2.2 The details outlined above should be considered as an indicative rather than definitive work programme. A number of areas (in particular work associated with CQC inspections) are dependent on the outcome of work from third parties and may therefore be subject to change. It is also important to retain sufficient flexibility in the Board's work programme in order to react to any specific matters that may arise during the course of the year.

2.3 The Scrutiny Board has also considered Requests for Scrutiny elsewhere on the agenda. The outcome of these discussions needs to be reflected in the future work schedule of the Scrutiny Board.

Working Groups

2.4 The Scrutiny Board has established two working groups, one focusing on Adult Social Care matters, while the other working group considers proposed changes and development of local health services.

2.5 It is planned that both working groups will meet again in early 2015.
