

## The admissions policy for Leeds community and voluntary-controlled schools for entry in September 2016

Our Chief Executive makes all offers of a school place for Reception and Year 7 places on behalf of Leeds City Council, which is the admissions authority. Headteachers or school-based staff are not authorised to offer a child a place for these year groups. The authority to convey the offer of a place has been delegated to schools for places in other year groups.

Children with an education, health and care plan will be admitted to the school named on their plan.

We will offer places to children in the following order of priority.

### Priority 1

- a) Children in public care or fostered under an arrangement made by the local authority. (see note 2)
- b) Pupils without an EHC plan but who have Special Educational Needs, or with exceptional medical or mobility needs, that can only be met at a specific school. (See note 3)

### Priority 2

Children with older brothers or sisters who will be at school at the start of the academic year and are living at the same address (see note 4). This includes priority for a sibling applying for an infant school where the older sibling is or will be attending the linked junior school. This priority will not apply where the older sibling joined the sixth form from a different school.

### Priority 3

Where children attend the following infant and junior schools they will have priority for the linked infant or junior school:

Farsley Westroyd Primary\* linked to Farsley Springbank Primary\*  
Guiseley Primary School\* linked to Guiseley St Oswald's Primary School\*  
Rothwell Haigh Road Infant linked to Rothwell Victoria Junior  
Yeadon Westfield Infant linked to Yeadon Westfield Junior

\* These schools became primary schools on 1 September 2015. The link between the schools will still apply during the transition period – September 2015 to August 2018

Should there be more children than places available priority 4 will be used as a tie break.

### Priority 4

We will give priority to parents who put their nearest school (see note 6). This does not include any schools which act as their own admitting authority and who do not have a 'nearest' criteria in their admission policy. If we have more applications than there are places, we will offer places first to children living nearest to the school (measured in a straight line) (see note 5).

**Priority 5**

We will give priority to parents who choose a Leeds school, which is not the one nearest to their home address (see note 6) .

If we have more applications than there are places, we will offer places first to children living nearest the school (see note 5).

**Note 1**

If we cannot offer parents or carers a place for their child at any school they put on their preference form, we will offer their child a place at the nearest school that has places available when we make the offer (this may include voluntary aided and foundation schools or academies where their governing bodies have given us permission to do so).

**Note 2**

Children who have been adopted from local authority care, children with a residency order and those with special guardianship immediately following being Looked After will all be included within the higher priority for looked-after children (priority 1a).

**Note 3**

Leeds City Council promotes inclusion in local schools and it is an expectation in Leeds that all mainstream schools are able to provide for the majority of children with learning and medical disabilities. It is also an expectation that all Leeds schools provide an inclusive and nurturing environment that can meet the needs of those vulnerable children who have social and emotional needs. Children with exceptional needs who require additional support above that expected of a mainstream school will usually have an EHC plan. In some instances there are some children with a particular need such as a significant physical disability or complex sensory impairment who require the expertise only found in a particular school. e.g. blind children who need to access Braille. It is these instances where priority for admission may need to be considered.

Applications in this category must be supported by a SEN SIF, available from the Admissions Team, which must include a statement in writing from a paediatrician/doctor or other relevant professional who can evidence why a particular provision is needed over another. The statement must also evidence why the school of choice is the only school that can meet the particular need in question. This is necessary as the LA will be assessing if your child has a stronger case than other children. Cases will be considered individually the LA in consultation with the school preferred.

Advice and support can be sought from the Leeds SEND Information Advice and Support Service on 0113 395 1222.

**Note 4**

For these purposes, brothers and sisters must be living at the same address as your child. Siblings refers to brother or sister, half brother or sister, adopted brother or sister, step brother or sister, foster brother or sister. The definition does not include cousins or other family members sharing a house.

**Note 5**

In Leeds we use a straight-line distance system. We use a national computer system to run our school-admission system. As part of this system there is a program that measures the

'straight-line' distance from the centre of the main school building to your home address. The point we measure to at your home address is determined by the Royal Mail Postcode Address File. This information provides us with coordinates for every dwelling. If we are not able to match your address with the Postcode Address File then we will use the centre of your dwelling.

