**Summary of Main Issues**

This is an application for the grant of a premises licence made by Azzurri Restaurants Limited for Ask, Unit C, 14 - 22 Lands Lane, Leeds, LS1 6LB.

The application is made in respect of a premises wishing to operate as an Italian style restaurant consisting of ground floor and basement level layouts with additional outside seating.

Members should note that these premises reside within the 'Amber Zone' of the Leeds City Centre Cumulative Impact Area. Further information on the policy in place for this area is included within this report.

Responsible authorities and Ward Members have been notified of this application.

The application has attracted a single representation from West Yorkshire Police which suggests additional measures in order to promote the prevention of crime and disorder licensing objective. No agreement has been reached with applicant in relation to such measures.

## **1 Purpose of this Report**

- 1.1 To advise Members of an application made under Section 17 of the Licensing Act 2003 ("the Act") for a new premises licence in respect of the above mentioned premises.
- 1.2 Members are required to consider this application due to the receipt of representations.

## **2 History of the Premises**

- 2.1 This is the first application for a premises licence for these premises.

## **3 The Application**

- 3.1 The applicant's name is Azzurri Restaurants Limited.
- 3.2 The proposed designated premises supervisor is Adam William Lindop.
- 3.3 In summary the application is for:

### *Sale by Retail of Alcohol*

<i>Monday to Saturday</i>	<i>09:00 until 00:00 hours</i>
<i>Sunday</i>	<i>10:00 until 22:00 hours</i>

### *Late Night Refreshment*

<i>Monday to Saturday</i>	<i>23:00 until 00:30 hours</i>
---------------------------	--------------------------------

### *Recorded Music*

<i>Monday to Saturday</i>	<i>09:00 until 00:30 hours</i>
<i>Sunday</i>	<i>10:00 until 22:30 hours</i>

### *Non standard timings*

*From the end of permitted hours on New Year's Eve, to the beginning of permitted hours on New Year's Day.*

## **4 The Operating Schedule**

- 4.1 The applicant proposes to promote the licensing objectives by taking the step identified in Section A of the operating schedule. A copy of which is attached at Appendix A.

## **5 Location**

- 5.1 A map which identifies the location of these premises is attached at Appendix B.

## **6 Representations**

- 6.1 Under the Act representations can be received from responsible authorities or other persons. Representations must be relevant and, in the case of another person, must not be frivolous or vexatious.

## Representations from Responsible Authorities

- 6.2 This application has attracted a single representation from West Yorkshire Police in their capacity as a responsible authority.
- 6.3 The representation suggests additional measures such as CCTV conditions, an incident report register, maintaining a minimum number of covers and alcohol sale being ancillary to food sales.
- 6.4 Each of these measures can be viewed in a copy of the representation attached at Appendix C of this report.

## Other representations

- 6.5 There are no other representations.

## **7 Cumulative Impact Policy**

- 7.1 The premises are located within the 'Amber Zone' cumulative impact area for Leeds City Centre.
- 7.2 Cumulative impact means the potential impact on the promotion of the licensing objectives due to the significant number of licensed premises concentrated in one area.
- 7.3 An applicant wishing to obtain a new licence for premises falling within any of the cumulative impact areas must identify, through the risk assessment process and/or the operating schedule, the steps they intend to take so that the council and responsible authorities can be satisfied that granting a new licence would not add to the impact already being experienced.
- 7.4 Details of the cumulative impact policy specific to Leeds City Centre and an outline of the evidence behind the reason for setting this policy is attached at Appendix D.
- 7.5 Members are directed to paragraphs 7.51 to 7.54 of the Statement of Licensing Policy which provides examples of how an application may be considered exceptional and the matters that the council would not normally take into consideration.

## **8 Licensing Hours**

- 8.1 Members are directed to paragraphs 6.8 to 6.15 of the Statement of Licensing Policy which states the criteria that will be applied to any decision for new applications or variations which include extending hours.
- 8.2 In brief the Policy states at 6.14 that restrictions may be made to the proposed hours of use where, after receiving relevant representations, the council considers it appropriate for the promotion of the licensing objectives to do so.
- 8.3 The council will take into account the existing pattern of licensed premises in an area when considering what is appropriate to promote the objectives. Applications

which are significantly out of character for a locality will need to demonstrate that granting the hours sought will not adversely impact on the licensing objectives.

