| | To receive a Community Concern in the name of Councillor Campbell in respect of issues regarding the inconsistency on validation of planning applications in Otley and Yeadon. | |

**White Paper Motion (in the name of Councillor Buckley) -
Health and Wellbeing**

673 - 674

This Council notes the work done over the past 18 months by the Leeds Health and Wellbeing Board and looks forward to further positive work in the future.

Council recognises the budgetary and service improvement pressures within social care and health services and believes that these services will see significant transformation both in Leeds and nationally over the coming years.

Given the challenges ahead, this Council believes that the Health and Wellbeing Board should develop a more proactive approach to dealing with the health issues that matter most to Leeds residents. It should also ensure members of the public are aware of the likely changes to come, and are engaged with the work of the Board and its role in helping to bring about these changes.

This Council asks that a report is brought to Executive Board to explore and review how to better engage the public in future changes to health and wellbeing in Leeds and how the Health and Wellbeing Board can work more effectively towards achieving that goal.

**White Paper Motion (in the name of Councillor Chapman) -
Fixed Odds Betting Terminals**

675 - 676

This council notes the prevalence of Fixed Odds Betting Terminals (FOBTs) and their concentration in high unemployment areas. This council also notes that, unlike fruit machines in pubs and amusement arcades where cash stakes are limited to £2, gamblers can bet up to £100 every 20 seconds on FOBTs with cash or card, more than four times as fast as the rate of play in casinos and with over £1.5bn lost on FOBTs across the UK in 2012 alone.

This council believes that the increase in FOBTs is causing significant problems and that the Government should either use the existing legislative framework, or introduce legislation, to outlaw B2 casino games in betting shops.

At the very least, local authorities should be given the powers to protect the local amenity and wellbeing of communities by (1) stopping the proliferation of betting shops and (2) reducing the maximum stakes and slowing down the speed of play.

This council therefore requests that the Chief Executive writes to Helen Grant MP, Parliamentary Under Secretary of State for Sport and Tourism, recommending a reduction in the maximum bet per spin on FOBTs to £2 and officially supporting London Borough Newham's Sustainable Communities Act proposal to give local authorities the power to do the same.

This Council believes the people of Leeds and their elected representatives are best placed to develop and shape local public transport networks.

Council is concerned that current arrangements, where decisions are made either by remote government departments and agencies or private sector operators, have resulted in under investment, inadequate services and rising costs for passengers.

Council believes that a lack of local planning and integration has created a public transport system that fails to meet the needs of the people of Leeds.

Council would like to see a fully integrated local transport system, including modern integrated 'Oyster style' ticketing, locally planned networks and investment in order to create growth in passenger numbers and help build a stronger economy for Leeds residents.

Council resolves to proceed with the development of London style franchising through bus Quality Contracts and to continue discussions with the Department of Transport to devolve management of the forthcoming TransPennine and Northern Rail franchises. Council further resolves to seek continued devolution from Westminster and Whitehall of the powers and resources to Leeds City Region to enable the creation of a publicly run and accountable integrated transport network and welcomes initiatives such as the proposed Transport for the North.

Tom Riordan
Chief Executive

Civic Hall
Leeds
LS1 1UR

Please note: this meeting may be filmed for live or subsequent broadcast via the City Council's website on the internet - at the start of the meeting the Lord Mayor will confirm if all or part of the meeting is to be filmed. The images and sound recording may be used for training purposes by the Council. Generally the public gallery is not filmed. However, by entering the Council Chamber and using the public seating area you are consenting to being filmed and to the possible use of those images and sound recordings for webcasting and/or training purposes. If you have any queries regarding this, please contact the City Solicitor.

Third Party Recording

Recording of this meeting is allowed to enable those not present to see or hear the proceedings either as they take place (or later) and to enable the reporting of those proceedings. A copy of the recording protocol is available from the clerk.

Use of Recordings by Third Parties– code of practice

- a) Any published recording should be accompanied by a statement of when and where the recording was made, the context of the discussion that took place, and a clear identification of the main speakers and their role or title.
- b) Those making recordings must not edit the recording in a way that could lead to misinterpretation or misrepresentation of the proceedings or comments made by attendees. In particular there should be no internal editing of published extracts; recordings may start at any point and end at any point but the material between those points must be complete.
