122 Exempt Information - Possible Exclusion of the Press and Public

RESOLVED – That, in accordance with Regulation 4 of The Local Authorities (Executive Arrangements) (Meetings and Access to Information) (England) Regulations 2012, the public be excluded from the meeting during consideration of the following parts of the agenda designated as exempt on the grounds that it is likely, in view of the nature of the business to be transacted or the nature of the proceedings, that if members of the public were present there would be disclosure to them of exempt information so designated as follows:-

- (a) Appendix 1 and Plan 1 to the report entitled, 'East Leeds Extension: Acquisition of Land between Wetherby Road and York Road', referred to in Minute No. 134 are designated as exempt in accordance with paragraph 10.4(3) of Schedule 12A(3) of the Local Government Act 1972 on the grounds that the information contained within the appendix and plan relates to the financial or business affairs of a particular person, and of the Council. This information is not publicly available from the statutory registers of information kept in respect of certain companies and charities. It is considered that since this information was obtained through initial one to one discussions for the acquisition of the property/land then it is not in the public interest to disclose this information at this point in time.

Also, it is considered that the release of such information would or would be likely to prejudice the Council's commercial interests in relation to other similar transactions in that prospective purchasers of other similar properties would have access to information about the nature and level of consideration which may prove acceptable to the Council. It is considered that whilst there may be a public interest in disclosure, much of this information will be publicly available from the Land Registry following completion of this transaction and

consequently the public interest in maintaining the exemption outweighs the public interest in disclosing this information at this point in time.

- (b) Appendix 1 to the report entitled, 'Design and Cost Report for Playing Pitches and Land at Woodhall Lane, Pudsey', referred to in Minute No. 136 is designated as exempt in accordance with paragraph 10.4(3) of Schedule 12A(3) of the Local Government Act 1972 on the grounds that the information contained within the appendix and plan relates to the financial or business affairs of a particular person, and of the Council. This information is not publicly available from the statutory registers of information kept in relation to certain companies and charities. It is considered that since this information was obtained through one to one negotiations for the purchase of the land/property referred to then it is not in the public interest to disclose this information at this point in time. Also the release of such information would or would be likely to prejudice the Council's commercial interests in relation to and undermine its attempts to acquire by agreement similar properties in the locality in that owners of other similar properties would be aware about the nature and level of consideration which may prove acceptable to the Council. It is considered that whilst there may be a public interest in disclosure, much of this information will be available from the Land Registry following completion of the purchase and consequently the public interest in maintaining the exemption outweighs the public interest in disclosing this information at this point in time.

DIGITAL AND CREATIVE TECHNOLOGIES, CULTURE AND SKILLS

125 Smart Cities: Delivering a Sustainable City in the Digital Age

The Deputy Chief Executive submitted a report providing details on the drivers for a Smart Cities approach for Leeds and which recommended a particular strategic approach towards its delivery. In addition, the report also provided an update on what had been delivered to date through temporary and loose arrangements in what has been a "prototype" year. Finally, the report detailed where the Council aimed to be and the main issues to be resolved, whilst also providing practical recommendations in terms of progressing from the current position, including the formalising of a Smart Cities Team.

Responding to an enquiry, emphasis was placed upon the need to ensure that the relevant expertise located throughout the city was fully engaged in the delivery of the Smart Cities approach and how the benefits from the proposed

Capital Innovation Fund could be maximised. As such, acknowledging the consultation events which had already taken place, it was suggested that moving forward, a panel incorporating the relevant expertise could be established as part of the associated engagement process, with a follow up report being submitted to the Board in the next six months on the involvement of the digital community in this area.

Members highlighted how Leeds continued to lead nationally on the development of smart methods in the field of health and wellbeing, the importance of working with schools and young people on this agenda and emphasised the significant opportunities which existed in areas such as future economic growth and job creation.

RESOLVED –

- (a) That the Smart Cities approach and direction as detailed within the submitted report be endorsed;
- (b) That the formalising of the Smart City Team from existing resources under the leadership of the Chief Information Officer, be supported;
- (c) That support be given to the creation of a Capital Innovation Fund of £150,000 which can be used to support “Civic Enterprise” type prototypes as a basis for informing wider business cases, with spending against this fund to be recommended by the Smart Cities lead and associated sign off from Chief Information Officer and the Executive Member for Digital and Creative Technologies, Culture and Skills;
- (d) That the direction to all managers and services to commit to making all non-person sensitive data open and published on the Leeds Data Mill, be supported;
- (e) That a follow up report be submitted to the Board in the next six months on the involvement of the digital community in this area.