8.4 A list of premises in the local area and their licensed hours and activities is provided at Appendix E.

## **9 Equality and Diversity Implications**

9.1 At the time of writing this report there were no implications for equality and diversity. Any decision taken by the licensing subcommittee will be in accordance with the four licensing objectives as prescribed by the Licensing Act 2003.

## **10 Options Available to Members**

10.1 The licensing subcommittee must take such of the following steps as it considers appropriate for the promotion of the licensing objectives:

- Grant the application as requested.
- Grant the application whilst imposing additional conditions and/or altering in any way the proposed operating schedule.
- Exclude any licensable activities to which the application relates.
- Refuse to specify the said person as the designated premises supervisor.
- Reject the whole or part of the application.

10.2 Members of the licensing subcommittee are asked to note that they may not reject the whole or part of the application merely because they consider it desirable to do so. It must be appropriate in order to promote the licensing objectives.

**APPLICATION FOR A PREMISES LICENCE – LICENSING ACT 2003:**  
**POLICE – LETTER OF REPRESENTATION – ‘QUALIFIED’ OBJECTION:**

Thank you for submitting your application for a new premises licence at the above address which we received on 22nd May 2017.

The premises are situated in an area of the Leeds City Centre, which is currently subject to a policy of Cumulative Impact, as identified in the current 2014-2018 Statement of Licensing Policy of Leeds City Council.

This particular area of the City, is classed as being an “amber area”.

In accordance with the licensing authority’s document quoted above, as an amber area, on receipt of relevant representations to promote the licensing objectives, it is the council’s policy to seek additional measures, to address the problems associated within that area.

West Yorkshire Police are of the opinion that your application contains insufficient information about how you intend to meet the licensing objectives in this increasingly popular and busy area of the city.

We therefore confirm that we are submitting a formal representation against your application on the grounds of:-

1. the prevention of crime & disorder
2. public safety

We would also not agree with the necessity to include the outside area marked on the plan in red as part of the licensed area – unless there is an intention to have a mobile bar with the sale of alcohol or other

licensable activity outside on the street. This area can be covered by a street café licence. We do not view payment transactions with mobile hand held devices as being the 'sale of alcohol' – the sale occurs where the alcohol is appropriated to the contract – inside the premises. We therefore ask that the plans be amended to show no external licensed area.

West Yorkshire Police are of the opinion that the licensing objectives could be met should you be prepared to incorporate certain identified measures within your operating schedule, in **addition** to what you may have offered in your application.

Please find enclosed a document which at **Part 1** contains the suggested measures which this authority considers are proportionate and appropriate to the nature of your application.

Should you be in agreement with the suggested measures then please signify this by completing and signing **Part 2** of the enclosed form and return the complete document to this office as soon as possible.

Upon receipt of your consent at **Part 2**, it will be taken that you signify your wishes for the licensing authority to amend your operating schedule to incorporate the proposed measures.

Alternatively should you disagree with the proposed measures, then please complete **Part 3** and again return the complete document to this office as soon as possible.

---

### **PART 1 - to be completed by the Responsible Authority:**

**West Yorkshire Police** propose the following control measures under the Licensing Act 2003 (in **addition** to those that you may have already offered), for the premises-:

**ASK  
UNIT C  
GROUND FLOOR & BASEMENT  
14-22, LANDS LANE  
LEEDS  
LS1 6LB**

Having considered the application under the Licensing Act 2003 for the above premises, West Yorkshire Police considers that the following measures are relevant, proportionate and necessary in order to promote the following licensing objectives-:

- the prevention of crime & disorder
- public safety

#### **Measures / Additional measures proposed:**

- A suitable Closed-Circuit Television (CCTV) system will be operational at the premises at all times when licensable activities are being carried out and at any other times where members of the public are present on the premises.
- The CCTV system will cover all areas of the premises occupied by the public under the terms of the licence, including corridors and stairways (excluding WCs and changing rooms).
- The CCTV system will cover the main entrance/s and exit/s and designated emergency egress routes from the premises.
- The CCTV system will contain the correct time and date stamp information.

