

**Report of : Head of Passenger Transport**

**Report to: Chief Officer, Civic Enterprise Leeds**

**Date: 3<sup>rd</sup> September 2015**

**Subject: Passenger Transport – Approval to award call off contracts from the Taxi and Private hire framework arrangement 2015-16.**

Are specific electoral Wards affected? If relevant, name(s) of Ward(s):	<input type="checkbox"/> Yes	<input checked="" type="checkbox"/> No
Are there implications for equality and diversity and cohesion and integration?	<input type="checkbox"/> Yes	<input checked="" type="checkbox"/> No
Is the decision eligible for Call-In?	<input type="checkbox"/> Yes	<input checked="" type="checkbox"/> No
Does the report contain confidential or exempt information? If relevant, Access to Information Procedure Rule number: Appendix number:	<input type="checkbox"/> Yes	<input checked="" type="checkbox"/> No

### Summary of main issues

- 1 Passenger Transport is commissioned by Children's services and Adult Social care to provide transport for children and young people with statements of special educational needs and children who are looked after by Leeds, requiring home to school transport, as well as older people and adults with learning difficulties on order they can access day services.
- 2 This is currently managed through a mix of our own in house fleet as well as the utilisation of a framework agreement for Taxi and Private hire providers to support the service. There are 25 providers on the framework, all of whom have met various quality checks, have provided assurances on safeguarding and agreed to support the council's ambition to be a child friendly city.
- 3 In August the service tendered 200 contracts, as detailed in Appendix A, for either children and young people's home to school transport or, home to day services for adults with learning difficulties attending day services.
- 4 Contracts are awarded on an 80/20 price quality split.

### Recommendations

- 1 The Chief Officer Civic Enterprise Leeds is recommended to approve the award of 200 call-off contracts as detailed in appendix A, for home to school / day services transport, from 7<sup>th</sup> September 2015.

## **1.0 Purpose of this report**

- 1.1 To seek approval to award a total of 200 call –off contacts for the provision of home to school transport for children and young people with special educational needs or who are looked after by Leeds, and home to day services for Adults with learning difficulties.

## **2 Background information**

- 2.1 Passenger transport is commissioned by Children's service's and Adult Social Care to provide home to school transport for children and young people with special educational needs and children who are looked after by Leeds, as well as adults with learning difficulties in order that they can access day services.
- 2.2 The service is currently provided by a mix of our own in-house fleet as well as the utilisation of a framework agreement from which 25 taxi and private hire providers are invited to bid for routes as and when required.

## **3 Main issues**

- 3.1 Requests for home to school transport for children and young people who are in care of the authority are approved by Children's services and can be made throughout the year as and when required.
- 3.2 During the summer school holidays the service receives requests for the Home to school transport required for the new academic year. All routes are planned and scheduled and where necessary a contract for Taxi and Private hire is prepared for tender.
- 3.3 In August 200contracts were tendered, in three separate tenders. All contractors on the framework were invited to tender. Tenders were submitted to PPPU and evaluated by the services. Each contract is awarded on a 80/20 price quality split, the quality score having been determined as part of the framework award.
- 3.4 Details of the winning tenderers are detailed in Appendix A and the individual contract value.
- 3.5 Depending on the specific route requirements the length of the contracts do vary from one to three years, but each route is considered individually and financial implications as well as operational issues are considered.

## **4 Corporate Considerations**

### **4.1 Consultation and Engagement**

- 4.1.1 As commissioners for the service, consultation with both Children's services and Adult Social Care continues throughout the year.
- 4.1.2 The service also works in partnership with the Councils Taxi and Private hire licensing service if there are any licensing or regulation issues with providers.

### **4.2 Equality and Diversity / Cohesion and Integration**

- 4.2.1 An Equality, Diversity, Cohesion and Integration screening report was considered for the framework arrangement and a further Equality Impact Assessment is not required for this request.

### **4.3 Council policies and City Priorities**

- 4.3.1 The proposals within this report will contribute to the continued delivery of an effective Passenger Transport service for Leeds City Council.

### **4.4 Resources and value for money**

- 4.4.1 A framework contract has been let and orders will be placed in accordance with its terms and the Council's Contract Procedure Rules. Competition has been used throughout the process to ensure value for money.

### **4.5 Legal Implications, Access to Information and Call In**

- 4.5.1 A key decision report was published in 3<sup>rd</sup> June 2015, which approved the decision of the service to start a tender process for the contracts.

This report is a consequence of the previous key decision and therefore not subject to call in.

### **4.6 Risk Management**

- 4.6.1 If Passenger transport did not tender for the supply of home to school transport for children and young people who are in care of the authority, the most vulnerable children in the city would not have access to education.

## **5 Conclusions**

- 5.1 Passenger Transport is commissioned to provide home to school transport for children and young people.
- 5.2 The service is provided through a mix of an in house fleet and the utilisation of a framework agreement whereby taxi and private hire providers are invited to bid for routes as and when required.
- 5.3 Throughout August three tenders were submitted with a total of 200 routes. Contractors from the current Taxi and Private hire framework arrangement were invited to tender and bids were evaluated on a 80/20 price quality split.
- 5.4 Details of the individual routes, the successful tenderers and the costs are detailed in appendix A.

## **6 Recommendations**

The Chief Officer Civic Enterprise Leeds is recommended to approve the award of 200 call-off contracts as detailed in appendix A, for home to school / day services transport, from 7<sup>th</sup> September 2015.
