Regarding your communication of the above reference, we Jennifer Gent and Gerald Gent of the above address would like to state as follows:-

1. We have lived at the above address for 48 years and our backgarden is some 100 yards from the Club House.
2. We have NEVER been disturbed by any music being played.
3. This club is attended by members who are respectable, hardworking people who need an outlet i.e. going out to the Club.
4. This is THE Cricket Club for Garforth and is also used by youngsters playing cricket, practising cricket and on a Sunday for 5 a side football for various ages (when the cricket season is finished)
5. Perhaps anyone who has any objection should try becoming a member of the club and getting involved with some of the activities taking place.
6. Car boot sales have taken place this year, fun days for the children.

Yours faithfully
