Dear Sir/Madam,

**Re. Comments for Licensing Application PREM/00856/005 (The One Stop at Hyde Park Corner)**

South Headingley Community Association objects to the above application for extended opening hours and alcohol sales to 24 hour opening and sales.

We object because:

- This is a residential area and so it would be inappropriate
- Extended hours will lead to increased noise and litter pollution which we are already battling against
- Hyde Park Corner is in the CIP zone (2014-2018)

Best wishes,

Dawn Carey Jones
