

Late Item – Wellbeing Project for consideration

Project: Shantona Women's Centre

Organisation: Niche Tobacco Project

Wards affected: Gipton & Harehills

Amount applied for: £3,168

Projected year of spend: 2013/14

Project overview:

- The aim of the project is raise awareness – particularly amongst women and young people - about the dangers of niche chewing tobacco and Shisha through outreach support
- This outreach support will take the form of:
 - Targeting vulnerable people for the weekly surgery held at Shantona Women's Centre
 - One to one support for those who are thinking of giving up
 - Preventative outreach services to engage people, build confidence and raise awareness amongst families
 - Support to make people ready to take the next step through peer mentoring
 - Home visits to members of the Bangladeshi community

Ward Member recommendations: Ward Members are supportive of this project as this contributes towards Best City... for Health and Wellbeing
