

SECTION 3: PROPOSALS FOR THE 11 AREAS THAT COVER LEEDS

6. OUTER NORTH EAST

- 3.6. The Outer North East area is characterised by a collection of freestanding mainly small towns and villages located within an attractive rural setting. The area is bounded by the main urban area of Leeds to the south-west and the administrative boundaries of the neighbouring Harrogate Borough Council and Selby District Council to the north and east respectively. Wetherby is the largest settlement within the area and provides a wide range of local services and facilities. The smaller settlements of Boston Spa, Bardsey, Bramham and Collingham further help to supplement the local community needs. The majority of the towns and villages within the area contain significant heritage value which is demonstrated by their numerous conservation areas and listed buildings. The River Wharfe meanders around the northern part of area passing through several settlements, adding to the attractive character and providing a valuable ecological resource. The A61, A58 and A64 are the main roads linking the areas towns and villages and connecting residents to the City Centre. The A1(M) also runs north/south across the area providing good regional connections for people and local businesses. Lotherton Hall, Bramham Park, Eccup reservoir and Harewood House provide the major leisure and cultural attractions within the area.

Overall, the socio-economic profile shows that of working households in North East Leeds 20% earn less than £20000 p.a. whilst 49% earn £50,000 or more. In terms of unemployment, there was an unemployment rate of 1% in 2014 (claimants of working population). Neighbourhood Plans are being prepared by a number of areas, including Walton, Thorp Arch, Wetherby, Boston Spa, Linton, Clifford, Collingham, Braham cum Oglethorpe, East Keswick, Bardsey cum Rigton, Scarcroft, Harewood, Shadwell, Thorner, Barwick in Elmet and Scholes.

RETAIL PROPOSALS FOR OUTER NORTH EAST:

- 3.6.1 The main centre for Outer North East is Wetherby Town Centre This is supported by the local centres of Boston Spa, Collingham and Slaid Hill. The full list of centres for the Outer North East HMCA is as follows:
- Wetherby
 - Boston Spa
 - Collingham
 - Slaid Hill
- 3.6.2 For each centre a review of the centre boundary and survey of current uses has been undertaken. The Council is not allocating sites for retail in these centres but has made boundary changes which may provide scope to accommodate additional retailing. The survey of uses has been used to determine the primary shopping area and frontages (primary and secondary).
- 3.6.3 For policies and guidance referring to centre boundaries, primary shopping areas and proposals within protected shopping frontages, please refer to section 2 of this document. These policies must also be read in conjunction with the Retail and Town Centres section of the Core Strategy.

HOUSING PROPOSALS FOR OUTER NORTH EAST

3.6.4 See Section 2, paragraphs 2.26 – 2.71 for the Housing overview which explains the context for the housing allocations in this area.

3.6.5 **Total housing target for Outer North East** (set out in the Core Strategy) = 5,000 units (8% of District wide total)

Total number of dwellings/capacity to be allocated:

3.6.6 The target of 5,000 residential units does not mean that land for 5,000 new units is newly allocated for housing. From the overall total, existing allocations (previous UDP housing allocations not developed), planning permissions expired since 31.3.12 and planning permissions with units still remaining to be built between 31.3.12 (the base date of the plan) and 5.4.15 as well as recently expired permissions have been deducted. These sites are listed in Policy HG1 below and count towards the overall target. They are shown as identified housing sites on the plan.

POLICY HG1 – IDENTIFIED HOUSING SITES
THE SITE ALLOCATIONS PLAN IDENTIFIES SITES WHICH HAVE EXISTING OR RECENTLY EXPIRED PLANNING PERMISSION FOR HOUSING OR MIXED USE INCLUDING HOUSING, OR WERE PREVIOUSLY ALLOCATED FOR HOUSING IN THE UNITARY DEVELOPMENT PLAN, AS IDENTIFIED HOUSING SITES. IDENTIFIED HOUSING SITES CONTRIBUTE TO THE TARGETS FOR THE ELEVEN HOUSING MARKET CHARACTERISTIC AREAS SET OUT IN CORE STRATEGY SPATIAL POLICY 7 (SP7). THESE ARE SHOWN ON THE POLICIES MAP. ALL IDENTIFIED HOUSING SITES ARE IN PHASE 1 FOR RELEASE, IN ACCORDANCE WITH CORE STRATEGY POLICY H1. IN OUTER NORTH EAST THE SITES SHOWN AS IDENTIFIED HOUSING SITES ARE:

3.6.7 Completions post 2012 plus sites under construction or not started can be deducted from the target (the sum of the last 3 columns in the table) to leave a residual for allocation for housing..

So, the residual target is 5,000 – 1540 = **3460 units**

GREENSPACE PROPOSALS FOR OUTER NORTH EAST

- 3.6.18 The plan shows the green space sites proposed for designation within the Outer North East HMCA. These are predominantly existing UDP green space sites (some updated and modified to reflect the current situation) and additional sites identified through the OSSRA. Existing green space located within housing or employment allocations is not identified for designation however green space provision within any housing proposal will be addressed through the planning application process and the application of Policy G4 (New Green Space Provision) of the Core Strategy. The provision of green space will also be a requirement in some site specific policies contained in the housing section of this chapter. Any UDP green space sites that are not shown are proposed for deletion mainly because they are no longer in an open space use or are below the 0.2ha threshold. They are listed in the Green Space Background Paper.
- 3.6.19 The key areas of green space within the Outer North East area are Lotherton Hall (57.1ha) (to the south east of Aberford) and Harewood House Estate (39.6ha). Harewood House is unusual as part of the estate is open to the public but for a fee. There are various smaller green spaces within or adjacent to the villages and towns of the Outer North East including some stretches of old railway lines in Wetherby and running south from Bardsey. There are large areas of predominantly woodland to the west of the A1 which are not specifically protected as green space however they lie within green belt and are therefore protected from future development. Provision is still in need of improvement in terms of quantity, quality and accessibility. Revised surpluses and deficiencies by typology (undertaken in May 2015) for the Wards that fall completely or partially within the Outer North East HMCA are contained in the Green Space Background Paper.
