Summary of main issues

1. At the Scrutiny Board meeting in November 2015, the Board considered an outline of information from NHS England and Leeds' Clinical Commissioning Groups (CCGs) regarding the potential future arrangements for commissioning primary care services.
2. At that meeting it was suggested that the Board give more formal consideration to the details provided, specifically in relation to governance issues and managing conflicts of interest. A more detailed report has now been provided and is attached at Appendix 1 for consideration.
3. Appropriate representatives have been invited to the meeting to discuss the details provided and address any questions from the Scrutiny Board.

Recommendations

4. Members are asked to consider the details presented and determine any future scrutiny activity.
