

INE rank	Ward	SOA Name	Rank	↑ ↓	Areas for Action
1	Roundhay	Roundhay	94	↑	No action necessary – possible improvements at Street Lane shops.
2	Moortown	Moortown Central	93	↑	No action necessary – possible improvements at Moortown Corner.
3	Roundhay	Roundhay Park	85	↑	High incidence of void properties and turnover. High burglary figures, to continue with Roundhay Burglary Action Plan.
4	Chapel Allerton	Chapel Allerton village	80	↑	High housing turnover. Low environment score. Issues with burglary and asb. Improvements at Chapel Allerton shops.
5	Roundhay	Brackenwood & Gledhow	74	↑	Educational attainment has fallen and as has community safety, which is also below Leeds average.
6	Roundhay	Oakwood and Gledhow Wood	61	↓	Health, Environment and Community Safety scores have all fallen and are below Leeds average. These are to be addressed.
7	Moortown	Carr Manor	59	↓	Economic activity and Environment have both fallen and although Health has improved it is still below average.
8	Moortown	Meanwood	55	↓	All areas have fallen with Health, Environment and Community Safety having the worst scores. This mainly correlates to the Stonegates area, which is being addressed through the 7 Estates NIP.
9	Moortown	Meanwood 6 estates	23	↑	All areas to be addressed through NIP. N.b. the Nip covering this area is a '7' Estates NIP as it also includes the Stonegates area which falls within the Meanwood MSOA.

10	Chapel Allerton	Chapeltown	5	↑	All areas to be addressed through NIP.
			1 = worst		

NB: Leeds Average = 56
