**99 Exempt Information - Possible Exclusion of the Press and Public**

**RESOLVED** – That, in accordance with Regulation 4 of The Local Authorities (Executive Arrangements) (Meetings and Access to Information) (England) Regulations 2012, the public be excluded from the meeting during consideration of the following parts of the agenda designated as exempt on the grounds that it is likely, in view of the nature of the business to be transacted or the nature of the proceedings, that if members of the public were present there would be disclosure to them of exempt information so designated as follows:-

- (a) Appendix 1 to the report entitled, 'Design and Cost Report for Playing Pitches and Land at Woodhall Lane, Pudsey, LS28', referred to in Minute No. 114 is designated as exempt in accordance with paragraph 10.4(3) of Schedule 12A(3) of the Local Government Act 1972 on the grounds that the information contained within the appendix relates to the financial or business affairs of a particular person, and of the Council. This information is not publicly available from the statutory registers of information kept in relation to certain companies and charities. It is considered that since this information was obtained through one to one negotiations for the purchase of the land/property referred to then it is not in the public interest to disclose this information at this point in time. Also, the release of such information would or would be likely to prejudice the Council's commercial interests in relation to and undermine its attempts to acquire by agreement similar properties in the locality in that owners of other similar properties would be aware about the nature and level of consideration which may prove acceptable to the Council. It is considered that whilst there may be a public interest in disclosure, much of this information will be available from the Land Registry following completion of the purchase and consequently the public interest in maintaining the exemption outweighs the public interest in disclosing this information at this point in time.
- (b) Appendix 1 to the report entitled, 'Design and Cost Report for NCP Car Park, Harper Street, Leeds', referred to in Minute No. 117 is designated as exempt in accordance with paragraph 10.4(3) of Schedule 12A(3) of the Local Government Act 1972 on the grounds that the information contained in the appendix relates to the financial or business affairs of a particular person, and of the Council. This information is not publicly

available from the statutory registers of information kept in relation to certain companies and charities. It is considered that since this information was obtained through one to one negotiations for the purchase of the land/property referred to then it is not in the public interest to disclose this information at this point in time. Also, the release of such information would or would be likely to prejudice the Council's commercial interests in relation to and undermine its attempts to acquire by agreement similar properties in the locality in that owners of other similar properties would be aware about the nature and level of consideration which may prove acceptable to the Council. It is considered that whilst there may be a public interest in disclosure, much of this information will be available from the Land Registry following completion of the purchase and consequently the public interest in maintaining the exemption outweighs the public interest in disclosing this information at this point in time.

- (c) Appendix 2 to the report entitled, 'Connectivity Improvements to South Bank', referred to in Minute No. 118 is designated as exempt in accordance with paragraph 10.4(3) of Schedule 12A(3) of the Local Government Act 1972 on the grounds that the information contained in the appendix contains details relating to the financial or business affairs of any particular person (including the authority holding that information). It is therefore considered that the public interest in maintaining the content of Appendix 2 as exempt outweighs the public interest in disclosing the information.

In addition, the submitted report also set out the scope of the review of Council-owned sheltered housing in the city which would look to

expand the housing and support options and choices for older people, and provide flexibility to meet changing needs.

In presenting the report, an update was provided on the proactive approach being taken to secure further provision of specialist housing for older people, whilst details were also provided on the level of demand which remained. It was emphasised that the focus of the work being undertaken in this area was to help people with care and support needs to live independent lives.

Responding to an enquiry, Members noted the actions which were being taken, in line with the 'One Public Estate' programme, to work with partners in order to utilise sites, where appropriate, for the purposes of specialist housing provision.

In addition, as the work continued to secure the delivery of older people's housing provision across Leeds, Members emphasised the need to ensure that local Ward Councillors were fully engaged throughout this process.

Taking this into account, together with current opportunities and challenges in this area, the report also presented a series of recommendations for next steps, including the future direction of travel for those services currently provided by the Council.

An updated version of the covering report for this matter had been circulated to Board Members prior to the meeting for their consideration.

Responding to an enquiry, assurances were provided that approval of the recommendations detailed within the submitted report would signify the

commencement of a robust and meaningful consultation exercise. In addition, Members received clarification from officers in respect of specific recommendations detailed within the submitted report and it was reiterated that following the conclusion of the consultation exercise, any related final decisions regarding future service provision would be submitted to the Executive Board for determination. Furthermore, it was emphasised that as a result of any such final decisions taken by the Board, no service users would be relocated until appropriate alternative provision had been identified.