HEALTH AND WELLBEING

126 Building a 'Mentally Healthy' Leeds

The Director of Public Health and the Director of City Development submitted a joint report outlining the learning and outputs which had arisen from the ‘Mentally Healthy City’ event held in June 2014. The report helped to place such outputs into the context of wider ongoing work around health and strategic planning which was currently being undertaken within Leeds, whilst the report also made recommendations for further crosscutting work which could be undertaken in order to promote wellbeing across a growing city.

The Board welcomed the fact that the report highlighted and prompted discussion on the issue of mental health. In addition, Members emphasised the vital role of Ward Councillors in progressing the ‘Mentally Healthy’ Leeds initiative in their respective areas and reiterated the need to ensure that associated community infrastructure accompanied future housing growth in the city.

Responding to an enquiry, Members received information on the practical elements of this initiative, and how it would impact upon the planning process for example.

RESOLVED –

- (a) That the positive outputs and ideas arising from the 'Mentally Healthy City' workshop, held with cross city partners in June 2014, be recognised and supported;
- (b) That the extensive work currently taking place to integrate health and wellbeing considerations into future planning for the built environment and housing, be recognised and supported;
- (c) That the benefits identified by this conference of Public Health and planning colleagues, applying a cross-cutting approach to issues in breakthrough projects (such as housing growth, making the City a good place to grow old, and reshaping health and social care), and building on the process of consultation and engagement, as outlined within the submitted report, be recognised and supported.

FINANCE AND INEQUALITY

127 Financial Health Monitoring 2014/15 - Month 7

The Deputy Chief Executive submitted a report presenting the Council's projected financial position for 2014/2015 after seven months of the financial year. In addition, the report also highlighted the key issues impacting upon the overall achievement of the budget for the current year and provided details on the measures which had been established to reduce the current level of overspend.

RESOLVED – That the projected financial position of the authority after seven months of 2014/2015, be noted.

128 Initial Budget Proposals for 2015/16

The Deputy Chief Executive submitted a report which sought approval of the Council's initial budget proposals for 2015/2016, as detailed within the submitted paper, and also which sought agreement for those proposals to be submitted to Scrutiny and used as a basis for wider consultation with stakeholders.

In presenting the submitted report, the Deputy Chief Executive informed the Board that to date, confirmation of the 2015/16 Local Government finance settlement and also the 2015/16 Council Tax referendum ceiling was still to be received. As part of the development of the proposals, it was also noted that further work would continue to ensure that the proposals were robust, whilst work would also be undertaken with a view to strengthening the Council's level of financial reserves.

The Board considered the cumulative impact upon the Council arising from the challenging funding reductions it had faced since 2010, with tribute being paid to the key role played by Council employees for their continued efforts throughout this period.

RESOLVED – That the submitted report be approved as the initial budget proposals and for such proposals to be submitted to Scrutiny for consideration and also be used as a basis for wider consultation with stakeholders.

(In accordance with the Council's Budget and Policy Framework Procedure Rules, decisions as to the Council's budget are reserved to full Council. As such, the resolution above is not subject to call in, as the budget is a matter that will ultimately be determined by full Council, and the submitted report is in compliance with the relevant Procedure Rules as to the publication of initial budget proposals two months prior to adoption).

(Under the provisions of Council Procedure Rule 16.5, Councillor Golton required it to be recorded that he abstained from voting on the decisions referred to within this minute. Also, in relation to such matters, as Councillor J Procter was in attendance as a non-voting Member, he drew the Board's attention to the fact that if he were able to, he would abstain from voting on the decisions referred to within this minute)

Further to Minute No. 199, 5th March 2014, the Assistant Chief Executive (Citizens and Communities) submitted a report which presented proposals for a Local Welfare Support Scheme from April 2015 and which detailed how the scheme could continue in order to support the Citizens@Leeds approach to tackling poverty and deprivation.

