<sup>ii</sup> A brief title should be inserted here. If the decision is Key and has appeared on the List of Forthcoming Key Decisions, the title of the decision should be the same as that used in the List.

<sup>iii</sup> Brief details of the decision should be inserted. This note must set out the substance of the decision, options considered and the reason for deciding on the chosen option, although care must be taken not to disclose any confidential or exempt information.

<sup>v</sup> If the decision is exempt from call-in a reason must be provided in the 'Notice / Call-In' box and in the report. It is not acceptable for the signature to be 'pp' for the authorised signatory. However, should representations be received following public availability of reports the signatory will consider the effect which such representations should have on the final decision.
