2.3 Also on the 19th August 2015 an application was received to vary the Dps to Mr Shores Hatah Mohammed, this was successful.

2.4 On the 5th February 2016 an application for a review of the premises licence was submitted by the Licensing Authority. This application was submitted due to persistent breaches of the premises licence conditions, mainly with regards to the CCTV. This application was heard before the sub-committee on the 5th April 2016. As the CCTV issues had been addressed the members served Mr Amiri with a warning that the premises will be closely monitored by West Yorkshire Police and the Licensing Authority.

2.5 On the 12th February 2016 an application was received to vary the Dps to Mr Amiri , this was successful.

Other representations

- 6.4 There are no other representations.

7 Licensing hours

- 7.1 Members are directed to paragraphs 6.8 to 6.15 for the Statement of Licensing Policy which states the criteria that will be applied to any decision for new applications or variations which include extending hours.
- 7.2 In brief the Policy states at 6.14 that restrictions may be made to the proposed hours of use where, after receiving relevant representations, the council considers it appropriate for the promotion of the licensing objectives to do so. The council will take into account the existing pattern of licensed premises in an area when considering what is appropriate to promote the objectives. Applications which are significantly out of character for a locality will need to demonstrate that granting the hours sought will not impact on the licensing objectives, given the potential for neighbouring premises to seek the same additional hours to prevent rivals gaining a commercial advantage.
- 7.3 A list of premises in the local area and their licensed hours and activities is provided at appendix F,

8 Equality and diversity implications

- 10.1 At the time of writing this report there were no implications for equality and diversity. Any decision taken by the licensing subcommittee will be in accordance with the four licensing objectives as prescribed by the Licensing Act 2003.

9 Options available to Members

- 9.1 The licensing subcommittee must take such of the following steps as it considers appropriate for the promotion of the licensing objectives:
- Grant the variation as requested.

- Grant the variation whilst imposing additional conditions and/or altering in any way the proposed operating schedule.
- Reject the whole or part of the application.

9.2 Members of the licensing subcommittee are asked to note that they may not modify the conditions or reject the whole or part of the application merely because it considers it desirable to do so. It must actually be appropriate in order to promote the licensing objectives.

- 1 The Licensing Authority recommends that you complete this specially designed pro forma risk assessment to help you decide what should be entered in your operating schedule to show how you will promote the four licensing objectives
- 2 Whilst the Licensing Authority cannot insist that you use this document it takes the view that it assists responsible authorities in assessing the operating schedule, promotes discussions and partnership working and will reduce the number of representations and hearings
- 3 If you do not use this risk assessment pro forma then you will need to demonstrate how you will meet the licensing objectives by providing other supporting evidence via your operating schedule
- 4 The Licensing Authority strongly recommends that you consult with the responsible authorities early in the application process to ensure that the measures you are suggesting are appropriate and sufficient for your application. Contact details for the responsible authorities are in the guidance note in the application pack. Please contact Entertainment Licensing if you cannot find this information

Dear Mrs Chodha

Licensing Act 2003

Name and Address of Premises: Biebdronka, 225 Roundhay Road, Leeds, LS84HS

Letter of Representation – Full Objection.

We refer to your licensing application for the above premises. We believe that your application does not give enough information about how you intend to meet an important objective of the licence, which is to prevent public nuisance. We therefore confirm that we are submitting a formal objection to your application.

The premises comprise a ground floor grocery shop and off License. The premises have residential flats above them and shops either side. The shop in question is located in the area shown on the attached map at appendix A.

The current opening hours of the premises (for the retail sale of alcohol) are as follows:

7:00 hours to 24:00 hours every day.

Proposed opening hours 0.00 hours to 24:00 hours every day.

The applicant is now seeking to sell alcohol for 24 hours. It is my understanding after a site visit 31/1/19, that the shop intends to sell alcohol through a serving hatch through the night pointing wards the street on Roundhay Road.

Impact on neighbouring properties (Late night noise and disturbance)

Given that there are residential properties situated close to the application premises, notably flats above 225 Roundhay Road, the Department has some concerns that the extended hours of the sale of alcohol will generate noise nuisance complaints by way of comings and goings of customers, noise from customer's vehicles (car horns, banging doors, car stereos, engines revving etc).

The shop will also attract local youths who will congregate outside the shop during the night and early hours, particularly during the summer making noise and disturbing the local residents. The serving hatch puts the point of purchase out in the street, which could also cause noise disturbance to the residents.

Planning permission was granted by Leeds City Council on the 21 August 2007 with opening hours of premises at 225 – 227 Rounday Road, to be restricted to 8:00 hours to 00:30 hours Monday to Sunday in the interests of the amenity of nearby residents.

In view of the above concerns, Leeds City Council's Health and Environmental Action Service (HEAS) fully objects to this application as there is a greater potential for public nuisance to noise sensitive occupants which will undermine the prevention of public nuisance objective of the Licensing Act 2003.

Yours sincerely

Good Morning,

Further to our telephone conversation, I have read through the application for variation and there are several conditions that have been offered which I feel would not be of benefit to the applicant.

Therefore I would recommend the removal of the following suggested conditions:

- The minimum number of door supervisors for the premises is _____
- The Premises Licence Holder (PLH)/Designated Premises Supervisor (DPS) will ensure that a Daily Record Register is maintained on the premises by the door staff
- The Daily Record Register will contain consecutively numbered pages, the full name and registration number of each person on duty, the employer of that person and the date and time he/she commenced duty and finished duty (verified by the individuals signature)
- The Daily Record Register will be retained on the premises for a period of twelve months from the date of the last entry
- Security staff/designated supervisors will be familiar with the premises policy concerning the admission, exclusion and safeguarding of customers whilst in the premises
- A policy for searching patrons at the entrance to the premises will be adopted and prominently displayed on the premises
- The PLH/DPS will inform West Yorkshire Police as soon as practicably of any search resulting in a seizure of drugs or offensive weapons
- A suitable purpose-made receptacle for the safe retention of illegal substances will be provided and arrangements made for the safe disposal of its contents as agreed with West Yorkshire Police or British Transport Police
- Notices will be prominently displayed at the entrances of the premises which state:
 - a search will be conducted as a condition of entry to premises;
 - Incidents of crime and disorder will be reported to the police and a full recorded entry will be made in the incident report register.
 - Entry to the premises will be refused to any person who appears to be drunk, acting in a threatening manner or is violent; or appears to be under the influence of drugs
- entry will be refused to any person who has been convicted of an offence of drunkenness, violent or threatening behaviour or the use or distribution of illegal substances

- Drinks, open bottles and glasses will not be taken from the premises at any time. Empty bottles and glasses will be collected regularly and promptly. Glass and other sharp objects will be stored and disposed of safely using suitable receptacles. Receptacles will be secured and not accessible to the customers
- The PLH/DPS will prominently display notices which inform customers that open bottles or glasses may not be taken off the premises

Please can I ask agreement is made with reply to all on this email and it is done by 14th February 2017.

If you have any concerns or queries to this suggestion, please do not hesitate to contact me.

Kind regards
