practices and strategies; facilitates full consideration and includes all protected equality characteristics; enables communities and interested groups to be involved appropriately in considering the impact of any proposals; and provides flexibility to apply the methodology to different types of decision at different scales, from Delegated decisions to the approval of the authorities budget. Indeed CLT requested that the process be strengthened to include other specific areas which align with the council’s wider priorities, such as
 - Poverty, inequality and deprivation
 - Locality working
 - new communities and changing demographics

- 1.3 Notwithstanding the above, the Leader of Council has requested that Scrutiny Board (Resources and Council Services) undertake its own assessment of the Equality Impact Assessment process, using particularly scrutiny's ability to enable the voice and concerns of the public to be heard by inviting the views of the wider community.
- 1.4 Attached as Appendix 1 are draft terms of reference for this piece of work. In line with Scrutiny Board procedure Rule 12.1 the relevant Director and Executive Member has been consulted on the draft terms of reference. Members of the Board are asked to formally approve the terms of reference and schedule into the Board's work programme.
- 1.5 The Board's draft work schedule is attached as appendix 2. The work schedule reflects discussions at the Board's meeting in January 2014. It will be subject to change throughout the municipal year.

Recommendations

2. Members are asked to;
 - (i) Approve the draft terms of reference as shown in appendix 1
 - (ii) Note the work schedule and make amendments as appropriate.

SCRUTINY BOARD (RESOURCES AND COUNCIL SERVICES)

INQUIRY INTO THE COUNCIL'S DECISION MAKING AND DUE REGARD TO EQUALITY

TERMS OF REFERENCE

1.0 Introduction

- 1.1 The council has a well-established equality impact assessment process, designed to ensure that the council is both compliant with the legal requirement to show 'due regard' to equality and that we live up to the council's own ambitions to contribute to achieving equality. It forms part of the guidance on 'corporate considerations'¹ for decision making.
- 1.2 Corporate Leadership Team (CLT) recently endorsed the equality impact assessment process, concluding that it can be easily and effectively applied to decisions relating to existing and/or proposed functions, services, employment, policies, practices and strategies; facilitates full consideration and includes all protected equality characteristics; enables communities and interested groups to be involved appropriately in considering the impact of any proposals; and provides flexibility to apply the methodology to different types of decision at different scales, from Delegated decisions to the approval of the authorities budget. Indeed CLT requested that the process be strengthened to include other specific areas which align with the council's wider priorities, such as
- Poverty, inequality and deprivation
 - Locality working
 - new communities and changing demographics
- 1.3 Notwithstanding the above, the Leader of Council has requested that Scrutiny Board (Resources and Council Services) undertake its own assessment of the Equality Impact Assessment process, using particularly scrutiny's ability to enable the voice and concerns of the public to be heard by inviting the views of the wider community.

2.0 Scope of the inquiry

- 2.1 The purpose of the Inquiry is to make an assessment of and, where appropriate, make recommendations on the following areas:
- Whether the current Equality Impact Assessment process provides the quality assurance of decision making demanded by the council

¹ Guidance for officers writing reports to committees or to support delegated decisions

- Whether the current Equality Impact Assessment process enables communities and interested groups to be involved appropriately in considering the impact of any proposals or whether other mechanisms should be adopted.
- Whether there is sufficient support within the council to help promote and develop the equality agenda and to act as the champions for the nine 'equality characteristics' (Equality Areas); Race, Disability, Gender, Transgender, Age, Sexual orientation, Religion or Belief, Pregnancy and Maternity and Carers.
- Whether the current process for 'due regard' and approaches to wider involvement and engagement specifically meet the needs of disabled people in Leeds. This is a particular issue that has been raised through the council's Equalities Assembly Disability Hub as a barrier to inclusion.

3.0 Desired Outcomes and Measures of Success

3.1 The decision to undertake this Inquiry has been based on the Board's belief that to fulfil our ambitions to be the best council in the UK we require processes which are fit for purpose, do not burden the council with unnecessary bureaucracy but which do quality assure our work and decision making and ensure we consider the wider implications and impacts.

3.2 It is important to consider how the Scrutiny Board will deem if its inquiry has been successful in making a difference to local people. Some measures of success may be obvious at the initial stages of an inquiry and can be included in these terms of reference. Other measures of success may become apparent as the inquiry progresses and discussions take place.

3.3 Some potential initial measures of success are:

- Confirmation from decision makers (officers and elected members) that the Council's approach to equality impact is robust and appropriate
- Acknowledgment from the wider community that our decision making processes are robust and appropriate

4.0 Comments of the relevant Director and Executive Member

4.1 In line with Scrutiny Board Procedure Rule 12.1 where a Scrutiny Board undertakes an Inquiry the Scrutiny Board shall consult with any relevant Director and Executive Member on the terms of reference. Any comments will be reflected in the final terms of reference.

5.0 Timetable for the inquiry

5.1 The Inquiry will take place over two formal Scrutiny Board sessions and a number of working groups.

6.0 Submission of evidence

6.1 Session one – 24th March 2014

- To hear from equality officers about current processes, national guidance and standards, benchmarking with the Core Cities and the five West Yorkshire authorities
- To hear from a Director/officer practitioner about the practical use of Equality Impact Assessments
- To hear from Members of the Member Champion Working

Working Group

- To hear evidence from representatives from Equality Assembly

6.2 Session two – 7th April 2014

- To consider the Boards draft report including and observations and recommendations.

7.0 Witnesses

7.1 The following witnesses have been identified as possible contributors to the Inquiry:

- Equality team
- Officers from with Directorates
- Members of the Member Champions Working Group
- Third Sector representatives
- Equality Assembly

8.0 Equality and Diversity / Cohesion and Integration

8.1 The Equality Improvement Priorities 2011 to 2015 have been developed to ensure our legal duties are met under the Equality Act 2010. The priorities will help the council to achieve its ambition to be the best City in the UK and ensure that as a city work takes place to reduce disadvantage, discrimination and inequalities of opportunity.

8.2 Equality and diversity will be a consideration throughout the Scrutiny Inquiry and due regard will be given to equality through the use of evidence, written and verbal, outcomes from consultation and engagement activities.

8.3 The Scrutiny Board may engage and involve interested groups and individuals (both internal and external to the council) to inform recommendations.

8.4 Where an impact has been identified this will be reflected in the final inquiry report, post inquiry. Where a Scrutiny Board recommendation is agreed the individual, organisation or group responsible for implementation or delivery

should give due regard to equality and diversity, conducting impact assessments where it is deemed appropriate.

9.0 Post inquiry report monitoring arrangements

- 9.1 Following the completion of the Scrutiny inquiry and the publication of the final inquiry report and recommendations, the implementation of the agreed recommendations will be monitored.
- 9.2 The monitoring will be undertaken by the Board. This will be done at regular intervals appropriate to the content of the recommendation.
