Not Proposed for Office Employment

SHLAA Ref	Address	Capacity sqm	Comment
EMP00283	Kidacre Street, Motorcycle Training Area	0	The HS2 route to the Leeds terminus affects this site. Whilst some land may be developable which lies beyond the area of safeguarding, there will be blight from the uncertainty and from construction nuisance. Masterplanning by consultancy Arup may subsequently reveal which land can be developed and when. But until then, it is prudent to assume that no office space will be possible.