In the unlikely event there are insufficient places for two (or more) pupils living in the same building (e.g. flats) or otherwise equidistant from the school, then any final place will be allocated by the drawing of lots.

#### **Note 6**

If you live in Leeds

If you live in Leeds and your nearest school is a school in another local authority, then your nearest Leeds school by straight-line distance will be your nearest eligible school. You can apply for any school but the nearest priority only applies to Leeds schools. It includes all community and voluntary controlled schools, as well as Foundation Schools and Academies which have chosen to include a priority for nearest.

If you don't live in Leeds

If you live in another local authority and the nearest school to your home in a straight line is a Leeds community, voluntary-controlled or foundation school, or academy we will give you the relevant priority under our admissions policy.

If you live in another local authority and the nearest school to your home, by straight line, is a school not in Leeds you are still able to apply for a Leeds School but priority 4 will not apply.

#### **Nearest School**

When we say the 'nearest' school, we do not include voluntary-aided (faith based) schools. This is because they apply their own admissions policies and, if they are oversubscribed, they mainly offer places based on the religion practised by the child and family. If Free Schools open subsequently that have not included a 'nearest' priority these would also be excluded.

#### **Address**

For admission purposes, the home address is where the child usually lives with their parent or carer. You must not give the address of a childminder or relative. We will investigate any queries about addresses and, depending on what we find; we may change the school we offer your child. When we make an offer, we assume your address will be the same in the following September as we have on record. If you plan to move house, you must still give your current address. If you move house after the deadline of 31 October 2015 for Secondary places or 15 January 2016 for Primary and Junior places, you must tell us your new address as we may have to offer your child a place at another school.

#### **Late Applications**

If you return the preference form after the deadline we cannot guarantee to consider your preferences at the same time as those received on time. Any secondary applications returned after 10 December 2015, or primary applications returned after 24 February 2016 will only be dealt with once all other preferences have been considered, unless there are significant and exceptional reasons. Late applications will be considered before placements are made (where no preference could be met)

### **Accepting Offers**

Parents will be asked to accept the offer of a school place. This will not affect their position on any waiting list for a higher preference, or their right to appeal. Parents who do not wish to accept the offer, or do not accept the offer within a reasonable time, may have the place withdrawn.

### **Waiting List**

After offers have been made on 1 March for secondary and 16 April for Primary and Junior, parents can ask to go on the waiting list for any school. Waiting lists will also be held for each year group for applications outside of the admissions round. All waiting lists will be held in criteria order of the admission policy and will close on 27 July 2016 i.e. at the end of the academic year. All waiting lists will be ranked when new applicants have been added ahead of any allocations being

### **Nursery**

A place in a nursery does not guarantee a place in the school. Parents must apply for a place if they want their child to transfer to the reception class.

### **Temporary School Site**

If a school has to move to a temporary site for any reason, such as the building being damaged by a fire, we will base our distance measurements on the school's permanent site.

### **Starting Reception Age**

We normally only allow children to start primary school in the appropriate age range. You must ensure your child receives an appropriate full time education from the term following their fifth birthday. Almost all children start school in Leeds in the September following their fourth birthday. However, parents can request that the start date for their child is deferred until later in the school year in the case of children who have not reached their 5th birthday. You can also request that your child attends part-time until he/she reaches compulsory school age. If you want a later start date within the academic year you should discuss this with the school. If your child is born in the summer term and you wish to defer entry until the next academic year but remain within the same chronological year group you will need to apply for a place in year 1.

### **Deferment for summer born children**

Parents of children born between 1 April and 31 August 2012 who wish to defer entry into reception until September 2017 should still apply in the normal admission round for 2015, and indicate this on their preference form, and attach any evidence of the need for deferment from any associated professionals. The parent will be invited to a panel including early years education experts and headteachers where their individual case will be considered. This will ensure the opportunity to reflect on the long term impact of that decision, and balance this against the child's current needs.

### **Applications outside the normal admission round**

All applications outside the normal admission round should be made using an in year application form. From September 2013 you return the form directly to your preferred school. If the school is full you will be offered a right of appeal.

The sibling priority will apply to younger and older siblings where families move during the school year.

Where no house move has taken place you will only be offered a place to start at the beginning of the next term. You can contact the Admissions Team to find out about vacancies in schools.
