Section 1 - Introduction

Sections 38 – 43 of the Localism Act 2011 require that the Authority produce a policy statement for each financial year that covers a number of matters concerning the pay of the Authority's staff, principally Chief Officers. This policy statement meets the requirements of the Localism Act in this regard and also meets the requirements of the guidance issued by the Secretary of State for Communities and Local Government to which the Authority is required to have regard under Section 40 of that Act.

This policy is reviewed annually and is to be considered and approved by full Council at its meeting in February 2015.

This pay policy is in addition to the data on pay and rewards for staff which the Authority already publishes under the Code of Recommended Practice for Local Authorities on Data Transparency

This policy must be complied with for all decisions relating to the remuneration of, or other terms and conditions applying to, those senior officers listed in Section 2.

Section 2 - Policy Statement

Definition of senior officers covered by the Pay Policy Statement

This Pay Policy Statement covers the following senior officer posts;

1. Head of the Paid Service, which in this authority is the post of Chief Executive
2. Deputy Chief Executive, who is the Section 151 Officer, the City Solicitor who is the Monitoring Officer, the Directors of Public Health, Adult Social Care, Children Services, City Development and Environment and Housing and the Assistant Chief Executive (Citizens and Communities). These post holders are members of the authority's Corporate Leadership Team (CLT) and report directly to the Chief Executive.
3. Those required to report directly to, or are directly accountable to, one or more of those described in 1-2 above.
4. This policy statement does not cover or include staff employed in schools and is not required to do so.

Policy on remunerating senior officers

It is the policy of this authority to establish a remuneration package for each senior officer post that is sufficient to attract and retain those with the appropriate skills, knowledge, experience, abilities and qualities that is consistent with the authority's requirements of the post in question.

Salaries and Appointment

The authority may seek independent advice as a means of informing decisions on determining the pay scale for senior officer posts.

All new senior officer appointments will be made by the Employment Committee, who will determine salary packages¹.

Appointments will be made to the appropriate approved minimum point of the grade for the post in question unless there is evidence that a preferred candidate cannot be appointed without varying the remuneration package. In such circumstances incremental advancement within the grade range is permissible.

In exceptional circumstances this policy provides for a departure from the Pay Policy. All departures from this policy will be expressly justified and, in cases where he/she is not personally affected, will be authorised by the Chief Executive in consultation with members of the Employment Committee. In cases where he/she is personally affected, departures from the Policy will be authorised by Full Council.

Where the Employment Committee has not been involved in the appointment of a Senior Officer the appropriate Executive Members will be consulted with; including the Executive Member within whose portfolio the post reports, the Executive Member with responsibility for Human Resources and the Leader of Council.

Information regarding any such decisions will be reported to the next meeting of Full Council.

Honoraria² may be payable in circumstances where additional duties and responsibilities are undertaken which are over and above those which could be reasonably accommodated within existing terms and conditions of employment.

Market supplements may be paid only where it has been established that there is a significant risk of not being able to retain/replace staff with specific knowledge and skills essential to the delivery of a particular service, project or corporate priority. All such payments will be reviewed annually by the Head of Paid Service.

The salary for JNC senior officer posts will be determined by reference to the pay scales at Appendix 1³. At the time of writing this policy statement a review of JNC for Chief Executives and JNC for Chief Officers pay was pending.

The basic salary for the Director of Public Health is currently determined by reference to the pay scales at Appendix 3 and is within the salary range £84,667 - £101,451

The salary for NHS Consultants and other Public Health staff transferred into the organisation in 2013 under TUPE principles is determined by reference to the pay scales at Appendix 3 and at Appendix 4, these remain static at the point of transfer. However consultation is taking place to amend arrangements whereby future pay awards would mirror settlements in Local Government.

Terms and Conditions

The Chief Executive is employed on terms and conditions set out under the Joint National Council for Chief Executives. All other senior officers are employed on terms and conditions set out under the Joint National Council for Chief Officers. Under these arrangements national pay awards are negotiated annually. At the time of writing the JNC pay offer has not been finalised and it is proposed that the Annual Pay Policy statement will be amended in year as with the revised salary ranges.

¹ Senior Officers in this respect refers to the posts in Section 2 points 2 to 3

² Including payments made for joint authority duties

³ For completeness the pay scales for employees employed on NJC terms and conditions of service is provided at Appendix 2

Equivalent arrangements are also in place for staff covered by NHS terms & conditions following the transfer of Public Health in 2013.

