The application has attracted representation from other persons and a responsible authority.

- 2.1 This is the first application for a premises licence.

3.0 The Application

4.0 Other matters relevant to the application

- 4.1 At the time of writing this report there were no implications for equality and diversity. Any decision taken by the Licensing Sub-Committee will be in accordance with the four licensing objectives as prescribed by the Licensing Act 2003.

5.0 Steps to promote the Licensing Objectives

- 5.1 The applicant proposes to take specific steps to promote the licensing objectives identified in section "P" of the application form.

6.0 Proposed Designated Premises Supervisor

- 6.1 Mr Michael Tattersall intends to be the Designated Premises Supervisor.

7.0 Licensing Hours

- 7.1 Members are directed to paragraphs 6.8 to 6.15 for the Statement of Licensing Policy which states the criteria that will be applied to any decision for new applications or variations which include extending hours.
- 7.2 In brief the Policy states at 6.14 that restrictions may be made to the proposed hours of use where, after receiving relevant representations, the council considers it appropriate for the promotion of the licensing objectives to do so. The council will take into account the existing pattern of licensed premises in an area when considering what is appropriate to promote the objectives. Applications which are significantly out of character for a locality will need to demonstrate that granting the hours sought will not impact on the licensing objectives, given the potential for neighbouring premises to seek the same additional hours to prevent rivals gaining a commercial advantage.
- 7.3 A list of premises in the local area and their licensed hours and activities is provided at appendix B.

8.0 Location

- 8.1 A map which identifies the location of this premise is attached at Appendix C.

9.0 Representations

- 9.4.1 The application has attracted representation from other persons.
- 9.4.2 The Licensing Section is in receipt of a letter of objection on the grounds of public nuisance. A copy of which may be found at Appendix E.

10.0 Options Available to Members

10.1 The licensing sub-committee must take such of the following steps as it considers appropriate for the promotion of the licensing objectives:

- Grant the application as requested.
- Grant the application whilst imposing additional conditions and/or altering in any way the proposed operating schedule.
- Exclude any licensable activities to which the application relates.
- Refuse to specify the said person as the designated premises supervisor.
- Reject the whole or part of the application.

10.2 Members of the licensing sub committee are asked to note that they may not modify the conditions or reject the whole or part of the application merely because it considers it desirable to do so. It must actually be appropriate in order to promote the licensing objectives.

Dear Sir

Leeds Premier Fitness Centre Ltd, 401 Selby Road, Leeds, LS15 7AX

I am writing regarding the Premises Licence Application seeking consent to sell alcohol at the above address submitted by Michael Tattershall.

The Co-operative Funeralcare operate a Funeral Home located at 1 Hollyshaw Lane, Whitkirk, Leeds LS15 7BA directly below the Fitness Centre.

We wish to object on the grounds that selling alcohol at the premises will cause disturbance to staff and customers at our premises by virtue of additional customer numbers and noise.

The proposed operational hours as applied for in the License Application exceed the trading hours of the Fitness Centre as permitted by Planning Permission 13/05709/FU (attached).

Specifically the permitted trading hours under the Planning Permission – Condition 3 are:

08:00 to 22:00 Monday to Saturday and 09:00 to 22:00 on Sunday. These restrictions are to protect residential amenity with the inference of the condition being additional hours would cause loss of amenity and disturbance to neighbors.

- 3) The hours of opening of the use shall be restricted to 08 00 hours to 22.00 hours (Mon-Sat) and 09.00 hours to 20.00 hours (Sun)

In the interests of amenity in accordance with UDP Review (2006) policy GP5

The Licence application shows intended opening to 23:00 Friday and Saturday and 22:30 on Sunday. The hours applied for the the Licence Application would breach the Planning Conditions.

This would lead to unacceptable levels of disturbance and would constitute a breach of Planning control.

Yours Faithfully

Important Information about Your Planning Permission

Town and Country Planning (Development Management Procedure) (England) Order 2010

This decision notice only relates to the grant of planning permission. It does not give any approval or consent which may be needed under any legislation, enactment, bye-laws, order or regulation other than the Town and Country Planning Act 1990 as amended. You may need other approvals, consents or licenses for the development eg building regulations approval.

