

Well-being Small Grants

Project Name	Organisation	Amount Requested	Project Summary
Scotthall Sharks Community Athletics Club	LCC Sport Development	£500	To run a community athletics club for young people at Scotthall Leisure Centre after school. The club is for young people aged 8-14 and has 30 places available. It is linked to Carr Manor school and is an exit route for young people who enjoy the athletics programme at school. The club also has links with the only two athletics clubs in the area to sign post young people to if they want to progress.
Leeds Jewish Nosh Fest	Makor Charitable Trust	£250	To hold a large healthy lifestyles event at the Etz Chaim Synagogue Hall. There will be stalls on a variety of subjects including, slimming, food hygiene and diabetes, seeds and bulbs will be available to encourage growing your own food and there will be healthy food tasting opportunities, The event is part funded with the ONE Area Committee.
Flagship Healthy Cooking Course	Feel Good Factor	£490	A four week series of healthy cooking sessions with the Flagship project housing tenants in Chapeltown. The tenants are all aged 16-24 and rely on take away food and ready meals as they lack the skills and knowledge to cook their own food. This project aims to give them those skills.
