To whom it may concern

Dear Sir/Madam.

I am writing in regards to a late night sale of alcohol license application for 197 Chapelton Road, Leeds, LS7 3DX.

I would like to take this opportunity to say that I am against the approval of this application and my reasons are as follows.

I have been a retailer in Chapelton Road for almost 20 years and have seen the increase in crime and violent behaviour in the past because of premises which were selling alcohol especially in the evenings. Since the closure of the Latvian Social Club and The Hayfield Pub there was a dramatic decline of alcohol related crimes. Local residents were coming out more in the evenings and children were playing out on the streets more too. In more recent times I have seen you have allowed a few more late night alcohol licences and I have witnessed young children purchasing and drinking alcohol in the streets and older ones then going on to cause violence and disturb the local peace. I strongly urge you not to make things worse by allowing more late night alcohol licences to be given in this area and specifically in this street. There has already been an increase in burglary and violent crime and this will just add to it.
