It should be noted that the contents of this appendix are potentially exempt information under Access to Information Procedure Rule 10.4(7) as these include information relating to any particular person and it may contain information relating to any action taken or to be taken in connection with the prevention, investigation or prosecution of crime.

2.4 Matters relevant to the application

- 2.4.1 Members of the Licensing Sub Committee must make decisions with a view to promoting the licensing objectives which are:

- The prevention of crime and disorder

3 Corporate Considerations

3.1 Consultation and engagement

- 3.1.1 The application was subject to a 14 days consultation period with West Yorkshire Police in accordance with the Licensing Act 2003.

3.2 Equality and Diversity / Cohesion and Integration

3.2.1 The council has adopted a Statement of Licensing Policy which sets out the principles the council will use to exercise its functions under the Licensing Act 2003 and in which care has been taken in matters of equality, diversity and human rights. This policy is reviewed every three years. The council has completed equality, diversity, cohesion and integration screening and impact assessments with regards to the consultation process undertaken during the review of the policy.

3.3 Council Policies and City Priorities

3.3.1 When determining an application the licensing sub committee must have regard for the Licensing Act 2003 Statement of Licensing Policy which sets out the principles the council will use to exercise its functions under the Licensing Act 2003. Applicants are expected to read the policy before making their application and the council will refer to the policy when making its decisions.

3.3.2 The licensing regime contributes to the following aims:

By 2030, Leeds will be fair, open and welcoming

- Local people have the power to make decisions that affect them
- There is a culture of responsibility, respect for each other and the environment
- Our services meet the diverse needs of our changing population
- Everyone is proud to live and work

By 2030, Leeds' economy will be prosperous and sustainable

- Opportunities to work with secure, flexible employment and good wages

By 2030, all Leeds' communities will be successful

- Communities are safe and people feel safe

3.3.3 The licensing regime contributes to the following city priorities:

Best city... for communities:

- Reduce crime levels and their impact across Leeds
- Effectively tackle and reduce anti-social behaviour in communities

3.4 Resources and Value for Money

3.4.1 The licensing process, including the licensing sub committee, generates a cost to the council. The majority of these costs are covered by the application fee. The fees are set by Statute, and there is little option to increase the fee to cover all the cost. However, the Police Reform and Social Responsibility Act may allow local authorities to set their own fees in the future based on full cost recovery.

3.5 Legal Implications, Access to Information and Call In

3.5.1 Applicants and people making representations are able to challenge the licensing sub-committee's decision by appealing to the Magistrates Court. Legal advice is provided during the sub committee hearing and during deliberations to mitigate the risk to the council.

3.6 Risk Management

3.6.1 Full training and legal advice is provided to members sitting on Licensing Sub Committee in order to mitigate the risk of legal challenge.