The Board noted that the proposals detailed within the submitted report were based upon there being no Government funding allocated for 2015/16. However, it was highlighted that a Government announcement following a review of local welfare provision funding for 2015/16 was expected imminently, and that should any Government funding be announced, an updated scheme would be developed based upon a minimum budget of £800k or an amount higher than this figure, should specific Government funding be forthcoming which was greater than £800k.

RESOLVED –

- (a) That the development of a scheme based on the outline scheme proposals for emergency provision for 2015/16, as set out within the submitted report, be approved subject to the approval of funding;

Implementation will commence in the first week of March 2015 as part of the annual billing process in order for the new Scheme to be effective from 1 April 2015.

131 Calverley Workhouse Allotment Charity

The City Solicitor submitted a report which sought approval to a modification of the purposes of the 'Calverley Charity – The Workhouse Allotment', so as to enable the charity to be of more use to the residents of Calverley. 132 Safeguarding in Taxi and Private Hire Licensing

The Assistant Chief Executive (Citizens and Communities) submitted a report which provided assurances on the robustness of the Council's existing safeguarding controls for taxi and private hire licensing. In addition, the report provided an overview of the additional measures being taken to improve safeguarding issues in Taxi and Private Hire Licensing and detailed the progress which had been made to date in this area.

In considering the report, the Board highlighted the need to ensure that a consistently robust approach towards taxi and private hire licensing was adopted across all Local Authorities via the establishment of legislation, and it was agreed that representations on such matters should be submitted to Government on behalf of the Board.

Responding to a specific enquiry regarding the checking measures already in place, it was noted that legal advice was currently being sought in relation to the options available to impose more robust procedures in Leeds for applicants newly arrived in the UK. As such, it was agreed that a further report be submitted to the Board in due course following the receipt of related legal advice, which provided further details on proposals around more robust checks, and which responded to the specific enquiries raised during this discussion.

CLEANER, STRONGER AND SAFER COMMUNITIES

139 Low Emission Zone (LEZ) Feasibility Study

The Director of Environment and Housing, the Director of City Development and the Director of Public Health submitted a joint report presenting the background to, and the key findings arising from a study undertaken into the

feasibility of introducing a Low Emission Zone (LEZ). The study considered air quality in Leeds, the main contributors and scenarios to bring about reductions of key pollutants and the associated health and economic implications. In addition, the report also presented the initial response to the study, describing measures which were currently being taken to improve air quality and pointing to further areas where progress could be made.

Responding to a Member's enquiry, further context was provided to the Board around the short term actions proposed within the submitted report which would look to develop a strategic approach towards the improvement of air quality. Members noted the intention to submit a further report on this matter to Executive Board in the summer of 2015.

Emphasis was placed upon the need for the level of public transport emissions to be improved, and it was acknowledged that Quality Bus Contracts was one of a number of potential options available which could help improve such emission levels.

The Board highlighted how the devolution of greater powers to the Local Authority would enable the development of a truly strategic approach on such issues, and with this in mind, it was suggested that the Council's 'wider ambition' for the improvement of air quality form part of the report to be submitted to the Board in summer 2015.

RESOLVED –

- (a) That dialogue with key interest groups in the transport sector be commenced in order to agree a range of practical measures with timescales for their introduction that will bring about improvements to air quality and health. The aim being to deliver changes by dialogue where possible, but with the clear understanding that improvements could be achieved ultimately via a Low Emission Zone.
- (b) That the findings of this work be shared regionally with the other West Yorkshire Authorities and the Combined Authority in order to assist in providing a regional solution to the air quality challenge that the whole of West Yorkshire faces. In addition, it be noted that air quality is a trans-boundary issue and can only be effectively addressed across West Yorkshire by all partner authorities and organisations working together, and wherever possible it be recommended that any measures introduced reflect the regional situation rather than dealing with issues in isolation.
- (c) That the key findings of the LEZ study be used to influence future funding bids as they become available (for example the Office for Low Emission Vehicles (OLEV) Green Bus Fund);
- (d) That any future decision to introduce a Low Emission Zone be taken in the context of a wider Leeds Low Emission Strategy that is expected in 2015;
- (e) That an update report on this matter be submitted to the Board in summer 2015, which also provides further information on the Council's 'wider ambition' for the improvement of air quality.
