This is to ensure that the Council responsibility reflects a recent Government consultation and new evidence therein, which suggests that the housing need in Leeds is to reduce when compared to that in the adopted Core Strategy and therefore despite being sound, the Site Allocations Plan may result in green belt being released for housing which is ultimately not required.</p> <p>The report sets out the initial scope of a revised approach to the SAP examination for consideration. It updates the Panel on discussion with the DCLG and correspondence with SAP Inspectors.</p>	9 - 22
