

Equality, Diversity, Cohesion and Integration Screening

As a public authority we need to ensure that all our strategies, policies, service and functions, both current and proposed have given proper consideration to equality, diversity, cohesion and integration.

A **screening** process can help judge relevance and provides a record of both the **process** and **decision**. Screening should be a short, sharp exercise that determines relevance for all new and revised strategies, policies, services and functions.

Completed at the earliest opportunity it will help to determine:

- the relevance of proposals and decisions to equality, diversity, cohesion and integration.
- whether or not equality, diversity, cohesion and integration is being/has already been considered, and
- whether or not it is necessary to carry out an impact assessment.

Children's Services entered into a contract with Sportsafe Ltd for three years in September 2011 with the option to extend for a period of 12 months for the inspection, repair and maintenance of sports equipment, PE apparatus, associated fixtures and fittings and play gym equipment. The equipment is located within schools and Leisure centres and is used by schools and members of the public. The council has a statutory duty to ensure the health and safety of all who use the equipment at the various locations except those sites that are funded through free schools and Academies.

This involves inspecting and repairing (as necessary) all fixed and portable sports equipment, PE apparatus and soft play equipment for signs of wear and tear, damage and safety hazards; ensuring the equipment is in good and safe working order at all times.

This contract will end on 15th September 2015 and needs to be renewed through a waiver for a 12months period to meet council's duty while a soft market test and an

optional procurement process is undertaken to secure services for the medium to long term.