This permission is granted in strict accordance with the approved plans. It should be noted however that:

- (a) A variation from the approved plans following commencement of the development is likely to constitute unauthorised development and may be liable to enforcement action.
- (b) Variation to the approved plans will require the submission of a new planning application.

Town and Country Planning Act 1990

Grant of Full Planning Permission

This planning permission is granted subject to conditions. Please read the conditions carefully and make sure that you understand what is required to comply with them. It is the responsibility of the owner(s) and the person(s) implementing the development to ensure that the approved plans and these conditions are complied with throughout the development and beyond. Failure to comply with any of the conditions may result in enforcement action.

Conditions which require work to be carried out or details to be approved prior to commencement are very important and are called '**conditions precedent**'.

This means:

- (a) If a condition precedent is not complied with, the whole of the development might be unauthorised and you may be liable to enforcement action.
- (b) Where a condition precedent is breached and the development is unauthorised, the only way to rectify this is by the submission of a new application to obtain a fresh planning permission.

A fee of £97 per request or £28 if the request relates to a householder application is payable to discharge condition(s). The request needs to identify the planning application number and the condition(s) concerned; a form is available from our website www.leeds.gov.uk/planningforms titled Approval of Details application form.

Appeals to the Secretary of State

If you are aggrieved by the decision of your local planning authority to grant permission for the proposed development subject to conditions, then you can appeal to the Secretary of State under section 78 of the Town and Country Planning Act 1990 as amended.

If you want to appeal, you must do so within **six months** of the date of this notice, using a form which you can obtain from <http://www.planningportal.gov.uk/planning/appeals> or by email from enquiries@pins.gsi.gov.uk or by phoning 0303 444 5000.

The Secretary of State can allow a longer period for giving notice of an appeal, but will not normally be prepared to do so unless there are special circumstances which excuse the delay in giving notice of appeal.

You must send one copy of the completed form to planning.appeals@leeds.gov.uk or Appeals Administration, Planning Services, Leeds City Council, The Leonardo Building, 2

The council will take into account the existing pattern of licensed premises in an area when considering what is appropriate to promote the objectives. Applicant name:	Desmond Pheby	
Business name:	Laker 2 ltd (work on	ENTERTAINMENT LICENSING 15 MAY 2015 RECEIVED Postcode: LS2 8LX
Business address:	44A Woodhouse Lane Leeds,	

Guidance about this document

1. The Licensing Authority recommends that you complete this specially designed pro forma risk assessment to help you decide what should be entered in your operating schedule to show how you will promote the four licensing objectives.
2. Whilst the Licensing Authority cannot insist that you use this document it takes the view that it assists responsible authorities in assessing the operating schedule, promotes discussions and partnership working and will reduce the number of representations and hearings.
3. If you do not use this risk assessment pro forma then you will need to demonstrate how you will meet the licensing objectives by providing other supporting evidence via your operating schedule.
4. The Licensing Authority strongly recommends that you consult with the responsible authorities early in the application process to ensure that the measures you are suggesting are appropriate and sufficient for your application. Contact details for the responsible authorities are in the guidance note in the application pack. Please contact Entertainment Licensing if you cannot find this information.

How to use this document

1. This document has four sections which correspond with the four licensing objectives. In each section you will find information on potential control measures (each with an individual code) which we suggest may help you meet the four licensing objectives.
2. Run through the questions at the beginning of each section and consider the potential control measures listed in the columns beneath.
3. If you are happy to volunteer the control measures as part of your application place a tick in the relevant box in the right hand column. You can then enter the corresponding codes in page 14 of your application form in the boxes which match up with the licensing objectives or simply write "see pro forma risk assessment". These measures will then appear on your licence.

Area 1 relates to the city centre. West Yorkshire Police have provided information that the nature of the city centre is such that the problem areas and cumulative impact is directly related to the style of businesses opening in that area and their clientele.

In addition the close proximity of a number of venues on a street can result in difficulties in identifying individual premises as causing problems which can be dealt with via an action plan or a review process.

As a consequence the closure or opening of businesses can have a dramatic effect on reported crime and reported incidents in an area. While individual premises are dealt with using the review process, there are areas in Leeds city centre which may temporarily become saturated as new businesses open or existing businesses change their style of operation.

In addition the council recognises that a previous problem area can be improved by the introduction of new styles of business types, such as food led premises, and seeks to encourage this.

