## Annex 1 – Mandatory Conditions

1. Only individuals licensed by the Security Industry Authority may be used at the premises to guard against:-
  - a. unauthorised access or occupation (e.g. through door supervision), or
  - b. outbreaks of disorder, or
  - c. damage
2. No supply of alcohol may be made under this licence
  - a. At a time when there is no designated premises supervisor in respect of the premises licence, or
  - b. At a time when the designated premises supervisor does not hold a personal licence or his personal licence is suspended.
3. Every supply of alcohol under the premises licence must be made or authorised by a person who holds a personal licence.
4. The admission of children under the age of 18 to film exhibitions permitted under the terms of this licence shall be restricted in accordance with any recommendations made
  - a. By the British Board of Film Classification (BBFC,) Where the film has been classified by the Board, or
  - b. By the Licensing Authority where no classification certificate has been granted by the BBFC, or,
  - c. where the licensing authority has notified the licence holder that section 20 (3) (b) (74 (3) (b) for clubs) of the Licensing Act 2003 applies to the film.
5. The responsible person shall take all reasonable steps to ensure that staff on relevant premises do not carry out, arrange or participate in any irresponsible promotions in relation to the premises.

In this paragraph, an irresponsible promotion means any one or more of the following activities, or substantially similar activities, carried on for the purpose of encouraging the sale or supply of alcohol for consumption on the premises in a manner which carries a significant risk of leading or contributing to crime and disorder, prejudice to public safety, public nuisance, or harm to children -

- a. games or activities which require or encourage, or are designed to require or encourage, individuals to -
  - i. drink a quantity of alcohol within a time limit (other than to drink alcohol sold or supplied on the premises before the cessation of the period in which the responsible person is authorised to sell or supply alcohol), or
  - ii. drink as much alcohol as possible (whether within a time limit or otherwise);
- b. provision of unlimited or unspecified quantities of alcohol free or for a fixed or discounted fee to the public or to a group defined by a particular characteristic (other than any promotion or discount available to an individual in respect of alcohol for consumption at a table meal, as defined in section 159 of the Act);
- c. provision of free or discounted alcohol or any other thing as a prize to encourage or reward the purchase and consumption of alcohol over a period of 24 hours or less;

- d. provision of free or discounted alcohol in relation to the viewing on the premises of a sporting event, where that provision is dependent on -
    - i. the outcome of a race, competition or other event or process, or
    - ii. the likelihood of anything occurring or not occurring;
  - e. selling or supplying alcohol in association with promotional posters or flyers on, or in the vicinity of, the premises which can reasonably be considered to condone, encourage or glamorise anti-social behaviour or to refer to the effects of drunkenness in any favourable manner.
6. The responsible person shall ensure that no alcohol is dispensed directly by one person into the mouth of another (other than where that other person is unable to drink without assistance by reason of a disability).
  7. The responsible person shall ensure that free tap water is provided on request to customers where it is reasonably available.
  8. The premises licence holder or club premises certificate holder shall ensure that an age verification policy applies to the premises in relation to the sale or supply of alcohol.

The policy must require individuals who appear to the responsible person to be under 18 years of age (or such older age as may be specified in the policy) to produce on request, before being served alcohol, identification bearing their photograph, date of birth and a holographic mark.

9. The responsible person shall ensure that -
  - a. where any of the following alcoholic drinks is sold or supplied for consumption on the premises (other than alcoholic drinks sold or supplied having been made up in advance ready for sale or supply in a securely closed container) it is available to customers in the following measures:
    - i. beer or cider. 1/2 pint;
    - ii. gin, rum, vodka or whisky: 25 ml or 35 ml; and
    - iii. still wine in a glass: 125 ml; and
  - b. customers are made aware of the availability of these measures