NOT PROTECTIVELY MARKED

## NOT PROTECTIVELY MARKED

- The CCTV system will have sufficient storage retention capacity for a minimum of 31 days' continuous footage which will be of good quality.
- A designated member / members of staff at the premises will be authorised to access the CCTV footage and be conversant with operating the CCTV system. At the request of an authorised officer of the Licensing Authority or a Responsible Authority (under the Licensing Act 2003) any CCTV footage, as requested, will be downloaded immediately or secured to prevent any overwriting. The CCTV footage material will be supplied, on request, to an authorised officer of the Licensing Authority or a Responsible Authority.
- The PLH/DPS will ensure that an Incident Report Register is maintained on the premises to record incidents such as anti-social behaviour, admissions refusals and ejections from the premises.
- The Incident Report Register will contain consecutively numbered pages, the date time and location of the incident, details of the nature of the incident, the names and registration numbers of any door staff involved or to whom the incident was reported, the names and personal licence numbers (if any) of any other staff involved or to whom the incident was reported, the names and numbers of any police officers attending, the police incident and / or crime number, names and addresses of any witnesses and confirmation of whether there is CCTV footage of the incident.
- The Incident Report Register will be produced for inspection immediately on the request of an authorised officer and retained on the premises for at least 12 months after the date of last entry.
- The premises shall be and remain predominantly food led.

An agreed number of covers will be maintained at all times the premises are operating.

- The number of covers will be \_\_\_\_\_
- The sale/supply of alcohol shall only be made to accompany the sale of food. This does not preclude the sale/supply of alcohol to a person waiting to be seated in the restaurant or at the conclusion of the meal.

West Yorkshire Police are satisfied that the proposed measures are not adequately dealt with by other legislation.

By signing the declaration enclosed overleaf at **Part 2**, the applicant agrees to incorporate the proposed measures within the Operating Schedule for the said premises.

Upon the satisfactory completion of the declaration, West Yorkshire Police will provide notice to the Licensing Authority that our representation is withdrawn in accordance with schedule 10(a) of the Licensing Act 2003 (Hearings) Regulations 2005.

# Cumulative Impact Assessment

## City Centre – December 2016

Area 1 relates to the city centre. West Yorkshire Police has shared information and statistics that show that the nature of the city centre is such that the cumulative impact of licensed premises leads to problems that aren't experienced in other parts of the city and this can be attributed to the density of licensed premises in specific areas. The number and close proximity of venues on a street can result in difficulties in identifying individual premises as causing problems and so action planning and reviewing individual licences is not possible.

The closure or opening of businesses can have a dramatic effect on reported crime and incidents in an area. While problems at individual premises are dealt with using action planning and the review process, there are areas in Leeds city centre which become saturated as new businesses open or existing businesses change their style of operation.

In addition the council recognises that a previous problem area can be improved by the introduction of new styles of business types, such as food led premises and seeks to encourage this.

The dynamic nature of the city centre has created difficulties in setting a policy that will be relevant for five years until the next formal review of the Licensing Policy. Therefore the council has adopted an approach of designating areas within the city centre CIP as 'red' or 'amber' based upon an analysis of crime and disorder in the night time economy and will review these areas on an annual basis.

Areas that are considered highly saturated and that are experiencing particularly high levels of crime, disorder and/or nuisance will be designated as red areas. The policy states that the council will seek to refuse all applications in these **red areas** on the basis that the impact on the licensing objectives is at such a level that the area cannot support any more premises opening or extending their operation and that the council will only grant applications in the red zone in exceptional cases. Exceptional does not mean that an application is innovative or novel, but that it allows Members to make an exception to their policy. Those exceptional cases would be where the premises can demonstrate that they will not impact on the issues already being experienced in the area, i.e. by containing their operation within the hours of the daytime and early evening economy.

Any variation that will effectively increase the occupancy of premises will be viewed in a similar light to a new application as it may increase the available capacity in the same way a new premises in that area would, which in the red area would be unacceptable. Similarly new businesses seeking to introduce a new concept, and so attract different people into the area, may be acceptable in the amber area but in the red area the problems are exacerbated by the sheer number of people on the street during the peak hours and introducing a new or extended business, even with a different concept, would add to the impact rather than reduce it.

Management controls such as door staff will not be adequately effective in preventing an increase in the number of people within the red zone.

The **amber area** is an area which is of concern, based upon an analysis of issues within the night time economy that are relevant to the licensing objectives, and the council will expect applicants to offer additional measures tailored to the problems in that area. Applicants are strongly advised to consult with West Yorkshire Police and the licensing authority during their application process. By working together, the responsible authorities and businesses can establish working practices that reduce crime and disorder and so benefit the long term aims of the city to be a vibrant, thriving economy.

All other areas within the city centre CIP will be designated **green areas** where good quality applications will be generally be more acceptable even though the area is a CIP area.