This dynamic nature has created difficulties in setting a policy for the city centre that will be relevant for five years until the next formal review. Therefore the council will adopt an approach of designating areas within the city centre CIP as 'red' or 'amber' based upon an analysis of night time economy related issues that are relevant to the licensing objectives. Areas that are considered highly saturated will be designated as red areas.

The council will seek to refuse all applications in these **red areas** on the basis that the impact on the licensing objectives are at such a level that the area cannot support any more premises opening or extending their hours no matter how impressive the concept or application is. The council will only grant applications in the red zone in exceptional cases.

An **amber area** is an area which is of concern based upon an analysis of night time economy related issues that are relevant to the licensing objectives, and the council will expect applicants to offer additional measures tailored to the problems in that area.

All other areas within the city centre CIP will be designated **green areas** where good quality applications will be generally be more acceptable even though the area is a CIP area.

It is the council's policy, on receipt of relevant representations, to

- refuse new and variation applications in the red area
- to seek additional measures for new and variation applications in the amber area
- To seek good quality applications for application in the green area

This applies to alcohol led premises such as bars, pubs and nightclubs, and for premises seeking late night refreshment such as takeaways and late opening restaurants.

The Licensing Act 2003 Statement of Licensing Policy 2014-2018 recognised that the night time economy in Leeds City Centre is dynamic and constantly changing. The council want a cumulative impact policy that can respond to the changing nature of the city centre and so provides this additional document which is reviewed every twelve months to ensure that the CIP zones remain relevant and current with regards to West Yorkshire Police data.

Changes in the last year

West Yorkshire Police has produced a crime and calls for service report "Analysis of Leeds City Centre high volume night-time economy related crime" dated 19/09/2014 which has been referred to when reviewing the red and amber zones for 2015. This report is referred to as the Police report in this document.

There are two distinct areas in the city where extra police resources are deployed on a regular basis. These areas are the Call Lane area and the Albion Street/Woodhouse Lane area. Premises in those areas also deploy street marshals at their own expense as it has been recognised that incidents on the street require extra attention and that early intervention can prevent an escalation in the severity of incidents on the street.

Call Lane Red Area

The Police report shows that the hotspot area of Call Lane is moving slightly west. The block of premises bounded by Briggate (also known as lower Briggate), Call Lane and Duncan Street is predominantly the hot spot area this year, with the emphasis being taken away from the area behind the Corn Exchange. This could be a temporary shift as a number of premises have closed on Assembly Street, but still retain a licence. West Yorkshire Police Licensing Department still report ongoing work with premises in this area, with action planning and reviews of licence premises occurring in the last 12 months. Therefore although the crime statistics show a drop in incidents when compared to previous years, this area remains in the red area this year due to the increase in enforcement action taken by West Yorkshire Police.

Since the last review in December 2013, the council has moved forward with the Lower Kirkgate Townscape Heritage Initiative (THI) which is a regeneration programme that seeks to bring back into use a number of vacant or underused historic properties in the area. This area was included in the red area of the cumulative impact policy in 2012, as there were concerns about dispersal of problems from the Call Lane area into this area of Kirkgate. The Police report shows that although Kirkgate is on the top streets list, there has been a reduction year on year (figure 6 in the Police report). Therefore this area has been removed from the red area and is now included in the amber area.

The council still considers that the proximity of this area to the late night economy in Call Lane and Lower Briggate is of a concern, and so has placed this area in the amber area to ensure that new businesses in this area provide a different style of premises to the late night bars and nightclubs which are saturating the red area.

Albion Street/Woodhouse Area

The police report clearly shows an increase in calls for service in Albion Street and Woodhouse Lane which evidences nuisance in this area. This remains a busy area during the post-midnight weekend hours with an increase in calls for service of 5.4% for Albion Street and 16.8% for Woodhouse Lane.

The top ten streets in the Calls for Service table are:

1. Briggate
2. Great George Street
3. Call Lane
4. The Headrow
5. Boar Lane
6. Albion Street
7. Woodhouse Lane
8. New York Street
9. New Briggate
10. Millgarth Street.

