## 7.4 Youth Activity Fund 2014/15 - Cllr Coupar The 2014/15 YAF is now open for applications. The budget for outer east Leeds this year is £58,000. If you are a provider of activities for young people aged 8-17 and are interested in applying please ask for an application pack (which contains full details) by emailing james.nundy@leeds.gov.uk or phone 0113 336 8940. 8.0 Environmental update - Paul Spandler 8.1 Simon Norman is your local Environmental Action Officer and can be contacted on 07891 278 378 / simon.norman@leeds.gov.uk 8.2 Over the last six weeks the team had an additional cleaning team in the area. They have swept and litterpicked Coal Road, Naburn Approach, the Redhalls and surrounding areas, also focussing on ginnels. 8.3 We received reports of graffiti around Naburn Drive and Birchfield Avenue which have been removed by the Graffiti Team (tel: 0113 222 4406). Abusive graffiti will be removed within 24 hours. 8.4 Roads and paths in the area are swept every four weeks, on a Monday. Most common issues dealt with were flytipping, waste in gardens, dog fouling and 8.5 litter problems. 8.6 10 legal notices have been issued for various environmental issues including accumulation of waste in gardens and to ensure shops and other businesses store and dispose of their waste correctly. 8.7 **Prosecutions and Fixed Penalty Notices:** 1 pending prosecution for a flytipper on Coal Road 2 FPNs issued for littering from vehicles on Coal Road 8.8 The dog warden has collected three stray dogs. 8.9 A discussion took place regarding litter generated by fast food takeaways: Outside the shop is the responsibility of the shopkeeper Further away is the responsibility of the purchaser It was also highlighted there has been litter thrown into the former nursery site at Fieldhead Primary 8.10 Other issues raised and actions to date (as at 25 April): Ginnel between White Laithe shops – reports of hazardous broken paving slabs. To be reported for assessment by Highways/Housing Reported to Highways, requesting the path is inspected and made safe if necessary Ditch at rear of Fieldhead Primary – establish who it belongs to (suspect it's Housing Leeds) and ask them to cleanse it Housing Leeds Manager reminded of action required Grass bank between the lower pitch to top pitch at Fieldhead CC is nearly always missed when grass cutting – investigate cutting cycle frequency and speak to contract manager

|      | <ul> <li>Grass is cut by LCC Parks &amp; Countryside although the land appears to be under responsibility of Children's Services (Education Leeds). They will ensure the slopes are regularly cut but did state that actual playing surfaces do receive more cuts than surrounding areas as grass needs to be shorter on pitches</li> <li>Some trees have numbers painted on them by the Coal Rd mini-roundabout – why is this?</li> </ul>  |            |
|------|---|------------|
|      | <ul> <li>Trees are to be pruned or removed as necessary</li> <li>Request for more litter bins around the paths at Fieldhead CC playing pitches         <ul> <li>Locality Team will arrange for an additional litter bin to be ordered</li> </ul> </li> <li>Fencing around the Fieldhead CC pitches is broken – investigate which department owns it and ask them to mend it         <ul> <li>Seems likely to be responsibility of Education Leeds, enquiries are ongoing</li> </ul> </li> </ul>   | PS /<br>SN |
