Commenter Type: Society

Stance: Customer objects to the Licensing Application

Comment Reasons:

Comment: 7:48 PM on 16 Feb 2015 I am writing to object to the above mentioned application, as I feel that we have enough outlets selling alcohol in the village of Farsley.

We already have issues with anti-social behaviour from teenagers in the area, loitering and drinking in the park and hanging around outside the Co-op. And I feel that this proposal would provide somewhere else for them to congregate, especially as there are benches next to the shop.

We have a 24 hour Asda, ten minutes walk away from the village, selling alcohol. And as well as the Co-op, we have Cellar 28, which is not only three doors up from the Post Office, but is specifically an off licence. The lady who owns it is still building her business and this application will definitely impede on the growth of her business.

Parking in Farsley is very limited at the best of times, but this problem would increase if the Post office were to extend its hours to sell alcohol. There are two restaurants opposite the Post Office and the Conservative club next to it, with no designated parking for any of them.

The high rise flats behind the Post Office, Marsden Court, houses a lot of elderly people. Access is needed at all times for emergency vehicles. No amount of double yellow lines will stop people abandoning their cars, to go and buy alcohol.

I am all for local business, but I feel this proposal is not in the best interests of our community.

Amin, Imtishaam

Licence nu prem/03567/001

Dear Mr Amin

As regards to the above premises I am totally against this proposal on first count we already have enough licenced premises and know this is not under the criteria why is beyond me but the council make the rules, as the other objectives are crime, public nuisance etc .  
At the rear of the above premises we have a block of flats which is occupied by elderly people and with this business hoping to open till 10.30 every night I can see a problem with young people congregating on benches to the left of the property causing a public nuisance and distress to the residents and surrounding area . farsley as already had its fair share of antisocial behaviour and this will not help I hope you will come with your colleagues and take a good look at our village before making your decision ,please do not spoil what we have in farsley.

Regards
