**1 Purpose of this report**

1.1 The purpose of this report is to consider the progress and development of the Scrutiny Board's work schedule for the current municipal year.

**2 Summary of main issues**

2.1 The Board's outline work schedule, which reflects discussions at the Board's meeting on 23 June 2015, is attached at Appendix 1. It is important to retain sufficient flexibility in the Board's work programme in order to react to any specific matters that may arise during the course of the year, therefore the work schedule may be subject to change throughout the municipal year and should be considered to be indicative rather than definitive.

2.2 In order to deliver the work schedule, it is likely that the Board will need to take a flexible approach and may need to undertake some activities outside the formal schedule of meetings. Adopting a flexible approach may also require additional formal meetings of the Scrutiny Board.

Working Groups

2.3 At its meeting in June 2015, the Scrutiny Board re-established the Health Service Developments Working Group, which will primarily be focused on considering proposed changes and development of local health services. As detailed at Appendix 1, it is also proposed to consider the following areas of scrutiny activity through this working group:

- Work around co-commissioning (including specialised commissioning); and,
- Any future proposals around the provision of Children's Epilepsy Surgery Services.

2.4 It is currently proposed to hold bi-monthly working group meetings, commencing in August 2015. Precise meeting dates are subject to confirmation. Any future update from the working group will be provided at the Scrutiny Board.

### **3. Recommendations**

3.1 Members are asked to:

- a) Note the content of this report and its attachments.
- b) Identify any specific matters to be incorporated into the work schedule for the remainder of the current municipal year.
- c) Prioritise any competing demands where necessary and agree the future work schedule for the Scrutiny Board.

### **4. Background papers<sup>1</sup>**
