VARIATION

Do you want the proposed
variation to have effect as
soon as possible? Yes No

Do you want the proposed variation to have effect in relation to the
introduction of the late night levy?

Yes No

You do not have to pay a fee if the only
purpose of the variation for which you are
applying is to avoid becoming liable to the
late night levy.

If your proposed variation
would mean that 5,000 or
more people are expected to
attend the premises at any
one time, state the number
expected to attend

Describe Briefly The Nature Of The Proposed Variation

Describe the premises. For example the type of premises, its general situation and layout and any other information which could be relevant to the licensing objectives. Where your application includes off-supplies of alcohol and you intend to provide a place for consumption of these off-supplies, you must include a description of where the place will be and its proximity to the premises.

The purpose of the proposed variation is vary the layout of the premises in accordance with the plan deposited with this application (no. 03/03A) to remove the conditions attached to the current licence and replace them in their entirety with the conditions in the operating schedule submitted with this application. The reason for this application is that the licence contains a number of conditions which are either outdated, redundant, ambiguous, or inappropriate to the proposed new style of operation of the premises (following the transfer of the licence to The Alchemist Bar & Restaurant Limited).
