Dear Sir/Madam,

Regarding our licensing application. I understand that there has been an objection from West Yorkshire Police – (Officer C.A. Arkle PC 5548)

We have spoken to the Officer Arkle regarding her objection. We offered to comply with any conditions the police have stipulated, but they are still refusing to lift their objection.

We would like to re-state our position to you that we will be more than happy to agree to any conditions or objections raised by West Yorkshire Police.

We are attending a hearing with yourselves on 16th June 2015 and we would like to state that we are fully prepared to agree to any further conditions you might place on the application in the hearing.

Yours Sincerely

Hassan Hashemi
