I wish to object to the application by One Stop 265 Hyde Park for a licence to sell alcohol 24 hours a day.

I believe that if granted the increase in availability of alcohol would encourage anti-social behaviour in the area which would impact on the many permanent residents who already suffer from anti-social behaviour.

The shop is situated next to Wrangthorn Church and worshippers there may not welcome the sale of alcohol on Sundays. I believe it could also cause offence to people of all faiths for alcohol to be sold 24 hours at the time of religious festivals.

I trust these comments will be taken into consideration when the decision on this application is made.
