Health and safety services are of the opinion that your application contains insufficient information about how you intend to meet the licensing objective/s.

We therefore confirm that we are submitting a formal representation against your application on the grounds of public safety.

However, Health and Safety Services are of the opinion that the said objectives could be met should you be prepared to incorporate certain identified measures within your operating schedule.

Please find enclosed a document which at Part 1 contains the suggested measures which this authority considers are proportionate and appropriate to the nature of your application.

Should you be in **agreement** with the suggested measures then please signify this by completing and signing **Part 2** of the enclosed form and return the complete document to this office as soon as possible, but no later than 15 July 2015.

Upon receipt of your consent at Part 2, it will be taken that you signify your wishes for the licensing authority to amend your operating schedule to incorporate the proposed measures.

Alternatively should you **disagree** with the proposed measures, then please complete **Part 3** and again return the complete document to this office as soon as possible, but no later than the stated date.

PART 1 - to be completed by the Responsible Authority

**Health and Safety Service
Proposed controlled measures under the Licensing Act 2003**

Name & Address of Premises: Archies, Arches V And W Granary Wharf, Dark Neville Street, Leeds, LS1 4BR,

Having considered the application under the Licensing Act 2003 for the above premises, the Health and Safety Service considers that the following measures are proportionate and necessary in order to promote the public safety licensing objective:

Measures proposed:

Public Safety 6 :- General Housekeeping	
1	Regular safety checks of guarding to stairs, balconies, landings and ramps will be undertaken, and a supervision policy will be maintained to prevent people from inappropriate behaviour including climbing which may lead to a fall from height.
2	Safety glass that is impact resistant should be used wherever possible in all areas where the public may come into contact with it. Where it is not used in public areas, glazing should be shielded to protect it from impact.

The Health and Safety Service is satisfied that the proposed measures are not adequately dealt with by other legislation.

By signing the declaration enclosed overleaf the applicant agrees to incorporate the proposed measures as conditions within the operating schedule for the said premises.

Upon the satisfactory completion of the declaration the health and safety service will provide notice to the licensing authority that our representation is withdrawn in accordance with schedule 10(a) of the Licensing Act 2003 (Hearings) Regulations 2005.

Signed:

Dated:

PART 2 – Agreement with Proposed Measures

to be completed by the applicant or applicant's representative

Consent for proposed controlled measures under the Licensing Act 2003
