Summary of main issues

1. The 11 Housing Advisory Panels (HAPs) are supported by the Environment and Housing Directorate to invest in a range of environmental and community related projects.
2. The panels are tenant led, each making decisions about the financial support for projects in line with locally agreed priorities and in accordance with the Council's Best City Priorities.
3. The panels form an important part of the services tenant engagement framework and are a local catalyst to make local projects happen that address tenants concerns or differences in satisfaction with services.
4. Between the 1st August 2015 and 30 September 2015 the panels supported 61 projects to a value of £228,970.62. A full list of projects is provided in appendix 1.

Recommendations

5. That the Chief Officer Housing Management, approve the 61 tenant led environmental and community related funding recommendations of the HAPs from 1 August 2015 to 30 September 2015.

1 Purpose of this report

- 1.1 The present to the Chief Officer Housing Management all the projects recommended for funding by the 11 HAPs.

2 Background information

- 2.1 For 2015/16 Leeds City Council has committed £1.32m for a range of local environmental and community related projects that tackle and address the concerns and priorities of tenants. Projects that will improve tenant satisfaction with the environment and the neighbourhood as a place to live and that will enhance the opportunities and wellbeing of tenants helping to create more sustainable communities and successful tenancies.
- 2.2 The nature of what activity is funded is driven by the service receiving recommendations from 11 locally focussed Housing Advisory Panels. These recommendations have to evidence how each project will benefit tenants and the community in which they live, as well as making clear the activities link to wider Council objectives.

3 Main issues

- 3.1 The 11 Housing Advisory Panels (HAPs) are supported by the Environment and Housing Directorate to invest in a range of environmental and community related projects.
- 3.2 The panels are tenant led, each making decisions about the financial support for projects in line with locally agreed priorities and in accordance with the Council's Best City Priorities.
- 3.3 The panels form an important part of the services tenant engagement framework and are a local catalyst to make local projects happen that address tenants concerns or differences in satisfaction with services.
- 3.4 Between the 1 August 2015 and 30 September 2015 the panels supported 61 projects to a value of £228,970.62. A full list of projects is provided in appendix 1.

4 Corporate Considerations

4.1 Consultation and Engagement

- 4.1.1 HAPs themselves are tenant led and are an important part of the services Tenant Engagement Framework. Panels

4.2 Equality and Diversity / Cohesion and Integration

- 4.2.1 HAPs and the funding application process take equality into account by:
- Requiring applicants to evidence what community need they are helping to meet by the project and how they have consulted with the local community;

- Setting local funding priorities based on reviewing a range of community related information such as demographic data, tenant age profiles, satisfaction and performance information and stock profile.
- Sharing good practice between panels where particular customer groups are advantaged and the benefits of a local project could be used successfully elsewhere in the city.
- Equality monitoring of existing HAP members and undertaking targeted recruitment to attract under-represented groups.

4.3 Council policies and Best Council Plan

4.3.1 HAP funding applications are required to make clear how they are contributing to Best Council priorities. For the projects recommended for funding between 1 August 2015 and 30 September 2015; 6 help the Council achieve its aim of being the best city for children and young people, 29 for the best city for communities, 11 support improved health and well-being and 15 help make Leeds the best city to live.

4.4 Resources and value for money

4.4.1 Value for money is achieved by:

- Requiring applicants to evidence how they have considered value for money in their funding applications;
- Using Internal Service Providers for the delivery of environmental related schemes; and
- Encouraging match funded projects.
- Working closely with other Council teams and services, in particular local Communities Teams.

4.5 Legal Implications, Access to Information and Call In

4.5.1 None.

4.6 Risk Management

4.6.1 There are no specific risks associated with this report. The HAP funding application process has in place a number of controls to ensure funds are used effectively and that the risks to Leeds City Council are minimised.

5 Conclusions

5.1 This report summarises the recommendations made by the HAPs and the current controls and processes in place to ensure local priorities are met.

6 Recommendations

6.1 That the Chief Officer Housing Management, approve the 61 tenant led environmental and community related funding recommendations of the HAPs from 1 August 2015 to 30 September 2015.
