1 Purpose of this report

- 1.1 The purpose of this report is to consider the progress and ongoing development of the Scrutiny Board's work schedule for the current municipal year.

2 Main issues

- 2.1 Further to the discussions held at the beginning of the current municipal year, work has progressed to include some of the areas identified by the Scrutiny Board into a structured work schedule for the remainder of the municipal year. An outline of the areas to be covered in forthcoming meetings area as follows:

February 2015

- Child and Adolescent Mental Health Services (CAMHS) – commissioning and provision in Leeds (third session)
- Leeds Mental Health Framework & draft action plans

(It should be noted there has been a delay in the development of Leeds' Maternity Strategy and this will not be available for consideration in February 2015. At the time of writing this report a revised timetable had not been finalised).

March 2015

- Primary Care provision in Leeds (NHS England: West Yorkshire Area Team) – second session
- LCH – Care Quality Commission (CQC) Inspection outcome and initial response/ action plan

- LYPFT – Formal action plans and progress against CQC inspection outcomes/ recommendations
- LYPFT – a further report from the Trust in relation to its approach to broader engagement (agreed in January 2015).
- Review of Homecare – final report & recommendations for Executive Board

April 2015

- YAS – Care Quality Commission (CQC) Inspection outcome and initial response/ action plan
- LCH – Formal action plans against CQC inspection outcomes/ recommendations
- Child and Adolescent Mental Health Services (CAMHS) – commissioning and provision in Leeds (final report)

2.2 The details outlined above should be considered as an indicative rather than definitive work programme. A number of areas (in particular work associated with CQC inspections) are dependent on the outcome of work from third parties and may therefore be subject to change. It is also important to retain sufficient flexibility in the Board's work programme in order to react to any specific matters that may arise during the course of the year.

2.3 Throughout the current municipal year, a number of other items/ work areas have been identified that are not currently unscheduled.

Unscheduled items (and when identified)

- Better Care Fund – respective roles of the Health and Wellbeing Board and the Scrutiny Board (September 2014)
- The Director of Public Health's Annual Report (October 2014)
- Outcome of the Health and Wellbeing Board's consideration of the 'Due North' report (October 2014)
- The Regional Oral Health Needs Assessment (November 2014)
- Leeds' Oral Health Strategy (November 2014)
- Review of the work of Leeds' Health Protection Board (December 2014)
- Leeds' Better Lives Strategy (December 2014)
- Areas for improvement identified within Local Account of Adult Social Care (2014/15) (February 2015)

2.4 Given the competing priorities and on-going pressure on the Board's work programme, it is unlikely there will be sufficient capacity for the Board to consider all these areas.

Working Groups

2.5 The Scrutiny Board has established two working groups, one focusing on Adult Social Care matters, while the other working group considers proposed changes and development of local health services.

2.6 In addition, a joint working group meeting involving the Scrutiny Board (Children and Families) was held in late January 2015 to consider the draft Best Start Plan, ahead of the February 2015 meeting of the Health and Wellbeing Board.

2.7 Any relevant updates from the working groups will be provided at the meeting.

2.8 The draft minutes from the Council's Executive Board meeting held on 11 February 2015 are attached to this report for consideration. Matters specifically relating to the work of the Scrutiny Board are as follows:

2.9 It should be noted that minute 146 is of specific relevance to the Scrutiny Board, as it refers improvement areas identified within Leeds' Local Account of Adult Social Care 2014/15 to the Scrutiny Board for the purposes of overseeing performance.

Minutes from Leeds' Health and Wellbeing Board

2.10 The draft minutes from Leeds' Health and Wellbeing Board held on 4 February 2015 were not available at the time of agenda dispatched. It is likely these will be presented as supplementary information for consideration at the meeting.