It is the council's policy, on receipt of relevant representations, to

- refuse new and variation applications in the red area
- to seek additional measures for new and variation applications in the amber area
- to seek good quality applications for application in the green area

This applies to alcohol led premises such as bars, pubs and nightclubs, and for premises seeking late night refreshment such as takeaways and late opening restaurants.

Extra scrutiny is given to applications which appear to adopt a number of different styles during their trading. For example businesses that purport to be food led but seek late opening hours may be judged to be predominantly alcohol led due to their late night activities. It is for the applicant to demonstrate how their business will not impact on the licensing objectives.

## Changes in the last year

There are two distinct areas in the city where extra police resources are deployed on a regular basis. These areas are the Call Lane area and the Albion Street/ Woodhouse Lane area. Premises in those areas deploy street marshals at their own expense as it has been recognised that incidents on the street require extra attention and that early intervention can prevent an escalation in the severity of incidents on the street.

As police resources are reducing each year, priorities have been realigned. There has been a small reduction in the number of arrests for drunk and disorderly but an increase in assault. The increase in assaults could be due to early intervention methods being cut back, such as the street marshalling scheme and intervention at an early level (i.e. arresting people for being drunk and disorderly), and so the low level offences are escalating to the more serious assault charge.

The issues with disorder in the street on Call Lane has led to a road closure between 11pm and 5am on the Friday, Saturday and Sunday night which took effect in October 2015. The sheer numbers of people, often intoxicated, in the street during these hours highlights the need for the overall capacity of the red area to decrease, not increase.

The Council continues to receive applications within the areas designated as red. There has been a trend for existing operators to apply for minor and full variations to bring into use areas which were unlicensed previously. In all cases the premises licence holder has undertaken to keep their capacity the same. However this trend for increasing the licensed area is concerning as the ability to control capacity is difficult. Any application seeking an increase in floor space, even without an increase in stated capacity, can expect close scrutiny.

## Police Crime Reporting

West Yorkshire Police has produced a crime report "*2016-10 Night Time Economy – City v4*" dated October 2016 which has been referred to when reviewing the red and amber zones for 2017. This report is referred to as the Police report in this document. It uses reported crime figures from 01/09/2014 – 31/08/2016.

In 2014 Her Majesty's Inspectorate of Constabulary made recommendations to change crime recording practices. This resulted in an increase in the number of recorded crimes in West Yorkshire in 2015. Analysis of the changes in crime levels, along with a number of other measures, concluded that a proportion of these recent increases were related to administrative change rather than an increase in criminality. Specifically this change in recording practise has impacted on the level of 'violence against the person', in particular 'violence without injury' as many lower level offences were not previously being recorded.

The police report only compares statistics from the last two years, as the statistics are not comparable going further back than that due to the changes in the way in which crime is recorded.

The following data tables and key findings (signified by bullet points) have been extracted from the police report.

Figure 5 shows the offences during the NTE (18:00 – 05:59) between 01/09/2014 – 31/08/2016

The tables clearly show that there has been an increase in crime across the city centre. The police report conclusions state:

- An analysis of the examined offences shows overall offending in the City Centre has increased by 13% compared with the previous examined period.
- During 01/09/2015 – 31/08/2016 Assaults and Public order offences have seen the highest increases in terms of volume compared with the previous year. Public Order and Robbery offences have experienced the greatest percentage change. The majority of the examined offences experienced an increase with the exception of Drunk and Disorderly and Murder / Manslaughter offences.
- Assaults and Thefts have the highest number of offences with a licensed premises flag and experienced the greatest increases during the period 01/09/2015 – 31/08/2016 compared with the previous 12 months.
- Assaults continue to be the highest alcohol related crime, followed by Drunk and Disorderly offences. Only Drunk and Disorderly and Theft Non Specific offences had a reduction.

- Assaults and Thefts are the top offence categories for both the day time economy and night time economy. For both time periods, the highest increases were in Assaults and Public Order offences.
- In both the examined periods there are more reports of 'off street' offences than 'on street'. The number of assaults occurring 'on street' or 'off street' are fairly similar in both years. There are slightly more assaults which occur 'on street'.

## Street Level Data

The tables below relate to Leeds City Centre night time economy offending only (18:00 to 05:59) and show the top ten streets and the top ten streets of increasing concern for the night time economy offending. The table shows the percentage of the street compared with the city centre total as shown in Figure 5.

