White Paper Amendment	A1 to WP2	09/09/14	09/09/14

Executive Member/Chair:	Chair of the Executive Board
Relevant Director	Chief Executive

Council welcomes Government recognition of our exceptionally strong case for greater devolution of financial powers as reflected in the Growth Deal agreed by Leeds City Region Local Enterprise Partnership in July 2014.

However, in order to provide long-term growth and a genuine rebalancing of the national economy, this must be the start and not the end of the further devolution of power and resources to cities and city regions.

This Council therefore commits to:

- § Deliver increased jobs and drive growth through continued and sustained local investment.
- § Build on our proven track record of delivering effective local outcomes through strong partnerships.

“Delete all after and replace with”

In order to enable the Leeds City Region to fulfil its economic potential the Council calls on Her Majesty’s Government to consult widely on the need to introduce an elected decision making body at City Region level in order to establish democratic legitimacy and public scrutiny.
