Subject: Variation of license application (ref: PREM/02735/009)

As a neighbour living directly opposite Asda I wish to object to the variation of license application (ref: PREM/02735/009) on the following grounds:

It is wholly inappropriate for the area which is largely residential and a in a conservation area.

The application has the potential to contribute to an increase in public nuisance through an increase in traffic, noise, light pollution from the car park lights and litter.

If granted it will set a precedent for the town's other supermarkets.