Figure 6 shows the top streets 01/09/2014 – 31/08/2016 during the night time economy.

These clearly show that the Briggate and Call Lane areas are responsible for 35% of crime reported in the city in the last year. 15% of crime was reported in the other red area of Albion Street/Woodhouse Lane.

The police report conclusions were:

- Call Lane, Briggate, Albion Street and Woodhouse Lane are the top streets for offending in the night time economy for both examined periods. These streets are located within the two city centre CIP red areas, supporting the view that both red areas should be maintained.

## Red Area Comparisons

The stated crime figures and time analysis is taken from offences occurring within the red outlining square, between 18:00 – 05:59. Assaults, theft from person, theft non-specific, robbery and sexual offences have been included in this analysis.

Figure 8: Call Lane red area for the period 01/09/2015 - 31/08/2015 and 01/09/2015 - 31/08/2016

The police report conclusions were:

- The Call Lane red area remains the predominant hot-spot area. Geo-spatial analysis shows the main risk area within the city centre is the area of Call Lane and Briggate. The highest concentration of offences remains in this area and has slightly extended compared with the previous 12 months, but still falling within the existing designated area. The peak time for offending in the Call Lane area is now 00:00 - 05:00.
- Within the Call Lane area, all the examined offences namely assaults, robberies, sexual offences and thefts have increased during 2015-2016 with assaults and theft from persons experiencing the largest gains.

Not only have all crimes increased in this area by 17%, the peak times have lengthened from midnight to 4am to midnight to 5am. The risk days have changed from Friday, Saturday and Sunday to Thursday, Friday and Saturday. Most worrying are the increases in assault and theft from person.

This shows not only how important it is that the number of people using this area during the night time does not increase but that it would be desirable for the number of people using this area during peak hours to reduce. Therefore any change to the current licences, either new premises or any increase in the operation of the existing premises should not have the effect of increasing visitors to the area.

Furthermore the Council will be investigating ways in which assault and theft can be reduced, in liaison with the operators and agencies.

In the last year the Licensing Authority has received three applications in this red area. One was for the lengthening of operating hours into the peak hours and was refused. The subsequent appeal was withdrawn before it was heard with all costs recovered from the appellant. Another application was received for a substantial increase in the size of the premises. The applicant agreed to a range of amendments to the application which took the operation of the additional area out of the peak hours for crime and disorder. The third was only partially granted but with the imposition of restrictive conditions.

Any operator seeking a variation to their current licence must be mindful of the problems being experienced in the area and must ensure that the additional measures they offer will result in no impact on the licensing objectives. A responsible operator will always be seeking ways in which they can contribute to the efforts made to reduce the crime statistics, and would not be satisfied with merely maintaining the status quo.

Figure 9 Map showing the Albion Street red area for the period 01/09/2015 - 31/08/2015 and 01/09/2015 - 31/08/2016

The police report conclusions were:

- Within the Albion Street / Woodhouse Lane Red area, the hot-spot areas have remained the same in both examined periods, specifically the bottom of Woodhouse Lane and top of Albion Street, as shown in Section 7.2. During the period 2015-2016 the peak time is 00:00 – 04:00, compared with 01:00 – 04:00 over the previous 12 months.

The licensing authority hasn't received any new or variation applications in the last year. However the overall 19% increase in crime and the lengthening of the peak hours is worrying.

As with the Call Lane/Lower Briggate area this shows not only how important it is that the number of people using this area during the night time does not increase but that it would be desirable for the number of people to reduce. Therefore any change to the current licences, either new premises or any increase in the operation of the existing premises should not have the effect of increasing visitors to the area.

Furthermore the Council will be investigating ways in which assault and theft can be reduced, in liaison with the operators and agencies.

**Cross Belgrave Street / Merrion Street / New Briggate:**

The following area is not a designated 'red area' in the existing CIP; although, it has been noted as an emerging area of popularity during the 'Night Time Economy'.

Figure 10: Map showing New Briggate area for the period 01/09/2015 - 31/08/2015 and 01/09/2015 - 31/08/2016

The police report conclusions were:

- Within the Merrion Street / New Briggate area the hot-spots have remained the same in both examined periods, as shown in Section 7.3. The peak time has extended from 01:00 – 02:00 to 01:00 – 04:00.

As reported last year, this area in Leeds has been developed in the north of the city and is proving very popular. The lengthening of the hot spot period and the overall 13% increase is in common with the two red areas. When compared to the other areas in the city, in figure 6, Merrion Street lies in 7<sup>th</sup> on both tables.

