Under the provisions of Council Procedure Rule 14.9(a), leave of Council was given to alter the wording of the motion in the name of Councillor Wakefield to include the final paragraph of the submitted amendment in the name of Councillor Andrew Carter.

It was moved by Councillor Wakefield, seconded by Councillor A Carter and

RESOLVED - That this Council welcomes Government recognition of our exceptionally strong case for greater devolution of financial powers as reflected in the Growth Deal agreed by Leeds City Region Local Enterprise Partnership in July 2014.

However, in order to provide long-term growth and a genuine rebalancing of the national economy, this must be the start and not the end of the further devolution of power and resources to cities and city regions.

This Council therefore commits to:

- Deliver increased jobs and drive growth through continued and sustained local investment.
- Build on our proven track record of delivering effective local outcomes through strong partnerships.

In order to enable the Leeds City Region to fulfil its economic potential Council also calls on Government to:

- Rapidly implement the Growth Deal in full and immediately engage in negotiation regarding the next round of Growth Deals.
- Commit to true devolution without any imposition of politically motivated conditions.
- Support the proposals set out by England's nine largest cities for greater financial freedoms and local control over how finance is raised and invested.
- Consult widely on the need to introduce an elected decision making body at City Region level in order to establish democratic legitimacy and public scrutiny

52 White Paper Motion (in the name of Councillor A Blackburn) - Police and Crime Commissioners

It was moved by Councillor A Blackburn , seconded by Councillor Campbell that this Council notes with concern the recent events in South Yorkshire with regard to the Police Commissioner for that area. This Council believes these events and the inability to be able to remove Police and Crime Commissioners in such circumstances prove that the present situation is woefully inadequate.

This Council, therefore, requests the Chief Executive to write to the Home Secretary calling for the return of properly accountable Police Committees made up of elected councillors, and for procedures to be introduced in the interim to give the Secretary of State the power to remove any Police and Crime Commissioner, if the circumstances prove it necessary.

An amendment was moved by Councillor J L Carter, seconded by G Latty

"Council also requests the Chief Executive to write to the South Yorkshire Police Commissioner advising him it is the view of this Council he should immediately resign."
