### 37 Late Items

### 38 Exclusion of Public

**RESOLVED** – That the public be excluded from the meeting during consideration of the following parts of the agenda designated as exempt on the grounds that it is likely, in the view of the nature of the business to be transacted or the nature of proceedings, that if members of the public were present there would be a disclosure to them of exempt information so designated as follows:

- a.) The appendix to the report referred to in minute 42 under the terms of Access to Information Procedure Rule 10.4 (3) and on the grounds that the public interest in maintaining the exemption outweighs the public interest in disclosing the information as disclosure would, or would be likely to, prejudice the commercial interests of the Council by virtue of the fact that the information contained within the appendix was obtained through inviting of best and final offers for the property and therefore to disclose this information at this point in time could lead to random competing bids which would undermine this method of inviting bids and affect the integrity of disposing of land / property by means of this process in the future. Also it is considered that the release of such information would or would be likely to prejudice the Council's commercial interests in relation to other similar transactions in that prospective purchasers of other similar properties about the nature and level of offers which may prove acceptable to the Council. It is considered that whilst there may be a public interest in disclosure, much of this information would be publicly available from the Land Registry following completion of this transaction and consequently the public interest in maintaining the exemption outweighed the public interest in disclosing the information at this point in time.
- b.) The appendix to the report referred to in minute 43 under the terms of Access to Information Procedure Rule 10.4 (3) and on the grounds that the public interest in maintaining the exemption outweighs the public interest in disclosing the information as disclosure of the valuation of the site may be prejudicial to the commercial interests of the Council

as it may prejudice the return that the Council may realise on a future sale of the site.

- c.) The appendix to the report referred to in minute 50 under the terms of Access to Information Procedure Rule 10.4 (3) and on the grounds that the public interest in maintaining the exemption outweighs the public interest in disclosing the information as disclosure would prejudice the Council's commercial interests as both the appendix and the outline business case include matters where negotiations of a confidential nature will ensue with the Local Education Partnership and Environments for Learning.
- d.) The appendix to the report referred to in minute 51 under the terms of Access to Information Procedure Rule 10.4 (1 and 2) and on the grounds that the public interest in maintaining the exemption outweighs the public interest in disclosing the information as Education Leeds has a duty to secure improvement and increased confidence in the schools concerned and this would be adversely affected by disclosure of the information.
- e.) The appendix to the report referred to in minute 52 under the terms of Access to Information Procedure Rule 10.4 (1 and 2) and on the grounds that the public interest in maintaining the exemption outweighs the public interest in disclosing the information as as Education Leeds has a duty to secure improvement and increased confidence in the schools concerned and this would be adversely affected by disclosure of the information.
- f.) The appendix to the report referred to in minute 54 under the terms of Access to Information Procedure Rule 10.4 (3) and on the grounds that the public interest in maintaining the exemption outweighs the public interest in disclosing the information as disclosure would prejudice the Council's commercial interests as the appendix details matters where negotiations of a confidential nature will ensue. In these circumstances it is considered that the public interest in not disclosing this commercial information outweighs the public interest in disclosure.
- g.) The appendix to the report referred to in minute 57 under the terms of Access to Information Procedure Rule 10.4 (3) and on the grounds that the public interest in maintaining the exemption outweighs the public interest in disclosing the information as disclosure would prejudice the Council's commercial interests as both the appendix and the outline business case include matters where negotiations of a confidential nature will ensue with the Local Education Partnership and Environments for Learning.

Councillor J Procter declared a personal interest in the item relating to Leeds Grand Theatre as a Director of the theatre's Board and Councillor Blake as a Director of the theatre's and Opera North Boards.

Councillors Brett and Harker declared personal interests in the items relating to Children's Services PFI and reprovision of Holmfield Children's Home as Chair and as a member, respectively, of the Children Leeds Partnership.

The Director of City Development submitted a report on the outcome of the recent public consultation on the Leeds Girls High School Planning and Development Brief. The report also responded to the deputation made to Council in July 2007 on the same subject.

The report outlined a number of options for the site which were recommended for consideration:

1. For the brief to remain essentially the same, with a number of amendments as outlined at paragraph 9.3 of the report. These would include changes to affordable housing provision and the height and density of proposed buildings on the South West corner of the site;
2. To change the brief more radically to meet the wishes of the local community and Elected Members. This would include protecting the playing fields from development;
3. Recognition that the Council's efforts to meet a broad agreement with the school, local community and Elected Members had been unsuccessful and to withdraw the brief.

Documentation and correspondence from G Mulholland MP, Friends of Woodhouse Moor, Councillor Illingworth and a petition were circulated to members of the Board.

The Director of City Development and the Director of Environment and Neighbourhoods submitted a joint report on the disposal of the former Royal Park Primary School site. The report recommended the disposal, through the grant of a long leasehold interest, to the preferred developer with the required

library and community space being the subject of a long sub-lease back to the Council at a peppercorn rent.

Further to a marketing exercise to identify proposals for the site, Members were informed that two such proposals were considered to be viable options for consideration. These were as follows:

1. That all of the school building, other than that given over to the Council's uses, be converted to residential use with around forty apartments and twenty seven car parking spaces, with a complete separation between the residential element and the Council's uses.
2. That more recent extensions to the school building be demolished and replaced with more sympathetic new-build elements. The main use of the building would then be given over to eighty age-related assisted living units with an on-site warden to be managed privately.

Documentation and correspondence from Councillors Hussain, Morton and Rhodes-Clayton, the Leeds Muslim Council, and Royal Park Community Consortium were circulated to members of the Board.

Following consideration of the appendices to the report designated as exempt under Access to Information Procedure Rule 10.4(3), which were considered in private at the conclusion of the meeting, it was

- c.) That the disposal of a long leasehold interest in the property to the selected developer at the value set out in paragraphs 3.3 and 3.8 of the exempt appendix, subject to a requirement that the Council be granted a sub-leasehold interest at a peppercorn rent, be approved;
- d.) That the decision on any 'less than best' reduction in this disposal value which may arise as a result of the detailed negotiations be delegated to the Director of City Development in consultation with the Executive Member for Development and Regeneration;
- e.) That the consultation process described at 4.5 of the report to determine the precise nature and use of the community space be approved and that a report be brought back to the Board in this respect;
- f.) That the commencement of negotiations with the preferred developer for the undertaking of the fit-out of the library and community space as part of the main contract for the refurbishment with the costs of these works to be deducted from the capital receipt, subject to the Directors of Environment and Neighbourhoods and City Development being satisfied that these costs represent value for money, be approved.

Green site at less than best consideration to enable the construction of suitable accommodation that meets the needs of service users and care standards requirements.

Three options were identified in the report for Members' consideration, as outlined below:

1. Continue providing services in the current building. This would lead to the loss of Supporting People income and refurbishment capital costs, and would also result in the loss of benefit income for residents.
2. Provide the service in a dispersed model. This would increase service operating costs to an unaffordable £250,000 per annum.
3. Single site development. Whilst this involves some loss of gross income through housing benefit, this is significantly less than losses experienced under option 1. The sale of the site would also release a capital receipt. This option was identified as most favourable as it met the strategic need to provide services within individuals homes and carried the lowest level of capital risk and revenue liability for the Authority.