Great George Street, New Briggate and Millgarth Street have seen a reduction in calls for service from the preceding 12 months. This shows two clear areas where the calls for service are high – the Call Lane/Briggate/Boar Lane area which is already covered by the red area. The other main area is Albion Street, Woodhouse Lane and the Headrow.

In addition the Police report shows that this area remains a hotspot for robbery, assault and theft. For these reasons this area is now included in the red zone as the cumulative impact of the number of premises in this area has a direct impact on crime and disorder in this area.

Merrion Street

In the past year a new night time economy area has been developed at the north end of New Briggate, around a side street which is an extension of Merrion Street. There are a number of new late night bars, with a food offer opening in this area in the last year. With the imminent opening of three more premises in this area, it is expected that this part of the city will become very busy and vibrant after midnight.

The Police report shows a slight increase in calls for service (Appendix 1 to the Police report “Analysis of Leeds City Centre High Volume Night-time Economy Related Crime”), which shows a small increase in nuisance in this area.

This area remains in the amber area this year, as this provides the most flexibility to negotiate with applicants regarding safeguards that can be put in place to prevent this area becoming a crime or nuisance hotspot.

Conclusion

The review of the cumulative impact of licensed premises on the city centre shows:

- A continuation of the problems being experienced in the Lower Briggate, Call Lane, Duncan Street triangle
- A reduction of problems in the Assembly Street area which may be temporary
- The removal of the Kirkgate area from the red area to encourage development in this area
- An increase in calls for service indicating nuisance being experienced in the Albion Street area
- Although crime stats are down in the Albion Street Area they still remain high for the city centre, and so are highlighted as a crime hotspot
- An increase in the number of premises in the Merrion Street area which at the moment have not shown an increase in problems in the area

RE: WOK & GO, 44A, WOODHOUSE LANE, LEEDS, LS2 8LX
 APPLICATION FOR NEW PREMISES LICENCE – LICENSING ACT 2003:
POLICE – LETTER OF REPRESENTATION – CUMULATIVE IMPACT POLICY:

Thank you for submitting your application for the above premises, received at the address above on 15th May 2015.

The application relates to premises which fall within one of the areas of Leeds currently subject to a policy of cumulative impact, as detailed in the present Statement of Licensing Policy 2014-2018, issued by Leeds City Council as the licensing authority.

The area concerned in this particular case is **Area 1 Leeds City Centre**.

Therefore, in line with the current statutory guidance issued by the Secretary of State under Section 182 Licensing Act 2003, West Yorkshire Police make representations based on the cumulative impact policy of the area concerned and highlighted above, where the licensing objectives and particularly the prevention of crime and disorder and prevention of public nuisance objectives, are being adversely affected.

The proposed premises are located in a current red zone in the cumulative impact area. The Council's policy states:

"The council will seek to refuse all applications in these red areas on the basis that the impact on the licensing objectives are at such a level that the area cannot support any more premises opening or extending their hours no matter how impressive the concept or application is. The council will only grant applications in the red zone in exceptional cases", and

NOT PROTECTIVELY MARKED

"This applies to alcohol led premises such as bars, pubs, and nightclubs, and for premises seeking late night refreshment such as takeaways and late opening restaurants".

The location of this proposed restaurant/take-away is Woodhouse Lane.

This area of the city – Albion Street/Woodhouse Lane – has recently been included in the red area of the Council's Cumulative Impact Policy (CIP) 2014 – 2018, from January 2015 following a police statistical update to the Licensing Authority. Even though it has only just been included in the red zone of the CIP this is an area which has demanded increased police resources and attention for many years. June 2010 saw the introduction of a street marshal scheme in that area which operators fund themselves to try and assist in the reduction of on-street crime. It is an acknowledgement that they all bear a collective responsibility for what occurs on the street in that area.

This is the second challenge to the Cumulative Impact Policy in this area of the city since it was designated 'red'. The first is yet to be heard before the Licensing Sub-Committee.

The area includes premises such as Tiger Tiger, McDonald's, Subway, Colazione, Maluko, Pryzm, Yates, Hedley Verity (Wetherspoons), and the Merchant. It is an alcohol related violent crime hotspot with peaks of offences of assault/affray, robbery and theft from midnight onwards. Albion Street has been in the top 3 streets for offences from 2010 to 2012 and has shown an increase in calls for service in more recent years.

