- 7.2 In brief the Policy states at 6.14 that restrictions may be made to the proposed hours of use where, after receiving relevant representations, the council considers it appropriate for the promotion of the licensing objectives to do so. The council will take into account the existing pattern of licensed premises in an area when considering what is appropriate to promote the objectives. Applications which are significantly out of character for a locality will need to demonstrate that granting the hours sought will not impact on the licensing objectives, given the potential for neighbouring premises to seek the same additional hours to prevent rivals gaining a commercial advantage.
- 7.3 A list of premises in the local area and their licensed hours and activities is provided at appendix B.

8.0 Location

- 8.1 A map which identifies the location of this premise is attached at Appendix C.