Some aspects of remuneration are applicable to all staff (including senior officers covered by this policy). For completeness these are outlined below:

- Membership of the Local Government Pension Scheme; with employee contributions ranging from 5.5% (on salaries up to £13,500) to 12.5% (on salaries over £150,000).
- Expenses for travel and subsistence based on National Joint Council for Local Government Employee rates
- On appointment, incremental progression following 6 months employment and then annual incremental progression on each 1st April thereafter.

The Director of Public Health (DPH) and Public Health Consultants transferred to the local authority on 1st April 2013 and receive protection of general NHS Terms and Conditions that were in place at that point in time.

However, Public Health transferred employees, who could only benefit from collectively agreed pay awards and terms and conditions that applied at 1st April 2013, will now be consulted with on changing terms to link pay awards that reflect relevant settlements in Local Government.

Bonuses and Performance Related Pay

For posts under this policy, the Authority does not currently operate a bonus or performance related pay scheme. Performance is considered however as part of a package to offer market supplements and retention pay when needed.

Earn-Back

The Authority does not operate a scheme of remuneration linked to Earn-Back

Termination Payments

All decisions relating to termination payments will be made by;

- Full Council – in respect of the Head of Paid Service
- The Head of Paid Service – in respect of the Deputy Chief Executive
- Deputy Chief Executive – in respect of other Directors and the City Solicitor
- Directors – in respect of those who report to them.

Termination payments may be made to senior officers covered by this policy. The maximum discretion for the Council is to award 104 weeks' pay under the national statutory framework. There is also discretion to augment pensions.

Payments made must demonstrate value for money and be conducive to the effective and efficient operation of the authority.

The Leader of the Council will be consulted in relation to any such termination payments.

Policy on remunerating the lowest paid in the workforce

The pay scales for staff employed on National Joint Council for Local Government terms and conditions are detailed at Appendix 2, alongside other JNC grades. The pay rate is increased in accordance with any pay settlements which are reached through the National Joint Council for Local Government Services.

These, and other terms and conditions of employment, are negotiated through appropriate collective bargaining mechanisms and then incorporated into contracts of employment.

The lowest pay point in this authority (excluding schools) equates to an annual full time salary of £13,614 and can be expressed as an hourly rate of pay of £7.0565. This is on the A1 grade which rises incrementally to £13,871.

The pay multiplier between this and the substantive salary for the Chief Executive is 14.4:1. However based on the Chief Executive's voluntary pay reduction the pay multiplier is 12.9:1

For comparison the National Minimum Wage was £6.50 p/h as at 1st October 2014.

Policy on the relationship between Senior Officer remuneration and that of other staff

The highest paid salary is paid to the Chief Executive. At March 2014 the average median salary in Leeds City Council (not including Schools) is £19,317.

The ratio between the median and Chief Executive's substantive salary, the 'pay multiple' is 9.9:1, based on actual pay the pay multiple is 9.1:1. This authority does not have a policy on maintaining or reaching a specific 'pay multiple'. However the authority is conscious of the need to ensure that the salary of the highest paid employee is not excessive and is consistent with the needs of the authority as expressed in this policy statement.

The authority's approach to the payment of staff is to pay that which the authority needs to pay to recruit and retain staff with the skills, knowledge, experience, abilities and qualities needed for the post in question at the relevant time, and to ensure that the authority meets any contractual requirements for staff including the application of any local or national collective agreements, or authority decisions regarding pay.

Re-employment of staff in receipt of a LGPS Pension or a Redundancy/Severance Payment

The authority is under a statutory duty to appoint on merit and has to ensure that it complies with all appropriate employment and equalities legislation.

Obligations under the Code of Recommended Practice for Local Authorities on Data Transparency and the data which is published under The Accounts and Audit (England) Regulations (2011).

The Authority will publish information on pay and rewards for staff falling under the criteria specified in the Code of Recommended Practice for Local Authorities on Data Transparency and which requires the authority to provide information relating to those employees with salary packages above £50,000 and which fall below those of Chief Officers as specified above.

Election Fees

Additional fees for national elections and referendums are paid to the Chief Executive in their capacity as Returning Officer. In turn these are apportioned to staff supporting the Returning Officer in accordance with criteria determined by the Chief Executive.

These fees and any apportionment will be published as part of the Council's Obligations under the Code of Recommended Practice for Local Authorities on Data Transparency and the data which is published under The Accounts and Audit (England) Regulations (2011).

Private Service Company Consultants

Individuals who operate as private service companies will not be directly engaged to cover senior officer posts covered by this policy.