Extra police resources are deployed to this area on Friday and Saturday evenings, and over Bank Holiday weekends, in an attempt to help reduce the crime and disorder associated with people frequenting the large amount of licensed premises in the immediate area. These crimes/incidents range from thefts and robberies to public order offences, assaults, serious disorder and also sexual offences.

The saturation of the area is such that determining which venues may bear some responsibility for the issues is practically impossible, and means that they cannot be dealt with by way of review or enforcement meetings. A strong Cumulative Impact Policy is therefore imperative to prevent already existing venues extending their licensable hours, and to prevent further premises licences being granted in that area which would add to the considerable impact already being felt.

The current application is for a restaurant/takeaway for operating hours up until 02:00hrs Sunday (into Monday) through to Thursday (into Friday), and 03:30hrs Friday (into Saturday) through to Saturday (into Sunday), and therefore falls within all peak crime times.

Conditions in relation to CCTV, door staff, an incident report register, and a BACIL radio have been offered in the application but their implementation would do little to persuade us that operating during peak crime times would not impact adversely on the area. The majority of other premises in the area all have these measures in place and the area remains problematic.

In order to convince the Licensing Authority of an exceptional case you may like to consider reducing the hours applied for so that the application does not fall within the scope of the CIP.

I do not feel that this application demonstrates an exceptional case. We already have a number of late night refreshment venues in the area and elsewhere in the city and they act as a beacon to inebriated people who then clash inside and directly outside the premises.

Therefore, in terms of location (RED ZONE), and in terms of applying to operate as a late night restaurant/take-away until 02:00hrs Sunday to Thursday, and 03:30hrs Friday through to Saturday, West Yorkshire Police consider that this application implicates the current policy of cumulative impact for

Dear Sir

Wok and Go, 44A Woodhouse Lane, Woodhouse, Leeds LS2 8LX
Application for a new premises licence
Licensing Act 2003

Thank you for submitting your application for the above premises, received at the address above on 15th May 2015.

The area in which the subject premises are located is within a cumulative impact area. It is the council's policy, on receipt of relevant representations, to refuse new and variation applications in this area for alcohol led premises such as bars, pubs and nightclubs and for premises seeking late night refreshment such as takeaways and late opening restaurants, unless the applicant can demonstrate that their application would not impact on the cumulative effect of such licensed premises in the area.

Specifically your application falls within the red area of the City Centre CIP. As stated at 7.20 of the Statement of Licensing Policy 2014 to 2018 the council will seek to refuse all applications in these red areas on the basis that the impact on the licensing objectives are at such a level that the area cannot support any more premises opening or extending their hours no matter how impressive the concept or application is. The council will only grant applications in the red zone in exceptional cases. It will be for you to advise the council how your application would be an exceptional case.

In addition, I refer you to 7.51 to 7.53 of the Policy which describes how, when considering the presumption against grant in a CIP area, the council will need to be satisfied that the grant will not impact on the cumulative impact of existing licensed premises in the area.

INVESTOR IN PEOPLE

Applicants will often suggest measures which they assert will demonstrate there will be no impact. Examples of factors the licensing authority may consider as demonstrating there will be no impact may include, though are not limited to:

- Small premises who intend to operate before midnight.
- Premises which are not alcohol led and only operate during the day time economy
- Instances where the applicant is relocating their business to a new premises but retaining the same style of business.
- Conditions which ensure that the premises will operate in a particular manner such as a minimum number of covers or waiter/waitress service to secure a food led operation.

Examples of factors the licensing authority will not consider as meeting the standard of rebuttal include:

- That the premises will be well managed and run as all licensed premises should meet this standard
- That the premises will be constructed to a high standard
- That the applicant operates similar premises elsewhere, such as in another licensing authority area, without complaint

As the licensing authority is of the opinion that your application contains insufficient information about how your application would not add to the impact already being experienced in the area, we are submitting a formal representation against your application on the grounds of:

1. Prevention of crime and disorder
2. Public nuisance

As your application is in the red zone we are unlikely to withdraw our representation even if you provide us with further information on how your application does not add to impact. The licensing sub-committee will make a decision in this case, unless you can show us how your application does not meet the scope of the cumulative impact policy.

I enclose the guidance note relating to the cumulative impact policy.

Should you have any questions, please contact us.

Yours faithfully