39. The Licensee shall ensure that staff are familiar with the maximum capacity of the premises.

40. The Licensee shall display notice containing details as to the maximum capacity figure in a prominent position upon entry to the premises. Where the capacity is divided into separate floors/areas within the premises notice of the appropriate capacity for each floor/area shall also be prominently displayed upon entry to the relevant floor/area.
41. The licensee shall at any time whilst the premises are in use be aware of the precise number of patrons on the premises. Where the licence covers different floors/areas, the licensee shall be aware of the number of patrons in each area at any given time and ensure that the numbers do not exceed those as stipulated on the licence. This information shall immediately be supplied on request to any Official of the Licensing, Police or Fire Authority.
42. Appropriately trained staff shall be provided to oversee general safety within the premises, and these shall be provided to a minimum number of one member of staff per 250 occupancy or part thereof, in accordance with the occupancy figure as stated on the Public Entertainment Licence.
43. Furthermore, in addition to the above the licensee shall ensure that an appropriately trained member of staff is designated to each emergency exit door to assist in the event of an emergency evacuation.
44. All members of staff shall be instructed in the safety precautions to be observed in the premises as far as those precautions relate to their duties and to the action to be taken by them in the event of fire or emergency.
45. All exits, passages, landings and stairways shall be kept free from obstruction at all times when the premises are used for licensed purposes.
46. A clear unobstructed route leading from each fire exit to a place of safety outside the premises shall be provided and maintained available for use at all times.
47. Every door in the building for use by members of the public going from the auditorium to the outside of the building shall open outwards, unless the Licensing Authority shall have been satisfied that this is impracticable to the circumstances of the particular case, and shall be capable of being opened easily and immediately from the inside, without the use of a key, when required.
48. Where, with the prior consent of the Licensing Authority, doors or gates across exits open inwards, they shall be fastened fully opened so as not to form an obstruction.
49. If security is required for outward opening fire exit doors, then they should be secured with panic bolt or panic latch type fastenings only to the satisfaction of the Licensing and Fire Authority. A conspicuous 'PUSH BAR TO OPEN' sign should be provided immediately above the push bars.
50. Any removable fastenings permitted by the Licensing or Fire Authority for securing exit doors when the public are not on the premises shall be removed before the public are admitted to the premises and shall not be replaced until the public have vacated the building.
51. Illuminated fire exit sign boxes lit by both primary and emergency lighting should be provided above all exits. Illuminated boxes incorporating graphic fire exit symbols, e.g. man moving through open door, should have white symbols on a green background. The size of the exit boxes should be appropriate for the maximum viewing distances involved.
52. Doors and openings other than exits to or from parts of the licensed premises to which the public are admitted shall be provided with notices indicating their uses or shall be marked "Private", and wherever practicable shall be kept secured. Where exit doors are fitted with automatic bolts they shall be clearly indicated with the words "PUSH BAR TO OPEN".
53. Where curtains are provided across an exit doorway they shall be divided at the centre and shall not trail the floor.

54. Except with the consent of the Licensing Authority, bars, wire guards or the like shall not be fitted to windows, nor shall the windows be otherwise obstructed in a manner likely to render them unavailable for the purposes of rescue in case of emergency.
55. The closing of collapsible gates or shutters across exit openings shall be prohibited whilst the public are in the premises.
56. The licensed premises shall be provided with fire appliances suitable to the fire risk in the premises and to the satisfaction of the Fire Authority.
57. Fire appliances shall be affixed to wall brackets to the satisfaction of the Fire Authority, and available for instant use at all times.
58. Fire extinguishers should be regularly examined, tested and maintained in accordance with the current British Standard to the satisfaction of the Fire Authority.
59. The licensee and employees should be made fully conversant with the location of fire appliances, method of operation and safe use, and with the action to be taken in case of fire.
60. A manually operated electrical fire alarm system shall be provided to the satisfaction of the Fire Authority. The alarm should be clearly audible in all parts of the building.
61. The Fire alarm system should be tested on a weekly basis in accordance with the current British Standard and to the satisfaction of the Fire Authority. The result of all tests with the exception of the daily inspection should be recorded in a suitable log book provided for the purpose. The log book should be available for immediate inspection upon request of any official of the Licensing or Fire Authority.
62. The licensee and all employees should be made familiar with the method of giving warning of fire and with the escape route available from each part of the premises to which they resort or in which they may work.
63. All fire doors shall be maintained self-closing and shall not be secured in an open position.
64. A system for automatically cutting off the sound system which is linked to the sounding of the fire alarm shall be provided.
65. All scenery, drapes, curtains and decorations within the licensed premises shall be made of such material or shall be treated and maintained so as to be flame retardant in accordance with the current British Standard and to the satisfaction of the Fire Authority.
66. Plastic decorations are not acceptable.
67. Filling materials used in furnishings should be restricted to combustion modified foam or other materials having at least the same standard of fire performance. Upholstered furniture and floor coverings should comply with the current British Standard to the satisfaction of the Fire Authority.
68. Flues from kitchens and serveries and over grills and all ventilating shafts shall be maintained in a clean condition.
69. Smoking shall be strictly prohibited within the stage risk area and in dressing rooms. Notices bearing the words "NO SMOKING" in red letters on a white background shall be conspicuously displayed in these areas.
70. Where any open fireplaces, high temperature heating appliances or naked flames are used they shall be adequately protected by a suitable guard.
71. In the event of the heating being by a central heating system the heating apparatus shall be placed in a separate room from the auditorium. The door between this room and the auditorium should be self-closing and fire-resistant to a one hour standard.