This area remains in the amber area this year, as this provides the most flexibility to negotiate with applicants regarding safeguards that can be put in place. However if crime levels increase further this area will be subject to further review next year and may face being placed in a red zone.

### City Centre A&E Assault data

A&E data and road traffic incidents data are new additions to the review this year. The licensing authority was keen to see the crime statistics in context to ensure that the peak times for reported incidents was supported by other data specific to the night time environment.

The police report states A&E data was provided for the period 01/09/2014 – 31/08/2016. A notable proportion did not have a location address or did not specify an exact address, for example “on street” or “on bus”. Assaults which could be attributed to occurring in the City Centre accounted for 12% of all assaults. Where the time of the assault could be ascertained, overall the peak time was 01:00 – 04:00, with secondary peaks between 23:00 – 01:00 and 04:00 – 05:00. 85% were recorded as being a male patient. Alcohol was the main contributing factor.

Figure 14 shows the top streets 01/09/2014 – 31/08/2016 for road traffic incidents during the night time economy.

The police report conclusions were:

- Overall there are more day time economy road related incidents than during the night time. OPL (over the prescribed limit) and Road Related offences were higher during the Night Time Economy.
- During the NTE the main hot-spots for 2014-2015 for Road Related Incidents were around Woodhouse Lane and the Boar Lane / Briggate / Call Lane area. There was also a concentration of incidents in the vicinity of the Headrow / Westgate area.
- Overall during 2015-2016 the peak time for Road Related incidents is 13:00 – 18:00, there was a secondary peak between 02:00 – 03:00. The area reduced around Woodhouse Lane. The hotspot around Boar Lane / Briggate/ Call Lane remained, however the number of incidents in this area reduced compared with the previous 12 months. Boar Lane experienced an increase in Road Traffic Incidents, however incidents halved on Call Lane. This is possibly due to the road closure in effect since October 2015 on Call Lane between 11:00 - 05:00 on a Friday, Saturday and Sunday night.

## Conclusion

With the police report conclusions in mind the Licensing Authority has determined that the red areas be maintained. Merrion Street/Cross Belgrave Street area and the Boar Lane areas will be closely monitored with a view to placing them in a red zone should the crime figures not improve in the next 12 months.

The increase in theft and violent crime in the two red areas is concerning. The council will work with the businesses and partners to establish if further work can be done to reduce these crime figures over the next 12 months.

The Licensing Committee will bear in mind that in the next 12 months there may be significant changes to the way late night levies can be introduced and may also consider the option of an early morning restriction order if these figures do not significantly reduce over the next 12 months.

Appendix number:		

**Executive Summary**

To advise Members of an Application for the certification of films to be shown at the Independent Directions Mini-Festival. The event will be held between the 14<sup>th</sup> and 16<sup>th</sup> July 2017.

**1.0 Purpose of this report**

1.1 This report informs Members with the background, history and issues of an application made under the Licensing Act 2003 (“the Act”) for the certification of films that do not currently have a BBFC (British Board of Film Classification) certification. Finally, this report informs Members of the options available to them when considering an application for the certification of films.

**2.0 Background information**

2.1 The Licensing Act 2003 applies to premises which provide film exhibitions. At present there are a total of 7 cinemas licensed in the Leeds District.

2.2 The majority of films shown in Cinemas will carry a Certificate from the BBFC the categories of which are as follows:

Category ‘U’ Passed for general exhibition

Category `PG`	Passed for general exhibition but parents/guardians are advised that the film contains materials they might prefer children under fifteen years not to see.
Category `12`	Passed as suitable only for exhibition to persons of twelve years and over. When a programme includes a `12` film, no persons under twelve years can be admitted.
Category `12a`	Passed as suitable for children under the age of 12 if accompanied by an adult.
Category `15`	Passed as suitable only for exhibition to persons of fifteen years and over. when a programme includes a `15` film, no persons under fifteen years can be admitted.
Category `18`	Passed as suitable only for exhibition to adults. When a programme includes an `18` film no persons under the age of eighteen years can be admitted.

2.3 In addition to licensing premises for film exhibitions, the Licensing Authority has a duty under Section 20 of the Licensing Act 2003 to categorise a film which is absent of a Certificate from a film classification body such as the BBFC. The Licensing Authority may also reject or modify a film which has received a Certificate from the BBFC.

### 3.0 Main Issues
