Purpose of this report

- At the beginning of the municipal year, the Safer and Stronger Communities Scrutiny Board agreed to undertake a review of the city's Integrated Waste Strategy as well as assisting the service in determining recycling options for households deemed unsuitable for alternate weekly collections of recyclable and residual waste.
- A working group meeting was held in September to discuss the potential scope of these inquiries. Draft terms of reference relating to these inquiries are attached as follows for the Board's consideration and agreement:

Appendix 1 – Integrated Waste Strategy Review

Appendix 2 – Determining recycling options for non-AWC households

- The Scrutiny Board Procedure Rules require that, before embarking on an inquiry/review, the Board seeks and considers the views of the relevant Director and Executive Member. These views will need to be taken into account when agreeing the terms of reference for these inquiries.

Recommendations

- Members are asked to consider and agree the attached draft terms of reference.