72. Explosives, inflammable liquids or high inflammable articles shall not be brought into or used within any portion of the licensed premises.
73. No exhibition, demonstration or display of pyrotechnics or displays involving the use of fire shall be given in the licensed premises without the prior consent of the Licensing and Fire Authority. At least fourteen days written notice of application must be supplied in such circumstances.
74. No exhibition, demonstration or display of laser equipment shall be given by any person in the licensed premises and no laser equipment shall be used by such person in the said premises unless the Director of the Leeds Environment Department has been given not less than 14 days previous written notice.
75. At entrances to venues where strobe lighting is in use warnings should be posted that stroboscopic lighting is in use and the possibility that susceptible people may be affected.
76. Flicker rates from stroboscopic lighting should be set at 4 or less flickers per second. This frequency shall apply to the combined flicker rates on any group of lights which can be directly gazed at.
77. In all parts of the building to which the public are admitted and in all passages, corridors, ramps and stairways to which the public have access and which lead from the auditorium to the outside of the building, there shall provided adequate illumination by general lighting to the satisfaction of the Licensing Authority.
78. In addition to the general lighting, adequate illumination to enable the public to see their way out of the building, without the assistance of the general lighting, shall be provided in the auditorium and all other parts of the building to which the public are admitted and in all passages, corridors, ramps and stairways, which lead from the auditorium to the outside of the building. This lighting shall be referred to as the safety lighting.
79. The safety lighting shall be provided from a source other than that of the general lighting.
80. All notices and exit indications shall be illuminated by both general and safety lighting.
81. The safety lighting shall be kept on at all times when the public are on the premises except in those parts of the building which are lit equally well by daylight.
82. Any battery supplying safety lighting shall be fully charged before the public are admitted to the premises and shall be of such capacity and so maintained as to be capable of supplying at normal voltage, the full load of the safety lighting during the whole time that the public are on the premises.
83. If there is a failure of the general lighting and the lighting is not restored within one hour, the public in the licensed premises shall be instructed to leave the building.
84. If there is a failure of the safety lighting, all parts of the building required to be illuminated by the safety lighting shall be immediately illuminated by the general lighting and the public in the licensed premises shall be instructed to leave the building forthwith.
85. Electrical apparatus and equipment within the building shall not be used for such purpose, or in such a manner, or when it is such a condition, as to cause danger of electric shock, fire or explosion.
86. Where gas is used for the lighting all gas burners within reach of the public shall be protected by glass or wire gloves and all gas taps shall be guarded in such a manner as to prevent unauthorised interference.
87. Electrical installation (including the fire alarm and emergency lighting systems) shall be in the charge of a competent electrician whose name is published on the Roll of National Inspection Council for Electrical Installation Contracting, or a member of Electrical Contractors' Association.

131. If used, any temporary electrical wiring and distributions will be inspected by a suitably qualified and competent person before they are put into use. An inspection record/certificate will be retained for inspection by an authorised officer.
132. All floor surfaces will be suitably slip resistant, kept in good condition and free of obstructions to prevent slips, trips and falls.
133. A written spillage policy will be kept to ensure spillages are dealt with in a timely and safe manner.
134. Safety glass that is impact resistant or shielded to protect it from impact will be used in all areas where the public may come into contact with it.
135. Members of the public will be prevented from accessing hot food and drink preparation areas to prevent risk of scalds or burns to them.
136. Suitably trained First Aider or appointed person will be provided at all times when the premises are open.
137. Adequate and appropriate First Aid equipment and materials will be available on the premises.
138. A written procedure for dealing with unwell members of the public will be in place including those who appear to be affected by alcohol or drugs. Staff will be appropriately trained in such procedures.
139. Where strobes, lasers, smoke machines or any other special effects equipment may be used, a written health and safety policy covering all aspects of their use will be provided, and staff will be appropriately trained.

#### **The prevention of public nuisance**

140. Door supervisors will take reasonable steps to prevent the removal of glasses and bottles taken from the premises.
141. Any queue to the premises will be monitored by door supervisors and any persons who is causing a nuisance or who appears intoxicated will not be allowed into the premises and will be asked to leave the queue.
142. Any person who appears to be under 18 will be required to prove that they are over 18 before being allowed entry to the premises or consume alcohol.

#### **Annex 3 – Conditions attached after a hearing by the licensing authority**

##### **The prevention of public nuisance**

143. Ensure that no nuisance is caused by noise or vibration emanating from the premises.
144. Noise shall be inaudible at the nearest noise sensitive premises after 23:00 hours and when entertainment takes place on a regular basis at all times.
145. All windows in the areas where entertainment takes place shall be kept closed at all times whilst the entertainment is in operation.
146. An effective lobby provided to doors used for ingress and egress to allow for one set of doors to be kept closed at all times whilst the entertainment is in operation.
147. Clear and legible notices shall be displayed at exits and other circulatory areas requesting patrons to leave the premises having regard to the needs of local residents.

148. Queues shall be restricted to cordoned areas to prevent them obstructing footpaths and spilling out onto roads, and to keep noise and obstructions away from residential properties. Staff shall be trained to intercept and manage queues to prevent noise and aggression.
149. There shall be no admission to the premises for patrons after 02:00 hrs.
150. There shall be no external loud speakers.
151. A cooling down period with reduced music volume shall be operated before the premises close.
152. Clear and legible notices will be displayed at exits, car parks and other circulatory areas requesting patrons to leave the premises having regard to the needs of local residents, in particular emphasising the need to refrain from shouting, slamming car doors, sounding horns and loud use of vehicle stereos.
153. A facility will be provided for customers to order taxis/private hire vehicles. Telephone numbers for taxi firms/private hire companies will be displayed in a prominent location. Where possible, there should be a liaison with a local taxi/private hire firm to ensure a ready supply of transport and thereby reduce disturbance.
154. The special conditions on the Public Entertainment Licence will be carried over onto the Premises Licence.
