

Tenant Scrutiny Board - Involving Tenants to Improve Council Housing Services

What is the Tenant Scrutiny Board?

Made up of **tenants and leaseholders**, the Board challenges policies and performance to ensure that Leeds City Council provides a high quality housing service that retains tenants at the heart of the organisation.

How does the Tenant Scrutiny Board make a difference to Council Housing services?

It aims to:

- keep tenants and leaseholders at the heart of the services by finding out what they want.
- help examine the work of Housing Leeds, including being involved with reality checks and mystery shopping.
- improve the performance of day to day services, and satisfaction.
- achieve the best possible value for money.
