Housing Growth	Improving Housing Conditions	Enabling Independent Living	Housing and Health	Creating Sustainable Communities
Sufficient housing to meet needs and aspirations of existing and potential residents	Achieving and maintaining standards focussing on energy efficiency, fuel poverty and empty homes.	Promote independence for all tenants and stages of their tenancy.	Reduce inequalities across the city where poor housing contributes to poor health.	Every area is a place where people want to live, now and in the future.

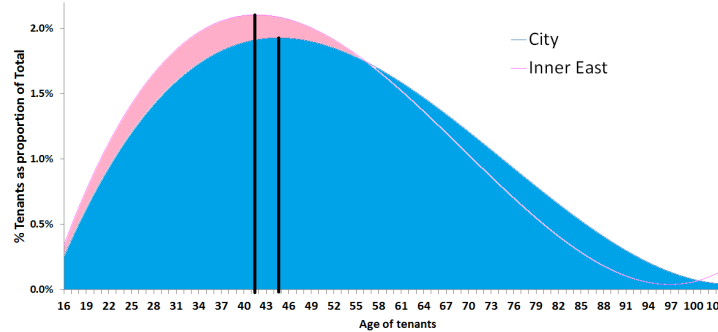

Knowing our neighbourhoods:

(plus any local comments on community or other data)

Contributing to best city and housing priorities AND taking into account local difference our Panel

Service and performance priorities are:	Funding priorities are:
1. The repairs service , in particular how we deliver emergency repairs	1. Work to improve the appearance of neighbourhoods
2. Support for younger tenants	2. Projects that support access to services, esp. digital inclusion and those with some form of disability
3. Satisfaction with the environment	3. Improving working age tenants access to job, skills, training and employment.
4. Online access to services (want to know more)	4. Projects to improve the satisfaction and people's perception of crime and anti-social behaviour
5. How services take into account people with a mental health condition.	5. Any project or activity to support tenants impacted by Welfare Changes.
