Dear Sir or Madam,

Re: One Stop - PREM/00856/005

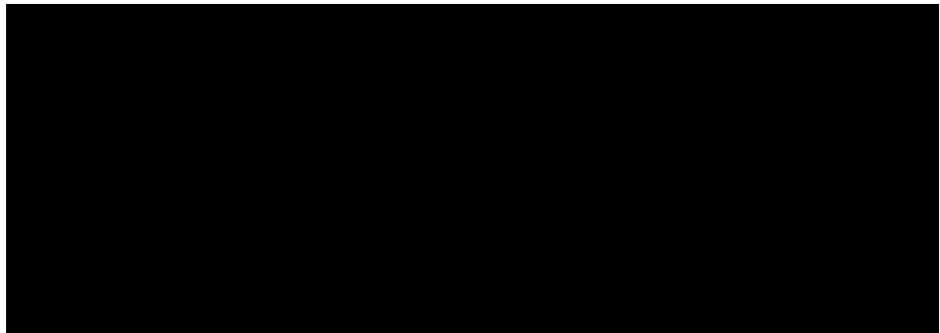

With regard to the OneStop shop at 265 Hyde Park Road Leeds LS6 1AG, I am concerned about their application for a License to sell alcohol all through the night.

The area already has problems with intoxicated men causing some upset to local residents, and many people live near this particular shop. An additional problem is the litter of broken bottles and cans discarded on and around the premises of St Augustine's Church as well as in the gardens of people living nearby.

While the shop is an asset to the community, may I respectfully ask that their application to sell alcohol at all hours be refused on the grounds of concern for the impact it would have on local residents.

I don't live near Hyde Park, but I attend St Augustine's, Wrangthorne and this letter represents the views of many local people.

Yours faithfully,
