2 Background information

- 2.1 The Constitution of Leeds City Council sets out the Officer Delegation Scheme in respect of council functions and executive functions. The Officer Delegation Scheme includes the power for officers to delegate further any function which has been delegated to them under the scheme, to another officer or officers of suitable experience and seniority.
- 2.2 Each Director listed in Article 12 of the Constitution must prepare a sub-delegation scheme which sets out which officers will be given authority to make decisions under the Director's delegated powers and subject to which terms and conditions.
- 2.3 Whilst Directors may authorise other officers to take delegated decisions, the decision is still the personal responsibility of the Director.

3 Main issues

- 3.1 The Director of Environment and Housing has functions delegated to him/her under the Officer Delegation Scheme (Council (non-executive) functions) and under the Officer Delegation Scheme (Executive Functions).
- 3.2 The proposed scheme, attached as Appendix 1 to this report, sets out how the Director of Environment and Housing intends to sub-delegate those functions, including the details of the officers to whom they are sub-delegated and the terms and conditions which apply to those sub-delegations.
- 3.3 It is considered that the sub-delegations proposed by the Director of Environment and Housing are all made to officers of suitable experience and seniority.

4 Corporate Considerations

4.1 Consultation and Engagement

4.1.1 The decision to approve the sub-delegation scheme does not require public consultation or engagement. However the relevant officers named in the sub-delegation scheme will be made aware of the changes.

4.2 Equality and Diversity / Cohesion and Integration

4.2.1 There are no implications for this report.

4.3 Council policies and the Best Council Plan

4.3.1 Updating the sub-delegation scheme is in accordance with Principle 2 of the Code of Corporate Governance (Part 5(j) of the Constitution), which states that the Council will have clear responsibilities and arrangements for accountability.

4.4 Resources and value for money

4.4.1 The Director of Environment and Housing has considered the resources available and how to ensure best value for money in determining the sub-delegations to be made under this scheme.

4.5 Legal Implications, Access to Information and Call In

4.5.1 The decision to approve this sub-delegation scheme is not eligible for Call-In as it is not a Key decision.

4.5.2 The making or amendment of a sub-delegation scheme will be treated as a Significant Operational Decision and will therefore be recorded on a Delegated Decision Notification, and will be published on the Council's website.

4.5.3 In addition the Head of Governance Services maintains a library of sub-delegation schemes, showing all previous versions of each Director's schemes made in the current Municipal Year.

4.6 Risk Management

4.6.1 Ensuring that the Director of Environment and Housing's scheme is kept up to date reduces the risk of decisions being taken without the correct authority.

5 Conclusions

5.1 In accordance with Part 3 of the Council's Constitution each Director named in Article 12 has the authority to sub-delegate any of their functions to officers of suitable experience and seniority. However the officer to whom the delegation has been made in the Constitution remains responsible for any decision taken pursuant to such arrangements.

5.2 The approval of this sub-delegation scheme will ensure that it is documented and transparent.

6 Recommendations

6.1 The Director of Environment and Housing is asked to approve the sub-delegation scheme set out as Appendix 1 to this report.
